**The FBI and Martin Luther King, Jr.** David J. Garrow, 2015-02-17 The author of *Bearing the Cross* the Pulitzer Prize winning biography of Martin Luther King Jr exposes the government's massive surveillance campaign against the civil rights leader When US attorney general Robert F Kennedy authorized a wiretap of Martin Luther King Jr's phones by the Federal Bureau of Investigation he set in motion one of the most invasive surveillance operations in American history Sparked by informant reports of King's alleged involvement with communists the FBI amassed a trove of information on the civil rights leader Their findings failed to turn up any evidence of communist influence but they did expose sensitive aspects of King's personal life that the FBI went on to use in its attempts to mar his public image Based on meticulous research into the agency's surveillance records historian David Garrow illustrates how the FBI followed King's movements throughout the country bugging his hotel rooms and tapping his phones wherever he went in an obsessive quest to destroy his growing influence Garrow uncovers the voyeurism and racism within J Edgar Hoover's FBI while unmasking Hoover's personal desire to destroy King The spying only intensified once King publicly denounced the Vietnam War and the FBI continued to surveil him until his death *The FBI and Martin Luther King Jr* clearly demonstrates an unprecedented abuse of power by the FBI and the government as a whole

**Bonhoeffer and King** James Deotis Roberts, 2005-01-01 A study of two of the most significant prophetic leaders in the twentieth century J Deotis Roberts's *Bonhoeffer and King* is an instructive work in theological ethics This book considers and compares the theological reflections that guided Bonhoeffer's courageous stand against Nazism and King's quest for civil rights in America

*The Least of These* Anthony E. Cook, 2014-06-11 First published in 1997 Examining race law and religion in today's America *The Least of These* highlights the power of these principles to both divide and unite and promotes a new form of liberalism that incorporates the spiritual values long neglected by earlier progressive liberals Relaunching the fundamental tenet of progressive liberalism that a justly ordered society must protect the interests and promote opportunities for the least advantaged of its population Anthony Cook argues for a revival of the progressive vision of American politics While the affirmative action debates smolder around the country Cook contends that the spiritual foundation of this liberal tenet must be unearthed and elaborated to fit our times before we can attempt to tackle the issues

that the civil rights era has left unanswered As the twentieth century closes *The Least of These* provides a greater understanding of the roots of our ongoing socio political struggles and serves as an invaluable profile of progressive liberal politics from World War II to the present *A Baptist Preacher's Buddhist Teacher* Lawrence Edward Carter Sr.,2018-11-01 In this inspiring soul stirring memoir Lawrence E Carter Sr founding dean of the Martin Luther King Jr International Chapel shares his remarkable quest to experience King s beloved community and his surprising discovery in mid life that King s dream was being realized by the Japanese Buddhist philosopher and tireless peace worker Daisaku Ikeda Coming of age on the cusp of the American Civil Rights Movement Carter was personally mentored by Martin Luther King Jr and followed in his footsteps first to get an advanced degree in theology at Boston University and then to teach and train a new generation of activists and ministers at King s alma mater Morehouse College Over the years however Carter was disheartened to watch the radical cosmic vision at the heart of King s message gradually diluted and marginalized He found himself in near despair until his remarkable encounter with the lay Buddhist association Soka Gakkai International and a life changing meeting with Ikeda its president Carter knew that King had been inspired by Gandhi a Hindu and now Ikeda a Buddhist was showing him how King s message of justice equality and the fundamental dignity of life could be carried to millions of people around the world What ensued was not a conversion but a conversation about the essential role of interfaith dialogue the primacy of education and the value of a living faith to create a human revolution and realize at last Martin Luther King s truest dream of a global world house In these dark and frustrating times the powerful dialogue between Carter and Ikeda gives hope and guidance to a new generation of reformers activists and visionaries **Encyclopedia of African American Religions** Larry G. Murphy,J. Gordon Melton,Gary L. Ward,2013-11-20 Preceded by three introductory essays and a chronology of major events in black religious history from 1618 to 1991 this A Z encyclopedia includes three types of entries Biographical sketches of 773 African American religious leaders 341 entries on African American denominations and religious organizations including white churches with significant black memberships and educational institutions Topical articles on important aspects of African American religious life e g African American Christians during the Colonial Era Music in the African American Church **The Making of American Liberal Theology** Gary J. Dorrien,2006-01-01 In this first of three volumes Dorrien identifies the indigenous roots of American liberal theology and demonstrates a wider longer running tradition than has been thought The tradition took shape in the nineteenth century motivated by a desire to map a modernist third way between orthodoxy and rationalistic deism atheism It is defined by its openness to modern intellectual inquiry its commitment to the authority of individual reason and experience its conception of Christianity as an ethical way of life and its commitment to make Christianity credible and socially relevant to modern people Dorrien takes a narrative approach and provides a biographical reading of important religious thinkers of the time including William E Channing Ralph Waldo Emerson Horace Bushnell Henry Ward Beecher Elizabeth Cady Stanton and Charles Briggs Dorrien notes that although

liberal theology moved into elite academic institutions its conceptual foundations were laid in the pulpit rather than the classroom

**Ethical Leadership** Walter E. Fluker, 2009 We live in a leadership crisis In an age when incompatible worlds collide and when scandals rock formerly stable institutions says Walter Fluker what counts most is ethical leadership and the qualities of personal integrity spiritual discipline intellectual openness and moral anchoring Fluker finds these characteristics exemplified in the work and thought of black church giants Martin Luther King Jr and Howard Thurman This volume for leaders and emergent leaders in religious and other settings sets forth the context and principles for ethical leadership particularly for ministries and other professions whose mission directly advances the common good Fluker's volume grounds leadership in story the appropriation of one's roots as a basis for personal and social transformation He then explores the key values of character civility and community for ethical action on the personal public and spiritual realms From these considerations he develops a model of the specific virtues that embody each realm of ethical leadership before applying them to the practical aspects of leadership and decisionmaking

*International Encyclopedia of Civil Society* Helmut K. Anheier, Stefan Toepler, 2009-11-24 Recently the topic of civil society has generated a wave of interest and a wealth of new information Until now no publication has attempted to organize and consolidate this knowledge The International Encyclopedia of Civil Society fills this gap establishing a common set of understandings and terminology and an analytical starting point for future research Global in scope and authoritative in content the Encyclopedia offers succinct summaries of core concepts and theories definitions of terms biographical entries on important figures and organizational profiles In addition it serves as a reliable and up to date guide to additional sources of information In sum the Encyclopedia provides an overview of the contours of civil society social capital philanthropy and nonprofits across cultures and historical periods For researchers in nonprofit and civil society studies political science economics management and social enterprise this is the most systematic appraisal of a rapidly growing field

**Bibliography of African American Leadership** Cedric Johnson, Ronald W. Walters, 2000-06-30 Compiled in this volume is the most significant accumulation of works on the subject of African American leadership to date As the field of leadership studies continues to grow this timely work contributes to an understanding of the activities of those people and organizations that have been leaders of people of African descent and have contributed to the cultural and political affairs of the black community as well as the representation of the black community in mainstream American life The annotated entries cover a variety of works on subjects such as dedicated black leadership studies local descriptions and analyses biographies leadership organizations and audio visual materials This reference is an important contribution to the field of leadership studies in general and African American leadership in particular and will serve as a valuable research tool for educators and practitioners alike The entries are organized into six sections which offer a broad overview of the various aspects of African American leadership Part I Critical Studies and Appraisals focuses on the history of works dedicated to both national and local leaders and their politically relevant activities

The next section Local Leadership Studies is organized around black leaders who served local communities and the various issues they addressed Part III looks at relevant social movements and ideologies that have highlighted the activities of black leaders Individual leaders who have made contributions to the political life of the black community are included in Part IV while leadership organizations are highlighted in Part V The concluding section of the volume looks at available audio visual materials A thorough index rounds out the bibliography

**Social Crisis Preaching** Kelly Miller Smith,2000-09 **A Church Wide Enough for Everyone** Steven H. Propp,2018-02-03 Robert Schaeffer and Douglas West are best friends living in Oklahoma in 1963when they discover that they both sense a calling to become ministers in a mainline Christian denomination But from seminary and their early years in ministry to their golden years looking back on what it takes to lead a congregation a stimulating sometimes puzzling yet often inspirational world of theological controversies and congregational concerns would unfold for these two men of God A Church Wide Enough for Everyone follows these two men on their journey to demonstrate the continuing relevance of the Christian faith in a postmodern world After moving to Berkeley California to attend college and seminary they have little time to ponder the vast social changes taking place before they immediately enter into intensive critical study of the Bible and Christian theology And as Robert is then thrust into the ordained ministry with his wife Faye both men must in their own ways face the political cultural and ideological pressures of each passing decade responding to challenges from both within the church and from outsiders Are mainline churchesand Christian theologydead Or might they be revitalized in the current century A Church Wide Enough for Everyone and the inspired journeys of two ministers offers a window into how this revitalization and new understanding is possible

*King* Harvard Sitkoff,2009-01-06 A vivid portrait that deserves to be widely read an incisive essay on MLK s significance today San Francisco Chronicle Book Review Might Martin Luther King Jr s greatest accomplishments have been ahead of him His murder in April 1968 did far more than cut tragically short the life of one of America s most remarkable civil rights leaders In this concise biography Harvard Sitkoff presents a stunningly relevant King The 1955 Montgomery bus boycott King s 1963 soul stirring address from the steps of the Lincoln Memorial and the 1965 history altering Selma march are all recounted But these are not treated as predetermined high points in a life celebrated for its role in a civil rights struggle too many Americans have quickly relegated to the past Presented alongside King s successes are his failures as an organizer in Albany Georgia and St Augustine Florida as a leader of ever more strident activists as a husband Together high and low points are interwoven to capture King s lifelong struggle By telling King s life as one on the verge of reaching its fulfillment Sitkoff powerfully shows how King s activism was leading him to a direct confrontation with a president over an immoral war and with an America blind to its complicity in economic injustice The best short biography we have of the Rev Martin Luther King Jr The Atlanta Journal Constitution Sitkoff argues that the more militant King is the more relevant King And he s right The New York Observer Remarkable concise and complex judicious and deeply moving Kevin Boyle author of the National Book

Award winning Arc of Justice A Saga of Race Civil Rights and Murder in the Jazz Age      **Black Lives Matter and the Image of God** Josiah U. Young III, 2023-02-15 In *Black Lives Matter and The Image of God* A Theo Anthropological Study the author argues that God mirrors humankind rather than the other way around God for him is made in the image of man Humankind is not created by God What one means by God is thus subjective and informed by one's context Consequently Black lives matter to God only if they matter to the theologian The depth of the matter depends on his or her experience Hence this book is memoiristic in discussing systematic loci like God humankind Christ and the Trinity The author concludes that God's future is inseparable from humane values that eschew white supremacy and other modes of self deification in favor of ethics that cultivate life for all human beings      Nonviolent Resistance as a Philosophy of Life Ramin Jahanbegloo, 2021-01-14 What do we mean by nonviolence What can nonviolence achieve Are there limits to nonviolence and if so what are they These are the questions the Iranian political philosopher and activist Ramin Jahanbegloo tackles in his journey through the major political advocates of nonviolence during the 20th century While nonviolent resistance has accompanied human culture from its earliest beginnings and representations of nonviolence in Eastern religions like Jainism Buddhism and Hinduism are ubiquitous it is only in 20th century that it emerged as a major preoccupation of figures such as Gandhi Martin Luther King Jr Nelson Mandela Mother Teresa and Václav Havel Focusing on examples of their way of thinking in different cultural geographic and political contexts from the Indian Independence Movement and US Civil rights and Anti Apartheid movement to the Velvet Revolution in Czechoslovakia and nonviolent protests in Tunisia Iran Serbia and Hong Kong Jahanbegloo explores why nonviolence remains relevant as a form of resistance against injustice and oppression around the world With balanced readings of central players and events this comparative study of a pivotal form of resistance written by accomplished scholar of Gandhi presents convincing reasons to commit to nonviolence reminding us why it matters to the development of contemporary political thought      *A More Perfect Union* Linda Sargent Wood, 2012-09-01 In 1962 when the Cold War threatened to ignite in the Cuban Missile Crisis when more nuclear test bombs were detonated than in any other year in history Rachel Carson released her own bombshell *Silent Spring* to challenge society's use of pesticides To counter the use of chemicals and bombs the naturalist articulated a holistic vision She wrote about a web of life that connected humans to the world around them and argued that actions taken in one place had consequences elsewhere Thousands accepted her message joined environmental groups flocked to Earth Day celebrations and lobbied for legislative regulation Carson was not the only intellectual to offer holistic answers to society's problems This book uncovers a sensibility in post World War II American culture that both tested the logic of the Cold War and fed some of the twentieth century's most powerful social movements from civil rights to environmentalism to the counterculture The study examines important leaders and institutions that embraced and put into practice a holistic vision for a peaceful healthful and just world nature writer Rachel Carson structural engineer R Buckminster Fuller civil rights leader Martin Luther King Jr Jesuit priest and

paleontologist Pierre Teilhard de Chardin humanistic psychologist Abraham Maslow and the Esalen Institute and its founders Michael Murphy and Dick Price Each looked to whole systems instead of parts and focused on connections interdependencies and integration to create a better world Though the 60s dreams of creating a more perfect world were tempered by economic inequalities political corruption and deep social divisions this holistic sensibility continues to influence American culture today

**Augustine and Frontiers of Pluralism** Boleslaw Z. Kabala, Thomas P. Harmon, Ashleen

Menchaca-Bagnulo, 2025-05-14 This book focuses on St Augustine as a worthwhile resource for thinking through the challenges and prospects of pluralism The contributors speak to several dimensions of this organizing concept understanding of which is advanced by engagement with Augustine The volume brings together scholars from different disciplines faith traditions and political commitments all of whom have deemed it worthwhile to return to Augustine to learn about a signature theme of common life in the twenty first century The chapters address a variety of topics including civic engagement feminism Black religious thought domination liberalism and time In an age of pluralism the hope is to access the insights of the thinker who struggled with a plurality of desires motivations and political theological imaginations and to benefit from his thoughts The book will be of particular interest to scholars of theology philosophy and political science

Agitations Kevin R. Anderson, 2010-04-01 Though the activities of the National Association for the Advancement of Colored People NAACP the Southern Christian Leadership Conference SCLC and the Student Nonviolent Coordinating Committee SNCC were unified in their common idea of resistance to oppression these groups fought their battles on multiple fronts The NAACP filed lawsuits and aggressively lobbied Congress and state legislatures while Martin Luther King Jr and SCLC challenged the racial status quo through nonviolent mass action and the SNCC focused on community empowerment activities In Agitations Kevin Anderson studies these various activities in order to trace the ideological foundations of these groups and to understand how diversity among African Americans created multiple political strategies Agitations goes beyond the traditionally acknowledged divide between integrationist and accommodationist wings of African American politics to explore the diverse fundamental ideologies and strategic outcomes among African American activists that still define influence and complicate political life today

**African American Religious Thought** Cornel West, Eddie S. Glaude, 2003-01-01 Believing that African American religious studies has reached a crossroads Cornel West and Eddie Glaude seek in this landmark anthology to steer the discipline into the future Arguing that the complexity of beliefs choices and actions of African Americans need not be reduced to expressions of black religion West and Glaude call for more careful reflection on the complex relationships of African American religious studies to conceptions of class gender sexual orientation race empire and other values that continue to challenge our democratic ideals
