I love school  
It is so cool  
I like to rhyme  
Any time.

-----

My dog is snoring very loud.  
She's running in her sleep.  
She must be in a dream,  
Where she is chasing sheep.

-----

Yesterday I had a fall  
I hurt my little knee  
I couldn't walk or even crawl.  
I sat down by a tree

S. Goh,2017-10-12 Almost 75 percent of the Old Testament is made up of poetic passages yet for many readers lay Christians even seminary students and pastors biblical poetic passages remain the greatest challenge Being unfamiliar with poetry in general and biblical poetry in particular their reading and preaching are limited to selected poetic passages This in turn limits their understanding of God s word To help readers overcome these problems the first four chapters of this book aim to get them familiarized with the literary techniques of biblical poets To demonstrate how the techniques work to bring across the biblical theological message the last three chapters offer poetic analyses of three passages of different kinds In the process we hope to draw attention to the beauty of the Hebrew poetic art and to the creative skill of biblical poets versification The ultimate aim however is to help readers discover the rich message of the Bible

Voices and Echoes explore the changing landscape of their spiritual lives Experienced writers such as Lorna Crozier Di Brandt and Ann Copeland as well as strong new voices appear to speak to each other as they draw from a wealth of personal resources to find a way to face life's questions and discover meaning in their lives There is something familiar about these stories and poems they echo those we've heard before and those we've half forgotten Whether they search for a voice in a world where men monopolize or journey into painful memories to free the self from the past they do not despair they do not end Individual entries become the whole story an unending story of rebirth and reaffirmation The book begins with an illuminating foreword that introduces readers to the cultural and philosophical background of many of the stories and concludes with the reflections of scholars writers and artists that are intended to provoke further discussion

**Poetry in the Hebrew Bible** David Orton, 2022-04-11 An appreciation of the form and artistry of texts is essential to the understanding of their content and nowhere is this more evident than in the case of biblical poetry But poetic form is also worthy of appreciation in its own right and as the studies in this collection show Hebrew poetry can be seen as a monument to the literary artistic achievement of the ancients Great strides have been made in the investigation of the form and structure of the biblical texts and no new study of the Hebrew Bible can afford to ignore the fruitful work that has been done in this field This useful collection presents in a handy format an ample harvest of research by many of the world's leading Hebrew Bible scholars who have published their work in the pages of *Vetus Testamentum* in recent decades It provides a fascinating reflection of the continuing new discoveries of the richness of the biblical text which informs the lively present day study of the Hebrew Bible as world literature
