Searching For God:

Searching for God Basil Hume, Basil Hume Osb, 2021-08-02 Looking for God with a monastic master in contemplative prayer *Searching for a God to Love* Chris Blake, 1999 Control issues Unloving judgmental people Boredom It had little to do with God but it all got mixed up together You have questions You have doubts You've been hurt You ache for something more than rhetoric preaching and simplistic reasoning Great You qualify to take the journey this book defines Searching for a God to Love will surprise you It isn't what you expect But maybe that's what God is all about Book jacket **Seeking God** Trevor Hudson, 2022-09-20 Jesus promised Seek and you will find Do you long for a transforming encounter with the living God Jesus assures us that those willing to become seekers will find what their hearts most deeply desire Profoundly influenced by his long friendship with Dallas Willard and his experience guiding people through the Spiritual Exercises of St Ignatius for the last thirty years Trevor Hudson offers you a practical tool kit for your seeking journey Designed to help you move beyond insight to encounter the living God in your life each chapter invites you to experience the crucified and risen Christ Together with a free video series based on the book and a study guide by Dr Gary Moon Seeking God makes an ideal study for individuals and groups longing to discover what following Jesus may look like in our broken and suffering world as well as for individual reading *Crying out to God* Davashi M. Shabazz, 2016-04-21 The purpose of this book is for each of us to experience God's love and God's unfiltered passion for us and that we learn God on a personal and intimate level That we become proactive in seeking God and as a friend once said Pursue the God that pursued you My prayer is that as you read this book the words will spark a deep desire within your heart mind and soul to learn the truth about God A desire to learn the truth about God His love for you His will His purpose for your life and so much more I heard a minister say Each generation has to find their own truth about God Therefore it is my continuous desire that we find our own personal truth in God and allow that truth to be our compass This book is a tool for you to use daily Read it meditate on the word write down your revelations because the real awakening is revealed once you go beyond the words on the following pages dig deeper into the word of God and spend time in prayer As you dig I promise that you will see truths never seen before and you will experience a revelatory flow from heaven that is just for you Seek God Pursue God Experience God as you actively learn about His goodness mercy and love **Seeking God** Peter Jeffery, 1980 *Seeking God's Face* Notto R. Thelle, 2008 Is it possible to find God beyond the distorted images and empty words Can we even speak about God at all The author claims that it is more important than ever to look for a truer image of God A person who seeks God's face will be compelled at the same time to seek his or her own face Conversely those seeking to find themselves are often compelled to search for God The book describes faith as a spacious landscape in which one can breathe freely and engages the rich imagery of the Bible to help the individual breathe freely and find orientation without feeling imprisoned This openness and freedom are to be found in the Gospel itself says the author They were lived by the Master himself who portrayed the face of God by meeting human beings
