Searching The Shadows:

Lightning Bug Light Show Poppy Green, 2024-06-25 Sophie Mouse helps a self conscious firefly discover the beauty of his bright glow just in time for him to perform with his Lightning Bug troupe *Poems For My Boy*. Robin Hussey, 2012-03-21 This is a collection of the poems I have written since my only Son Leon died aged 20 *Understanding Colum McCann* John Cusatis, 2012-08-24 The first critical approach to the literary career of the 2009 National Book Award winner Understanding Colum McCann chronicles the Irish born writer s journey to literary celebrity from his days as a teenage sportswriter for the Irish Press in the 1970s through the publication of his award winning first story Tresses in 1990 to his winning the 2009 National Book Award in fiction for the international bestseller Let the Great World Spin In this first critical study of McCann s body of work John Cusatis provides an introduction to McCann s life and career an overview of his major themes style and influences and close readings of his two short story collections and five novels Cusatis traces McCann s redefinition of the Irish novel exploring the author s propensity for transcending aesthetic cultural ethnic geographical and social boundaries in his ascent from the status of Irish novelist to international novelist In the process this study illuminates the various incarnations of McCann s perennial subject exile both geographical and emotional Cusatis also delineates how the influences of McCann s Irish upbringing penchant for international travel and exhaustive and eclectic reading of literature manifest themselves in his fiction Close attention is given to McCann s stylistic trademarks such as his poetic voice use of Christian symbolism Irish and classical mythology intertextuality multiple viewpoints nonlinear plot structure and the merger of what McCann deems factual truth and textual truth Understanding Colum McCann makes use of the existing body of published interviews profiles and critical articles as well as a decade of correspondence between Cusatis and McCann With international interest in McCann on the rise this first full length study of his career to date serves as an ideal point of entrance for students scholars and serious readers and offers the biographical and critical foundation necessary for a deeper understanding of McCann s fiction **Deeper Into the Void** Mitchell Duncan, 2011-11-16 With billions invested in the successful industrialization and militarization of Mars Badlands Defense Group has sent the first scientific team to the newly constructed glass dome at the base of Olympus Mons Months of favorable progress reports have been transmitted back yet all goes quiet on the 178th day of the 11th Martian year A single cryptic message is the only clue to their mysterious disappearance Years later the second team arrives on schedule to find everything is in its place and in good working order When they find no sign of the first team they are prompted to delve into the past They soon come to realize that no precaution can be taken against that which remains unknown and unseen When the line that separates reason from madness is blurred they will each have to find their own way to reconcile with the past and plan for the future Echoes of dreams and past horrors emerge on the surface of their reality and mingle with present fears They will be forced to venture ever deeper into the void if they wish to avoid the same fate as the first team In The Shadow Of God's Love Leelia Carolyn

Cornell,2018-03-16 Do you hunger to have a deep personal relationship with God Do you long to know more of His character Do you need to find more of His peace love and mercy Do you want more strength to face the challenges and trials of life and emerge victorious God is so awesome it is impossible to confine Him to mere words No two people relate the same way to God and God is fresh in His dealings with each individual Yet His character is constant and eternal the same yesterday today and forever We glean foremost from His Word but also by the insights of others inspired by the Holy Spirit to discover His Workings in the lives of mankind These can be beams of light on our own pathway through life The first part of this book attempts to capture a fragment of Who God is in poetry and verse The second part is stories from the life of the author and her ancestors which proclaim God in every day living God is to be in every part and aspect of life and this book relates stories of life s joys sorrows heartrending trials triumphs and special times with God as well as the mundane and the funny happenings of living There are also poems of God s hand in nature outside the author s backdoor To proclaim God you must also live God This book presents not only His Word but also how His Word can be applied to real life situations and God s faithfulness throughout generations The Shadow Teller's Plays Bill Reed,2017-12-13 In a volume containing 14 original plays including three shadow play adaptations of Gogol Morton and Runyon classics the author resurrects a sadly neglected theatre genre the shadow play combining traditional shadow techniques with normal acting to create full bodied mainstream plays These plays do not use shadow puppetry type techniques that need people contorting themselves however wonderfully to form shapes but rather normal acting prowess together and usual props of mainstream theatre with the new back lighting technologies The result is plays which are realistic and yet overlain with the imaginative fantasies that figure theatre can bring in a fallow area lying between mime and conventional stage plays a rediscovered form of a modern staging that crosses between live and shadow effect whether in workshopping for all ages and group size or for professional productions Shadow plays comprise the theatre landscape for live actors re skilled to jump from behind the screen one dimensional acting to front of the screen three dimensional acting at any moment of the play They allow a new and exciting way of presenting the combination of the real and the surreal in ways that offer broadened audience and student experiences under the master of storytelling of a shadow teller together with the master of pacing of a mobile light spotter **In Search of the Unknown** Robert William Chambers,1904 The Search for the Grail Julia Bachope Goddard,1873 *Search* ,1987 **Search for**

Winter Sunbeams Cox,1870 **Landscape Perspectives** Marc Antrop,Veerle Van Eetvelde,2017-12-19 Climb a mountain and experience the landscape Try to grasp its holistic nature Do not climb alone but with others and share your experience Be sure the ways of seeing the landscape will be very different We experience the landscape with all senses as a complex dynamic and hierarchically structured whole The landscape is tangible out there and simultaneously a mental reality Several perspectives are obvious because of language culture and background Many disciplines developed to study the landscape focussing on specific interest groups and applications Gradually the holistic way of seeing became lost This book explores the

different perspectives on the landscape in relation to its holistic nature We start from its multiple linguistic meanings and a comprehensive overview of the development of landscape research from its geographical origins to the wide variety of today's specialised disciplines and interest groups Understanding the different perspectives on the landscapes and bringing them together is essential in transdisciplinary approaches where the landscape is the integrating concept
