Searching For God Seek And You Shall Find:

Searching for God Amos Martinez, 2000-09 Author Bio He is married and has a son and a daughter He is a veteran who served in Korea He is a graduate from the University of Colorado In his walk with Jesus he has taught Sunday School led a prayer group served as Treasurer of a church He was baptized more than 30 years ago Book Description Have you ever had a conversation about God and other things and said I ought to write a book about that Well I did In fact this book covers several conversations You might say I know all about that Are you curious about what others say about what you believe If so read on This book may cover many of the subjects you discussed Hopefully some new thoughts are brought out After reading this book you may say I could have done that The fact is that you may have done a better job But you didn't write a book Hopefully you will enjoy reading about the many things you would have written about searching for God The people in the conversations were not satisfied with what they had and were reaching for something Hopefully the information I gave helped satisfy that hunger and will help you with your witnessing *And so It Is* Sheri A. Sutton, 2013-02-25 Where is God in today's world No matter where you are in your faith or your life *And So It Is* gives you an opportunity to develop and strengthen your relationship with God through the relevance of Scripture as it applies to everyday experiences The daily devotionals presented inside capture in a few words a topic for reflection and meditation that allows you the opportunity to discover God within your own life circumstances You will be taken through the Bible from Genesis to Revelation as each day highlights a verse for contemplation Through the words of Sheri Sutton you will see that God exists in all things God is always faithful God's love is forever Since God is found in the ordinary as well as the extraordinary *And So It Is* can help you find God's presence in the everyday activities of your life Conversationally as if over a cup of morning coffee Sheri Sutton reminds readers of the nearness of God helping to open minds and hearts to His powerful loving presence in our day to day lives Marjorie Hodgson Parker author of *Shaken to the Core* and *Finding God's Strength* **Conflict En Route to Destiny** Michael L. Jones, L. Jones Sr. Michael L. Jones Sr., 2010-06 As stated in the author's previous book *The Making of a Man My Cross to Bear* the author believes that you should take the time to read and study the contents in *Conflict En Route to Destiny* Have you ever thought of life as never quite being what it should be the author has discovered that in life the things that we have experienced can either make or break us The important thing is what you do with the hand that you are dealt in life The most important lesson for us is to trust in God and not get so wrapped up in what someone has or hasn't done for you even if they were your parents It's the author's hope that upon reading this book that victory will be found in our Lord and Savior Jesus Christ Just remember what the author said in his first book *The Making of a Man My Cross to Bear* if there is no cross then there will be no crown By trusting in God we will be able to rise from the ashes as we are rising from the ruins Matthew Henry's Commentary on the Whole Bible 6 Volumes Unabridged Matthew Henry, 2020-10-06 This work by one of the great commentators of the past is required reading for every student of the Bible

This book covers the entire Bible and includes all six volumes of Matthew Henry's work and is unabridged [The New Sermons of Dwight Lyman Moody](#) Dwight Lyman Moody, 1880

From Phenomenology to Existentialism Dov Schwartz, 2012-12-03 Rabbi Joseph B Soloveitchik's philosophy plays a significant role in twentieth century Jewish thought. This book focuses on the first and the second stages of Soloveitchik's philosophy 1945-1965 through a systematic and detailed discussion of some of his essays including *From There You Shall Seek* and *The Lonely Man of Faith*. Schwartz analyzes these essays according to this thesis: in the mid 40s Soloveitchik used the phenomenology of religion to express his views; while in the 50s he added the existential theory.

Pray and Watch the Impossible Happen Josian Frampton, 2014-01-15 This journey on prayer is meant to expose the supernatural capabilities of God. It unleashes insight into the unlimited power of God when we pray. Found within its pages is empowerment to defeat intimidation caused by uncertainties and impossibilities. This book will encourage unwavering faith capable of bringing phenomenal results through prayers. *Pray and Watch the Impossible Happen* drives belief and compels one to fall on their knees. Its exploration of prayer is unique in that it provides a fascinating spiritual depth on the subject. It is empowering, inspirational, and convicting. This book is certain to change the way you pray and reach God. This book identifies prayer as the key component to spiritual maturity. When consciously exercised, prayer yields answers in the face of child-like faith. Consequently, it is one's belief which makes the difference in the responses received from God. There are many people who believe in God but they do not believe what God says. The book encourages people to believe in the realness of God. His capability to answer every prayer and meet every need is based on the promise of His word. During Christ's ministry on earth, he always asked people about their belief when he was about to heal or perform a miracle. After each healing, he'd also remind them that it was their faith that made them well.

Author Bio: Josian Frampton is a graduate from Andrews University Theological Seminary. She is a licensed minister, public speaker, and currently serves as an evangelist.

The Harder You Prey, I Pray! Joseph Harris, 2013-08-06 Many people experience a relationship with God during family crisis, conflict, war, famine, natural disasters, and a host of other times. But God desires that we seek him not just during times of need but at any time in our lives. His arms are always open to catch us and hold us as his personal children, and one way to communicate is through prayer. In *The Harder You Prey, I Pray*, author Joseph Harris offers a collection of prayers designed for all Christians—from military members to citizens to people in nations throughout the world to those who desire to have a closer relationship with Jesus Christ. The prayers focus on an array of topics including depression, angels, anger, courage, baptism, the power of confession, and more. Harris shows that prayer changes things in our lives. Through prayer, everyone who calls on the name of Jesus Christ can receive healing and comfort by his tender love, grace, and mercy. The daily prayers offered in *The Harder You Prey, I Pray* will help you in your walks with God. Your life will be more productive than ever before. Your ears shall hear God, and he shall hear you.
