Searching For Justice An Autobiography:

In Search of Justice, 2024-12-09 **The Search for Justice** Peter Charles, 2019-03-28 The civil rights era was a time of pervasive change in American political and social life Among the decisive forces driving change were lawyers who wielded the power of law to resolve competing concepts of order and equality and in the end to hold out the promise of a new and better nation The Search for Justice is a look the role of the lawyers throughout the period focusing on one of the central issues of the time school segregation The most notable participants to address this issue were the public interest lawyers of the NAACP s Legal Defense Fund whose counselors brought lawsuits and carried out appeals in state and federal courts over the course of twenty years But also playing a part in the story were members of the bar who defended Jim Crow laws explicitly or implicitly and in some cases also served in state or federal government lawyers who sat on state and federal benches and heard civil rights cases and finally law professors who analyzed the reasoning of the courts in classrooms and public forums removed from the fray With rich copiously researched detail Hoffer takes readers through the interactions of these groups setting their activities not only in the context of the civil rights movement but also of their full political and legal legacies including the growth of corporate private legal practice after World War II and the expansion of the role of law professors in public discourse particularly with the New Deal Seeing the civil rights era through the lens of law enables us to understand for the first time the many ways in which lawyers affected the course and outcome of the movement

Searching for Justice Fred Kaufman, 2009-09-30 Born into a middle class Jewish family in 1920s Vienna Fred Kaufman escaped to England on the eve of the Second World War In 1940 he was interned as an enemy alien and sent to Canada Released in 1942 Kaufman stayed in Canada where he went on to university and law school in Montreal In 1960 he secured the release of young Pierre Elliott Trudeau from prison and in 1973 Trudeau returned the favour by personally informing Kaufman of his appointment to the Quebec Court of Appeal where he served for eighteen years Since his retirement in 1991 Kaufman has led numerous commissions and inquiries most notably the investigation into the wrongful conviction of Guy Paul Morin and the two year reassessment of the Steven Truscott case Kaufman s ability to place his life story in the context of broader historical trends the persecution of Jews in the 1940s French English tensions in the 1960s and 70s Quebec and the social underpinnings of some of the most famous cases in Canadian legal history is a welcome change from all about me tone that characterizes many memoirs This is a great story told by a great story teller Quill Quire starred review In his absorbing and stirring memoir Kaufman vividly and with much humour and self effacement describes his climb from a scorned enemy alien to his perch today as one of the country s most admired jurists Canadian Historical Review **In Search of Justice in Thailand's Deep South** Soraya Jamjuree, 2022-09-20 Since 2004 the violent conflict between Thai Buddhists and Malay Muslims has caused more than 7 500 deaths and 13 000 injuries in the southern border provinces of Thailand This will be the first collection published in English to give voice to those who have rebounded from these profound

personal tragedies to demand justice and peace The ethnic and religious separatist insurgency in the southern provinces of Thailand is complex Ninety to ninety five percent of Thai citizens are Buddhists In the southernmost provinces however Muslims are in the majority yet they are governed by the Buddhist Thai capital in the north In 2006 and 2014 the Thai government went through separate coups resulting in differing policies to address this problem in the south including a National Culture Act to promote Thai ness throughout the country In the south this has resulted in a repressive and corrupt police force and military raids on Muslim villages provoking the burning of schools and other symbols of Thai government bombings and even the killing of teachers and monks The narratives collected here primarily from women testify that although the violence has been generated from both sides of the Buddhist Muslim divide the actions undertaken by armed forces of the Thai Buddhist state including repressive violence and torture have served as a catalyst for increased Muslim insurgency These contributions reveal the fundamental problem of how a minority people can fully belong within a state that has insisted on religious cultural and linguistic homogenization
