Roberson, 1980 To Make a Poem Alberta Turner, 1992-04 A poem comes from the same human need as a prayer a curse a lullaby and a keen How can emotion use language to satisfy its most urgent need and how can it share and prolong that satisfaction by putting it into poems that will satisfy the same need in others The answer can be learned and the skill taught Unlike many other textbooks this one has no teaching manual and Alberta Turner does not expect those who use it to agree with her interpretations Each principle is illustrated with detailed analysis of several poems but it is up to the teachers and students to decide whether it has succeeded or failed Poetic tastes can't be legislated they have to creep by underground runners Although a poem never illustrates only one poetic principle at
