Season of Doubt Jon Cleary, 1970 **Total Surrender** Tebogo Maimane, 2012-09-11 Total Surrender is aimed first at motivating people to be authentic in their relationship with God and second to cheer them up so that they don't allow circumstances to dissuade them from this relationship At the end of reading this book the reader will be empowered to grow spiritually challenged on matters of spirituality committed not to give up on their God ordained purpose due to external pressure encouraged not to compromise on their faith enthusiastic about putting God as a priority **Silence and Other Surprising Invitations of Advent** Enuma Okoro, 2012-09-01 Usually when we think of the Advent story Mary Joseph and the angel Gabriel come to mind Okoro approaches Advent a little differently inviting us to sit for a while with Zechariah and Elizabeth and the story of how they came to bear their only son John The Advent story we so often associate with the joy of Christmas actually begins with deep sorrow and longing But thankfully in the kingdom of God there is always more to the story than meets the eye Enuma Okoro writes Zechariah and Elizabeth were good people They had maintained faith and hope in God for many years despite Elizabeth s inability to conceive a condition considered shameful in their time So they were quite familiar with the universal human experiences of longing and waiting Even though this couple s story takes up only one chapter in Luke s Gospel it contains enough lessons about faith and life to last for weeks In her beautifully written imaginative meditations for each day of Advent Okoro looks closely at the doubts and longings of Zechariah and Elizabeth As you explore their story Okoro guides you to reflect on your own experiences of waiting and longing of grief and the need for community and of hungering for God These poetic and poignant meditations will linger with you long after Christmas Reflection questions and a prayer challenge accompany each week s meditations A perfect book for individual or group study

Walking with a Limp Ezra Byer, 2020-12-20 I ve always loved the book of Genesis where faith in the eternal unchanging God of Abraham proves paradoxically to be more human than heroic This is surely why I appreciate Ezra Byer s exploration of the life of Jacob whose story provides a window for examining his own seasons of doubt and depression Mercifully Ezra strips us of the illusion that faith will always be the swift steady sure climb He reminds that we might cling to God and still feel his absence This is a book for the trenches a book for building gritty honest ultimately resilient faith Jen Pollock Michel

Author of Surprised by Paradox and Keeping Place Walking with a Limp will point you to the sure sources of hope for the hopeless The God of all hope and His word of hope In it you ll find practical help and encouragement to stay the course You like Jacob can be a prince with God an overcomer whose limp testifies to tenacious clinging to God Dr Philip Brown Author of A Reader s Hebrew Bible In recent years believers in Christ have become more transparent about the struggles we face with depression and mental illness In this timely book Ezra Byer contributes to this encouraging trend by inviting readers to re read the ancient narrative of the Patriarch Jacob and encounter anew the God who heals and also sets apart his people for worship and service Dr Edward Smither Author of Mission in the Early Church and Christian Martyrdom When we suffer we don t need glib answers or easy truths We need to hear from someone who knows what it s like can remind us of biblical truth and point us to hope That s why I m grateful that Ezra has written this honest profound and encouraging book I can t wait to read it again and to share it with others Darryl Dash Author of How to Grow Does Christianity Still Make Sense? Bobby Conway,2024 A chronic doubter responds to 20 of the most difficult questions about Christianity From the Foreword by J Warner Wallace A book written by a man who has genuinely struggled with the questions wrestled with doubts and emerged faithful on the other side He understands you Does Christianity still make sense Years after Bobby Conway became a Christian this question haunted him Even though by then he was the pastor of a thriving church it seemed as if his entire belief structure was being dismantled Had he been duped Perhaps you can relate to how Bobby felt Maybe you find yourself questioning in the same way In this book Bobby describes his own long journey through chronic doubt to a settled and confident trust In this book he responds to the twenty toughest challenges to the Christian faith including these difficult questions Why are there so many scandals in the Church Aren t Christians just a bunch of hypocrites Why do Christians use God s name to oppress others Why are so many Christians racists Why does God allow evil in the world Is there reliable evidence for God s existence Join Bobby in this book as he explores these questions and many more while describing how he was hammered with doubts for years **The Canner** ,1929 A History of the Mishnaic Law of Purities, Part 21 Jacob Neusner,2007-04-01 The history of Jews from the period of the Second Temple to the rise of Islam From A History of the Mishnaic Law of Appointed Times Part 1 This volume introduces the sources of Judaism in late antiquity to scholars in adjacent fields such as the study of the Old and New Testaments Ancient History the ancient Near East and the history of religion In two volumes leading American Israeli and European specialists in the history literature theology and archaeology of Judaism offer factual answers to the two questions that the study of any religion in ancient times must raise The first is what are the sources written and in material culture that inform us about that religion The second is how have we to understand those sources in reconstructing the history of various Judaic systems in antiquity The chapters set forth in simple statements intelligible to non specialists the facts which the sources provide Because of the nature of the subject and acute interest in it the specialists also raise some questions particular to the study of Judaism dealing with its historical relationship
