Seasons of the Feminine Divine Mary Kathleen Speegle Schmitt, 1995-09 Volume 1 in a trilogy of beautiful feminist prayers for all Christians *Seasons of the Feminine Divine: Cycle C* Mary Kathleen Speegle Schmitt, 1994 **God Beyond Gender** Gail Ramshaw, 1995 The debate about God language has two opposing extremes One side maintains that biblical language and masculine pronouns must be retained The other argues that female imagery for God is preferable Now Gail Ramshaw presents a third position urging the inclusion of many images for God the correction of others and the total avoidance of any pronouns **New Feminist Christianity** Mary E. Hunt, Diann L. Neu, 2012-01-01 Powerful insights from ministers theologians activists leaders artists and liturgists who are shaping the future Christianity has been a source of the oppression of women as well as a resource for unleashing women's full humanity Feminist analysis and practice have recognized this Feminist Christianity is reshaping religious institutions and religious life in more holistic inclusive and justice focused ways from the Introduction Feminism has brought many changes to Christian religious practice From inclusive language and imagery about the Divine to an increase in the number of women ministers Christian worship will never be the same Yet even now there is a lack of substantive structural change in many churches and complacency within denominations The contributors to this book are the thought leaders who are shaping and being shaped by the emerging directions of feminist Christianity They speak from across the denominational spectrum and from the many diverse groups that make up the Christian community as it finds its place in a religiously pluralistic world Taken together their voices offer a starting point for building new models of religious life and worship Topics covered include feminist Theological Visions Scriptural Insights Ethical Agendas Liturgical and Artistic Frontiers Ministerial Challenges Seasons of the Feminine Divine Mary Kathleen Speegle Schmitt, 1993 The purpose of this collection of prayers is to provide an opportunity for people to engage in prayer that values women's life experience in the context of the Judeo Christian tradition **Changing Church** Jann Aldredge-Clanton, 2011-11-01 Through the fascinating stories of pioneering ministers this book reveals a unique picture of progressive changes occurring in the Christian tradition Meeting challenges and overcoming obstacles these twelve diverse ministers are changing the church as they take prophetic stands on gender race interfaith cooperation ecology sexual orientation economic opportunity and other social justice issues Believing in the power of sacred symbolism to shape social reality and to provide a foundation for justice and freedom for all people these ministers lead worship with inclusive language and imagery for humanity and divinity They include multicultural female and male images of the Divine Their stories affirm the connection between this expansive theology and an ethic of justice and equality in human relationships In working from within to change the church these ministers have risked censure by denominational authorities loss of opportunities for promotion to larger congregations or to prestigious denominational positions and even loss of their jobs They have found creative ways to balance advocating for change and working to support the church using their positions as ordained clergy to

bring liberating change to the church and the wider culture *Spirituality in Season* Ross Thompson, 2008-12-04 We are used to making Lent a special time for renewal but much less has been written on the other seasons of the year This resource explores the traditions that have shaped each season the lectionary readings and the liturgies observed across the ecumenical spectrum *Quest for the Living God* Elizabeth A. Johnson, 2011-07-21 Since the middle of the twentieth century writes Elizabeth Johnson there has been a renaissance of new insights into God in the Christian tradition On different continents under pressure from historical events and social conditions people of faith have glimpsed the living God in fresh ways It is not that a wholly different God is discovered from the One believed in by previous generations Christian faith does not believe in a new God but finding itself in new situations seeks the presence of God there Aspects long forgotten are brought into new relationships with current events and the depths of divine compassion are appreciated in ways not previously imagined This book sets out the fruit of these discoveries The first chapter describes Johnson's point of departure and the rules of engagement with each succeeding chapter distilling a discrete idea of God Featured are transcendental political liberation feminist black Hispanic interreligious and ecological theologies ending with the particular Christian idea of the one God as Trinity *She Lives!* Rev. Jann Aldredge-Clanton, PhD, 2014-09-29 Meet the ministers and laypeople driving foundational Christian theological change and restoring awareness of the sacred value of women and girls The Bible teaches that we are made in the image and likeness of God therefore I must believe that there is a male and female expression of God Claim your divinity and walk in it every day because you are fearfully and wonderfully made Rev Dr Susan Newman *Claiming Our Divinity* In a world filled with injustice and violence we long for a new sacred symbolism to inspire transformation Our yearning includes a widespread hunger for visions of the Female Divine in church life and worship to restore gender balance and finally achieve just equal and inclusive faith communities This collection of engrossing narratives of women and men trying to change the institutional church and society illuminates how reclaiming multicultural female images of God extends beyond the sanctuary and into the community Whether you're searching for your own place in the church or you want to explore this growing movement these fascinating pioneers invite you to join the adventure of creating rituals that include Her affirming the sacred value of all people and all creation *The Feminine: The Complete Series* Nikki Crescent, Sid's mother just dragged him across the country to a tiny town in the middle of nowhere called Bear Lake It's possibly the most boring place on the planet until it's suddenly anything but boring A failed suicide attempt has left Randy in the hospital having strange vivid hallucinations of some divine female character The being starts to feed him information which he feels compelled to turn into a book a bible which he calls *The Divine Feminine* Eric has been keeping a secret from everyone in town particularly from his father But one day he's caught dressed as a girl deep in the wood by the class weirdo Randy He thinks his life is over but Randy is strangely supportive more than supportive downright encouraging because according to Randy Eric possesses the divine Eric thinks Randy has lost his marbles until he starts to experience

supernatural occurrences that can only be explained by the cryptic verses in Randy's Divine Feminine bible This book contains feminization sissification mtf m2f transformation transgender trans girly boy effeminate genderswap gender swap sissy sissies t girl transition steamy erotica crossdressing crossdresser transsexual emasculation **Women's Ways of Worship** Teresa Berger, 1999 The richness of recent research on women's worship gives witness to the scholarly interest in its contemporary practice reflection and construction On the other hand feminist scholarship has had little impact on liturgical historiography In *Women's Ways of Worship* Teresa Berger reconstructs liturgical history from the perspectives of women She shows that the invisibility of women in the traditional liturgical narrative draws into question the credibility of that narrative especially at a time when research into women's history has unearthed much material relevant to women's liturgical lives Berger focuses on thirteen key interpretative principles that guide the reconstruction of women at worship from a re configuration of the canon of sources and a re Visioning of liturgical periodization to re interpretation of anthropological basics and of liturgical texts On the basis of these principles she analyzes liturgical dynamics in two time periods crucial to the history of women at worship the early centuries of the Christian Church and the twentieth century liturgical renewal Within the twentieth century liturgical renewal Berger focuses on two specific foci of renewal the classical liturgical movement of the first half of the century and as a case of history in the making the women's liturgical movement of the present day *Women's Ways of Worship* narrates both past and present liturgical developments from the perspectives of women's lives heeding such dynamics as the genderization of liturgical space women specific liturgical taboos gender specific devotional practices and the emergence of feminist liturgies An epilogue confronts the question of a future liturgy beyond gender Convinced that reconstructing the history of women at worship will offer a new Vision of the place of the women's liturgical movement within liturgical history as a whole Berger puts this movement on a continuum of women at worship which is a continuum of struggle against the historic marginalization of women in most liturgical contexts As this struggle has come to the forefront today *Women's Ways of Worship* provides a context for change with women themselves being agents of both the questioning and the transformation Chapters are Reconstructing Women's Ways of Worship In Search of Methodological Principles Liturgical History Re Constructed I Early Christian Women at Worship Liturgical History Re Constructed II Women in the Twentieth Century Liturgical Movement and Liturgical History in the Making The Women's Liturgical Movement Teresa Berger is associate professor of Ecumenical Theology at the Divinity School of Duke University Durham North Carolina She is the author of numerous books and contributor to a variety of journals including *Worship* published by The Liturgical Press [Mystery Manifest](#) Gail Ramshaw, 2025 Ramshaw mines treasures of the Bible patristic sermons theological treatises mystical reveries liturgical texts hymns and poetry to craft a richly textured collection and framework for thinking about language used to describe the triune God Liturgists ministers and theologians will find it an invaluable source of wisdom and inspiration [The Esoteric Dream Book](#) Dayna Winters, Patricia Gardner, Angela

[Century of Religious Change \(1892-1992\)](#) Hugo F. Hinfelaar,2025-02-10 Bemba Speaking Women of Zambia traces the often painful religious changes that have occurred among the Bemba speaking women of Zambia since the last decade of the 19th century It argues that the religious tenets of the traditional domestic cult had already been undermined by the centralising tendencies of the merchant princes before the arrival of the missionaries who based their church structures on the concept of the Bemba hierarchy The body of the book describes with great authority the creative redress of the women as channelled through independent Christian movements and through the mission churches themselves These chapters are especially important as it is shown in the last part of the book that these genuine reactions of the women could well offer material for genuine inculturation [Feminist Theologies](#) Kerrie Handasyde,Katharine Massam, Stephen Burns,2024-09-30 Feminist Theologies A Companion explores the contemporary contours of the field With contributors from a diverse range of settings
