Possessing Your Inheritance Chuck D. Pierce, Rebecca Wagner Sytsema, 2011-08-29 Inheritance means taking hold of the portion God has planned for you Jesus said I have come that they may have life and that they may have it more abundantly John 10:10 demonstrating God's longing for His people to prosper to accomplish all He has planned for them He wants to take them from a place of judgment desolation and fruitlessness to a place of restoration hope and abundant life In this revised and updated edition of Possessing Your Inheritance prophetic intercessor Chuck Pierce with coauthor Rebecca Wagner Sytsema shows readers how to embrace what God has destined for them for their children and their children's children

Seasons of Grief and Grace Susan Ford Wiltshire, 1994-10 Susan Ford Wiltshire and John Ford grew up in the Texas Panhandle taking the long view of things where there was lots to think about because there was nothing to see except the horizon twenty five miles away The four Ford children were taught the value of learning and hard work by their father a cowboy with a serious love of poetry and their mother a Texas woman whose rural roots did not prevent her from mastering Latin or reading all of Shakespeare Susan became a noted classics scholar while John's work in Republican politics led to his appointment as Deputy Assistant Secretary of Agriculture in the Reagan Administration from which he resigned in frustration to become active in the American Farm Movement Just two weeks before his death he was given the Heroes of American Agriculture Award When disaster struck and John was diagnosed with AIDS Susan began writing a work reminiscent of May Sarton's journals Madeleine L. Engle's Two Part Invention and Jessamyn West's The Woman Said Yes Drawing on the force of family bonds and her humanistic training in classical studies for comfort and guidance she shows us two siblings sharing an agonizing but special journey finding opportunities rather than resignation commitment rather than withdrawal and strength instead of defeat This is in short a good and inspiring story one that will help point the way for the millions of others those who are HIV positive as well as their friends and families who bear the emotional wounds this disease is inflicting on ever increasing numbers of us

Miller, 2024 Grieving the loss of a loved one is an experience with many seasons and stages. Winter Grief, Summer Grace helps readers navigate the phases of emotion through the four seasons of the year: winter, spring, summer, and fall. With quotes, poetry, and suggestions, author James E. Miller provides gentle guidance and comfort for those who mourn. *The Journal of Intergroup Relations*, 1994 *The Richest Season* Maryann McFadden, 2008-06-10 Sometimes you have to leave your life to find yourself again. After more than a dozen moves in twenty-five years of marriage, Joanna Harrison is lonely and tired of being a corporate wife. Her children are grown and gone; her husband is more married to his job than to her, and now they're about to pack up once more. Panicked at the thought of having to start all over again, Joanna commits the first irresponsible act of her life. She runs away to Pawleys Island, South Carolina, a place she's been to just once. She finds a job as a live-in companion to Grace Finelli, a widow who has come to the island to fulfill a girlhood dream. Together, the two women embark on the most difficult journey of their lives: Joanna struggling for independence, roots, and a future of her own as her family tugs at her from afar, and Grace choosing to live the remainder of her life for herself alone, knowing she may never see her children again. Entwined is Paul Harrison's story as he loses his wife, his job, and everything that defines him as a man. He takes off on his own journey out west, searching for the answers to all that has gone wrong in his life. One thing remains constant: He wants his wife back. Joanna, however, is moving farther away from her old life as she joins a group dedicated to rescuing endangered loggerhead turtles, led by a charismatic fisherman unlike anyone she's ever met. *The Richest Season* is a stunning debut about three very different people, each changing their lives when such transformations are usually long over. It will resonate with any woman who's ever fantasized about leaving home to find herself. **A Season of Secrets** Kate Lord Brown, 2015-10-22 The perfect read for a cosy winter's evening beside a crackling log fire. Sussex Life: Diamonds are forever. And hold a thousand secrets. When Grace Manners moves to a little cottage on the Wittering Manor estate, she hopes it will be the perfect new beginning after her life was torn apart seven months ago. Ever since her husband disappeared along with most of their money, Grace has struggled to make ends meet, but now working for the eccentric Fraser Stratton, she has her own space to make her delicate jewellery once again. Yet as Grace begins to uncover the story behind a beautiful diamond,

brooch she becomes drawn into a mysterious family secret that threatens to destroy what little she has left Praise for Kate Lord Brown Absolutely exquisite Marian Keyes A wonderful escapist nostalgic read RED Sweeingly romantic Katherine Webb Captivating YOU A story of love and adventure of loss and pain and heroism DAILY MAIL Previously published as The Christmas We Met **Journal of Intergroup Relations** ,1993 December Grace Darlene R. Gildersleeve,2024-11-15 For nearly four decades Darlene Gildersleeve lived with a wound few could understand When her sister went missing in the 1980s Darlene s family prayed for answers clinging to hope in the fraught years afterwards As that hope was slowly shattered the shock and sorrow echoed through every aspect of their lives challenging their faith and trust in a God who felt impossibly far away Now after all these years a private investigator has reopened the case and a new reason to hope emerged from the darkness of uncertainty As Darlene struggles to find her footing through the new revelations that follow she reopens her heart to share her journey of loss love and the grace that carried her through Through Darlene s story readers will be inspired to hold onto faith when answers feel out of reach to forgive when bitterness seems easier and to find peace on the journey toward healing December Grace is more than a story of one woman s quest for justice it is a raw heartfelt account of faith in the face of devastating pain the power of forgiveness and the courage to confront unimaginable grief It is a testament to God s presence in life s darkest valleys and a reminder that even in the shadows we are never alone
