SEASONS OF THE NAVAJO

"Today I will live well," he says the Navajo pray to the dawn, and it captures the spirit of a remarkable people. In "Seasons Of The Navajo," we meet a family which celebrates this simple truth each day, living a life far removed from 20th century stress.

This sensitive portrait of a traditional Navajo family reveals a world where "living well" means harmony with the earth and increasing hard work. As the seasons unfold, we travel with the family from the high ground of Defiance Plateau to the hot green canyon floor where their corn grows along the creekbed. Attuned to what the land will yield at different times of the year, the Navajo move their livestock with the seasons, to find the best places for grazing. Despite preservation of the Southwest and a beauty that is breathtaking.

Watching them guide their sheep down sheer rock cliffs, we see a people with quiet patience and a reaching love for animals. Their gentle, humane philosophy offers a lesson in cooperation, for while their animals are treated individually, they are cared for in common.

"Seasons Of The Navajo" carries us through a year in the life of a family, showing how nothing is wasted. How the wool from their beautiful, long-haired sheep is spun into thread, dyed with the colors of flowers and leaves, and hand woven into the lovely rugs for which the Navajo are famous.

Strong ties to family and tradition bring a sense of great heart to "Seasons Of The Navajo." In our watch grandparents teach children, and impart the ancient "strings of kindness," we see how these people are preserving a unique culture. Told in the family's own words, "Seasons Of The Navajo" offers one insight on a life unclouded by the modern world, a glimpse through a window in time.
