Silken Thread Stories And Sketches:

The Silken Thread Cora Sandel, 1987 Silk Threads Brigid Soraghan, 2024-03-28 Stop for a moment and think of the word freedom Do you feel free Are there restrictions in your life denying you this right In our fast moving modern society the concept of freedom can often elude us We accept unconditionally the path our life has taken without questioning or altering our journey By actively participating in seeking a true understanding of freedom we can face our fears start a fresh chapter strip back the layers and take a stand One short life is all we have it s your life and you can make or break the rules Freedom is a right but not a given if we hide in the shadows and simply accept our fate We don t search for it it finds us in friendship with like minded souls immersion in the beauty of nature You are transformed and re capture your free spirit once more
