Longman Twentieth Century History Series Global War:

Global War Josh Broome, 1989 Outlines the main events of World War II *Modern World Revision* Philip Stanton, 2000 Intended as a resource providing coverage of the Modern World GCSE History syllabus for AQA NEB students this fourth pack concerns the USA 1919 1941 It comprises units of work overviews key issues analysis key issues question and answer model answers and an answer constructor *Forthcoming Books* Rose Army, 2003 **Handbook for History Teachers** W. Burston ed, Cyril Green, E Nicholas, A Dickinson, D Thompson, 2021-12-24 First published in 1972 Handbook for History Teachers is intended to be a general and comprehensive work of reference for teachers of history in primary and secondary schools of all kinds The book covers all aspects of teaching history among them are the use of sources world history art and history principles of constructing a syllabus and the psychological aspects of history teaching The bibliographical sections are arranged on three parts school textbooks a section on audio visual aids and finally books for the teacher and possibly for the sixth form It thoroughly investigates and critiques the various methods employed in teaching history within classrooms and suggests alternatives wherever applicable Diligently curated by the Standing Sub Committee in History University of London Institute of Education the book still holds immense value in the understanding of pedagogy **A History of the World from the 20th to the 21st Century** John Ashley Soames Grenville, 2005 Provides a comprehensive survey of the key events and personalities of this period **France, Britain and the United States in the Twentieth Century 1900 - 1940** A. Williams, 2014-07-15 Why is France so often relegated to the background in studies of international relations This book seeks to redress this balance exploring the relationship between the United States United Kingdom and France and its wider impact on the theory and practice of international relations **A History of Textiles and Fashion in the Twentieth Century Yoruba World** Mutiat Titilope Oladejo, 2022-01-05 From the local to the global Yoruba people cherish textile consumption and fashion in everyday life Central to this is the role of Yoruba women in the making of a fashion culture As this book shows textile commodities are entangled in global economic histories yet the local consumption culture has created a fashion industry that portrays new ways of work and talent display beyond the twentieth century This text is useful for researchers who wish to gain deeper insights into a critical but often neglected aspect of being Yoruba **The Twentieth Century World** Fiona Reynoldson, 1995 Focusing on 20th century history this is one of a series which provides simplified versions of topics covered in the Heinemann History Study Units series The text written sources and questions have been reduced and simplified to meet the needs of less able pupils at Key Stage 3 but the material is pitched at a level of maturity designed to sustain pupils interest For each book in the series there is a corresponding teacher's resource pack *Gerald Howard-Smith and the 'Lost Generation' of Late Victorian and Edwardian England* John Benson, 2016-11-18 Gerald Howard Smith's life is intriguing both in its own right and as a vehicle for exploring the world in which he lived Tall boisterous and sometimes rather irascible he was one of the so called Lost Generation whose lives were cut short by the First World War

Brought up in London and educated at Eton and Cambridge he excelled both at cricket and athletics After qualifying as a solicitor he moved to Wolverhampton and threw himself into the local sporting scene making a considerable name for himself in the years before the First World War Volunteering for military service in 1914 he was decorated for bravery before being killed in action two years later Reporting his death the War History of the South Staffordshire Regiment claimed that In his men's eyes he lived as a loose limbed hero and in him they lost a very humorous and a very gallant gentleman As well as telling the fascinating story of Gerald Howard Smith for the first time this important new biography explores such complex and important issues as childhood and adolescence class relations sporting achievement manliness and masculinity metropolitan provincial relationships and forms of commemoration It will therefore be of interest to educationalists sports historians local and regional historians and those interested in class gender and civilian military relations indeed all those seeking to understand the economic social and cultural life of late nineteenth and early twentieth century Britain **The Routledge Companion to Fascism and the Far Right** Peter Davies, Derek Lynch, 2005-08-16 The Routledge Companion to Fascism and the Far Right is an engaging and accessible guide to the origins of fascism the main facets of the ideology and the reality of fascist government around the world In a clear and simple manner this book illustrates the main features of the subject using chronologies maps glossaries and biographies of key individuals As well as the key examples of Hitler's Germany and Mussolini's Italy this book also draws on extreme right wing movements in Latin America Eastern Europe and the Far East In a series of original essays the authors explain the complex topics including the roots of fascism fascist ideology fascism in government and opposition nation and race in fascism fascism and society fascism and economics fascism and diplomacy *The World in the Long Twentieth Century* Edward Ross Dickinson, 2018-01-12 What can be called the long twentieth century represents the most miraculous and creative era in human history It was also the most destructive Over the past 150 years modern societies across the globe have passed through an extraordinary and completely unprecedented transformation rooted in the technological developments of the nineteenth century The World in the Long Twentieth Century lays out a framework for understanding the fundamental factors that have shaped our world on a truly global scale analyzing the historical trends causes and consequences of the key forces at work Spanning the 1870s to the present this book explores the making of the modern world as a connected pattern of global developments Students will learn to think about the past two centuries as a process a series of political and economic upheavals technological advances and environmental transformations that have shaped the long twentieth century *Britain 1929-1998* Christopher Rowe, 2004 Heinemann Advanced History has quickly established itself as a major series for AS and A level students As well as word of mouth success it has been praised in journals such as the Times Educational Supplement and BBC History Magazine What makes Heinemann Advanced History so attractive to teachers and students It's cost effective Each book offers complete coverage of one AS A level topic so teachers and students buy the books that apply to their specific courses Thorough and up to date

exam practice includes sample questions advice on what makes a good answer and help for students on how to interpret the material as well as and plan essays The expert authors have teaching and examination experience giving teachers confidence in the series PLUS Profile raising campaign To include press advertising in New Perspective and Teaching History making sure teachers are aware of the full range of 30 titles and encouraging students to buy their own copies

Economic History of Warfare and State Formation Jari Eloranta, Eric Golson, Andrei Markevich, Nikolaus Wolf, 2016-09-19 This edited volume represents the latest research on intersections of war state formation and political economy i e how conflicts have affected short and long run development of economies and the formation or destruction of states and their political economies The contributors come from different fields of social and human sciences all featuring an interdisciplinary approach to the study of societal development The types of big issues analyzed in this volume include the formation of European and non European states in the early modern and modern period the emergence of various forms of states and eventually modern democracies with extensive welfare states the violent upheavals that influenced these processes the persistence of dictatorships and non democratic forms of government and the arrival of total war and its consequences especially in the context of twentieth century world wars One of the key themes is the dichotomy between democracies and dictatorships namely what were the origins of their emergence and evolution why did some revolutions succeed and other fail and why did democracies on the whole emerge victorious in the twentieth century age of total wars The contributions in this book are written with academic and non academic audiences in mind and both will find the broad themes discussed in this volume intuitive and useful
