director producer of his own Malpas Productions with Bird Mystic River and Letters from Iwo Jima demonstrating formidable directing credentials Aim for the Heart covers all Eastwood's movies of many genres in detail and Eastwood's story is illustrated with film stills glimpses behind the scenes and rare poster advertising material Aim for the Heart also includes the most comprehensive credits filmography has ever compiled on Eastwood's work as star and director The Films of Clint Eastwood Matt Wanat, Leonard Engel, 2018-05-15 The indefatigable Clint Eastwood the great old man of American film is still controversial after all these years Many of the critical essays in this collection focus on Eastwood's 2014 American Sniper a particularly controversial film and a devastating personal account of the horrors of war Additional essays within the collection address his films that deserve more recognition than they have received to date The chapters vary by topic and identify themes ranging from aging race and gender to uses of Western conventions and myth to the subtleties of quieter themes and stylistic choices in Eastwood's body of cinematic work As a collection these essays show that none of these themes account for Eastwood's entire vision which is multifaceted and often contradictory dramatizing complex issues in powerful character driven narratives *A Dictionary of Literary Pseudonyms in the English Language* T.J.
