Department of Bibliography,1978 Orlando in Love Matteo Maria Boiardo,2004 Like Ariosto s Orlando Furioso and Tasso s Jerusalem Delivered Boiardo s chivalric stories of lords and ladies first entertained the culturally innovative court of Ferrara in the Italian Renaissance Inventive humorous inexhaustible the story recounts Orlando s love stricken pursuit of the fairest of her Sex Angelica in Milton s terms through a fairyland that combines the military valors of Charlemagne s knights and their famous horses with the enchantments of King Arthur s court Today it seems more than ever appropriate to offer a new unabridged edition of Boiardo s Orlando Innamorato the first Renaissance epic about the common customs of and the conflicts between Christian Europe and Islam Having extensively revised his earlier translation for general readers Charles Ross has added headings and helpful summaries to Boiardo s cantos Tenses have been regularized and terms of gender and religion have been updated but not so much as to block the reader s encounter with how Boiardo once viewed the world Charles Stanley Ross has degrees from Harvard College and the University of Chicago and teaches English and comparative literature at Purdue University Neglect of Italian romances robs us of a whole species of pleasure and narrows our very conception of literature It is as if a man left out Homer or Elizabethan drama or the novel For like these the romantic epic of Italy is one of the great trophies of the European genius a genuine kind not to be replaced by any other and illustrated by an extremely copious and brilliant production It is one of the successes the undisputed achievements C S Lewis **American Book Publishing Record Cumulative, 1950-1977: Title index** R.R.
