**Lord Palmerston, 1784-1865** Michael Partridge, Karen E. Partridge, 1994-05-30 One of the great figures of 19th century Britain Lord Palmerston had an extensive career both as a domestic politician and as an international statesman This volume is the first comprehensive bibliography of his life both public and private It includes published and unpublished material by and about Palmerston from his own time to the present The book begins with a brief biographical sketch and chronology of Palmerston s life Over half of the work covers primary source materials and unpublished materials pertaining to Palmerston s career The following sections deal with his speeches and published writings general biography and the secondary literature on his early life and political career his years as foreign secretary home secretary and prime minister and his private life The work also includes sections on iconography death and funeral notices theses and dissertations and full indexes

Palmerston, 1784-1865 Philip Guedalla, 1927 Lord Palmerston was born 20 Oct 1784 He was a scholar and statesman serving as secretary at war for almost 20 years In 1830 he became secretary of state for foreign affairs In 1839 he married Emily Cowper sister to Lord Melbourne then Prime Minister to Queen Victoria and in 1855 himself became Prime Minister

**Reader's Guide to British History** David Loades, 2020-12-17 The Reader sGuide to British History is the essential source to secondary material on British history This resource contains over 1 000 A Z entries on the history of Britain from ancient and Roman Britain to the present day Each entry lists 6 12 of the best known books on the subject then discusses those works in an essay of 800 to 1 000 words prepared by an expert in the field The essays provide advice on the range and depth of coverage as well as the emphasis and point of view espoused in each publication

**Edmund Burke, 1729-1797** Leonard W. Cowie, 1994-04-30 Although he held only minor offices in Parliament politician and political writer Edmund Burke strongly affected contemporary opinion and his ideas had a profound impact on the future He supported the American colonists in their quarrel with Britain played a conspicuous part in the impeachment of Warren Hastings for alleged misgovernment in India and advocated religious toleration the abolition of the slave trade and other reforms A bibliography of his life and career the book includes a biographical essay and chronology and provides a complete list of Burke s writings as well as books and articles about him up to the present Important contemporary portraits and cartoons and comments of his contemporaries add to this volume The book s opening essay describes the life of Edmund Burke showing how his writings and actions related to the main issues of the time where the chronology lists events important to this situation Section one Manuscript and Archival Resources sites the location of relevant collections indicates those of greatest importance and lists both guides to collections and contemporary periodicals Bibliographies biographies and studies of Burke s political thought appear in the second section while the tertiary section covers Burke s own writings Contemporaries of Burke are covered in section four His political background is examined in the fifth section and the following chapters cover places associated with Burke his speeches contemporary portraits and caricatures periodicals and his life and career Author

artist and subject indexes conclude the work      **A Bibliography of History & Historical Biography. Being the Sections Relating to Those Subjects in The Best Books and The Reader's Guide** William Swan Stallybrass (formerly Sonnenschein.), William Swan Sonnenschein, 1897      **A Bibliography of the State of Maine from the Earliest Period to 1891** Joseph Williamson, 1896      **Greatest Emancipations** Jim Powell, 2008-06-24 The Astonishing Story of How Slavery Was Abolished in a Single Century Freeing Over Seven Million Slaves For millennia slavery went unchallenged in principle Then in a remarkable turn of events slavery was eradicated in the span of just one century Greatest Emancipations tells this incredible story focusing on the countries that accounted for the vast majority of slaves in the west Haiti the British Caribbean the United States Cuba and Brazil Author Jim Powell offers surprising insights into the process and tremendous influence that slavery's abolition had on individual societies He reveals that while the eradication of slavery was essential for any free society it wasn't the sole determining factor as some societies that abolished slavery later embraced dictatorships Discover the historical abolition movements and the evolution of democracy that led to the emancipation of over seven million slaves Greatest Emancipations is a compelling look at a pivotal moment in western history exploring the end of slavery and its impact on civil rights equal rights and capitalist developments      **Empire, Technology and Seapower** Howard J. Fuller, 2014-01-03 This book examines British naval diplomacy from the end of the Crimean War to the American Civil War showing how the mid Victorian Royal Navy suffered serious challenges during the period Many recent works have attempted to depict the mid Victorian Royal Navy as all powerful innovative and even self assured In contrast this work argues that it suffered serious challenges in the form of expanding imperial commitments national security concerns precarious diplomatic relations with European Powers and the United States and technological advancements associated with the armoured warship at the height of the so called Pax Britannica Utilising a wealth of international archival sources this volume explores the introduction of the monitor form of ironclad during the American Civil War which deliberately forfeited long range power projection for local coastal command of the sea It looks at the ways in which the Royal Navy responded to this new technology and uses a wealth of international primary and secondary sources to ascertain how decision making at Whitehall affected that at Westminster The result is a better balanced understanding of Palmerstonian diplomacy from the end of the Crimean War to the American Civil War the early evolution of the modern capital ship including the catastrophic loss of the experimental sail and turret ironclad H M S Captain naval power projection and the nature of empire technology and seapower This book will be of great interest to all students of the Royal Navy and of maritime and strategic studies in general      Palmerston and Liberalism, 1855-1865 E.
