Lest We Forget Otis Teague,2015-10-28 Purpose draws potential Potential brings to life destiny Understanding you have a purpose is the first brick on the road to destiny Otis Teague This book asked the question is the church the worlds only hope That with all the challenges and changes people are facing within todays society in the game called life when there is an ever increasing need for hope where is the church and has the church simply been sidelined with injuries One of the greater questions is have we lost sight of the things in this world that really matter Do people still matter or has that focus been lost behind all the distractions turmoil and mentalities of how much I can I gain in the here and now A book that speaks to your heart about how much you matter to God letting you know that God loves and that no matter what you have done or where you are in your life that you can make it If you would just get to know him trust that he is a keeper of his word and simply give him a chance to show you yourself The challenges we face are never more than we could handle though we never think about that while we are going through them But after you live through that significant life changing event you should realize and know that

Michael Moss,2002 **Pictures** Brad Young,2023-03-08 Children s books are almost always picture books When there is any uncertainty or confusion regarding the story line children can look at the pictures for clarification The pictures not only help to hold their interest but they can also simplify what might otherwise be a complex and complicated narrative God is continually engaged in the lifelong process of teaching His children Knowing how helpful and useful picture illustrations are in the learning process He has provided us with hundreds of them These pictures have been graciously provided not only to hold our interest as His Word is being taught but more importantly to also simplify what might otherwise be a complex and complicated passage of Scripture In the first section of the book we look at pictures developed by God from the material realm Many of the elements of creation were intended by God not only to make physical life possible and sustainable but also to speak to us about spiritual reality What is visible to us in the material realm explains the invisible We discover in this section how light darkness water thirst sowing reaping and fire are picture illustrations designed to help us know our creator and better understand His purpose for our lives In the second section of the book we look at various New Testament doctrines and then turn to the people and events of the Old Testament for picture illustrations that clarify the teaching It has been said that for every New Testament principle there is an Old Testament illustration We will see why this may very well be true In the third section of the book we look at what the New Testament teaches about the person of Jesus Christ and about God s plan of salvation for the world Each picture illustration taken from the people and events of the Old Testament is a priceless masterpiece **Spurgeon's Sermons Volume 13: 1867** Chales Haddon Spurgeon, Weapons of Our Warfare Greg Locke,2023 It s time to embrace the power of the divine arsenal and triumph in every aspect of your life After reading this book you will discover the secrets of activating the full power of the armor of God equipping yourself to
