**Everyone Must Eat** Mark L. Yackel-Juleen, 2021-12-07 Rural contexts are often overlooked treated as flyover land But because everyone must eat rural communities and their work in food production are important to the whole of society Mark Yackel Juleen spent many years in rural ministry and is the founder and executive director of Shalom Hill Farm He offers valuable insight on the present issues of food production and environmental sustainability and connects it in profound and practical ways to the biblical and theological tradition The result is a clear set of powerful and actionable tools to help rural leaders and ministers address issues of sustainability and land use in their ministry Everyone Must Eat masterfully shows how one can integrate the sociology of community the secular realities of economics and public policy and the powerful presence of God's word in order to practice faithful leadership
