Litka,2025-02-09 Are you weary of long dark and grim fantasy epics Tired of evil priests ruthless kings sinister queens knaves and scoundrels intricate palace intrigues and endless wars Are you jaded by blood soaked tomes of battle after battle death after death Need a break from accounts of disembowelment torture rape and murder In short are you looking for a different sort of fantasy Look no further Again Are you in the mood for a summer long holiday in the north woods Glencrow Summer is like its companion novel Chateau Clare a leisurely paced mundane slice of life fantasy novel set in a post magic Edwardian era world While this novel is set in the same world three years after Chateau Clare it can be read as a stand alone novel since it features new characters and a new setting Once again the stakes are low the company pleasant Ryeth Darth Ruen is a minor scion of one of the seven remaining Great Houses of Lorria and the personal secretary of his uncle Avlen Ruen He s asked by his concerned uncle to travel to Loc Lore Rey to help look after Avlen s mother the formidable Aunt Adora Ruen She intends to spend the summer in a remote lodge in the north woods accompanied her faithful maid writing her memoirs Rye agrees only to discover that Uncle Avlen has a second mission for him he s to prevent or at least delay the writing of said memoirs It seems that Aunt Adora had a rather scandalous youth one that Uncle Avlen would rather not want brought to light How Rye is to accomplish this is an unanswered question Glencrow Summer is his lighthearted account of a summer spent in Loc Lore Rey He meets new friends gets in a bit of fishing finds a hint of summer romance and slowly and quite unintentionally helps uncover one of the deepest secrets of the Age of Sorcery the true story of the legendary Star Chamber of the Court of Shalott C Litka spins tales of adventure mystery and travel set in richly imagined worlds In Glencrow Summer he has written a novel of a long summer holiday and its unexpected mysteries with his usual cast of colorful fully realized characters If you seek to escape your everyday life you ll find no better company nor more wonderful worlds to explore than in the stories of C Litka      Atlantic Reporter ,1912      **Information Systems** Marinos Themistocleous,Maria Papadaki,2022-02-15 This book constitutes selected papers from the 18th European Mediterranean and Middle Eastern Conference EMCIS 2021 which took place during December 8 9 2021 The conference was initially planned to take place in Dubai UAE but had to change to an online event due to the COVID 19 pandemic EMCIS covers technical organizational business and social issues in the application of information technology and is dedicated to the definition and establishment of Information Systems IS as a discipline of high impact for IS professionals and practitioners It focuses on approaches that facilitate the identification of innovative research of significant relevance to the IS discipline following sound research methodologies that lead to results of measurable impact The 54 full papers presented in this volume were carefully reviewed and selected from a total of 155 submissions They were organized in topical sections named Big Data and Analytics Blockchain Technology and Applications Cloud Computing Digital
