**The Enemy Within** Gilbert D. Chaitin, 2009 In *The Enemy Within* Gilbert D Chaitin deepens our understanding of the nature and sources of culture wars during the French Third Republic The psychological trauma caused by the Ferry educational reform laws of 1880 1882 which strove to create a new national identity based on secular morality rather than God given commandments pitted Catholics against proponents of lay education and gave rise to novels by Bourget Barr s A France and Zola By deploying Lacanian concepts to understand the erotics of politics revealed in these novels Chaitin examines the formation of national identity offering a new intellectual history of the period and shedding light on the intimate relations among literature education philosophy morality and political order The mechanisms described in *The Enemy Within* provide fresh insight into the affective structure of culture wars not only in the French Third Republic but elsewhere in the world today

**How the French Think** Sudhir Hazareesingh, 2015-09-22 An award winning historian presents an absorbing account of the French mind shedding light on France's famous tradition of intellectual life Why are the French such an exceptional nation Why do they think they are so exceptional The French take pride in the fact that their history and culture have decisively shaped the values and ideals of the modern world French ideas are no less distinct in their form while French thought is abstract stylish and often opaque it has always been bold and creative and driven by the relentless pursuit of innovation In *How the French Think* the internationally renowned historian Sudhir Hazareesingh tells the epic and tumultuous story of French intellectual thought from Descartes Rousseau and Auguste Comte to Sartre Claude L. Strauss and Derrida He shows how French thinking has shaped fundamental Western ideas about freedom rationality and justice and how the French mind set is intimately connected to their own way of life in particular to the French tendency towards individualism their passion for nature their celebration of their historical heritage and their fascination with death Hazareesingh explores the French veneration of dissent and skepticism from Voltaire to the Dreyfus Affair and beyond the obsession with the protection of French language and culture the rhetorical flair embodied by

the philosophes which today's intellectuals still try to recapture the astonishing influence of French postmodern thinkers including Foucault and Barthes on postwar American education and life and also the growing French anxiety about a globalized world order under American hegemony How the French Think sweeps aside generalizations and easy stereotypes to offer an incisive and revealing exploration of the French intellectual tradition Steeped in a colorful range of sources and written with warmth and humor this book will appeal to all lovers of France and of European culture

**Memoirs of a French Napoleonic Officer** Jean-Baptiste Barres, 2017-02-28 These lively memoirs date from the time of Barres' entry into the Chasseurs Velites skirmishers or light infantry of Napoleons Imperial Guard in 1804 Always modest in recounting his own exploits Barres was not only at the cannons mouth but also a participant at such spectacular events as the Coronation of the Emperor Napoleon in Paris and Rome the torch light procession on the eve of Austerlitz the meeting of the two Emperors at Tilsit and the magnificent military display in the Champ de Mars His duties involved mounting guard at Malmaison and the palace of Saint Cloud and also allowed him many fascinating glimpses of the Emperor at reviews presenting awards and receiving trophies This is a superb record of a serving soldier making light of danger sharing with the reader the fatigues and privations that attended so much campaigning in appalling weather and hostile country and rejoicing as much in the outcome of a successful foraging expedition as his promotions and appointment as Chevalier de la Legion d'honneur

*The Boulanger Affair Reconsidered* William D. Irvine, 1989 Recent scholarship on General Boulanger's bid for power in France's Third Republic has focused on the combination of socialism and national chauvinism in the movement supporting his campaign seeing in this alliance the left wing origins of 20th century fascism In this groundbreaking study based on archival materials only recently made available to scholars Irvine challenges that analysis arguing that royalist and conservative supporters provided the crucial financial and electoral backing to the Boulanger movement
