culture and gender and examine how identity is affirmed and challenged in the crime genre today They reveal a growing tendency towards hybridization and postmodern experimentation and increasing engagement with philosophical enquiry into the epistemological dimensions of investigation Throughout the notion of stable identities is subject to scrutiny While each essay in itself is a valuable addition to existing criticism on the genre all the chapters mutually inform and complement each other in fascinating and often unexpected ways This volume makes an important contribution to the growing field of crime fiction studies and to ongoing debates on questions of identity It will therefore be of special interest to students and scholars of the crime genre identity studies and comparative literature It will also appeal to all who enjoy reading contemporary crime fiction

Iberian Crime Fiction Nancy Vosburg, 2011-02-15 Iberian Crime Fiction is the first volume in English to provide an extensive overview of crime fiction in Spain and Portugal While the origins of peninsular crime fiction are traced in Nancy Vosburg's introductory chapter to the volume the essays focus on specific topics that provide readers with a sense of the development of the genre in the second half of the 20th century and current trends in the 21st century Patty Hart whose *The Spanish Sleuth* introduced English speaking readers to early crime fiction in Spain provides a summary account of the development of the crime novel from the 1950s through the 1980s highlighting the major authors and works that set the stage for the boom that followed the establishment of the *novela negra* tradition in the 1970s This tradition spearheaded by Manuel Vazquez Montalban is the subject of a separate essay by Maria Balibrea that analyzes the socio political conditions that gave rise to the *novela negra* Nancy Vosburg studies the emergence of a feminine feminist crime novel in the 1980s and 1990s and the subversion of masculine codes associated with crime fiction while Stewart King analyzes crime fiction from the Catalan Basque and Galician autonomous regions of Spain focusing on the political realities that resulted in a different use of the genre as a vehicle of regional nationalism David Knutson traces contemporary trends in Spanish crime fiction beginning in the 1990s and up to the present Paul Castro's essay documents the emergence of crime fiction in Portugal and the major works authors through to the present
