

Ramón Garriga

LOS VALIDOS de Franco

Los hombres que rodearon al dictador y que le permitieron gobernar España durante más de treinta años.

Prólogo de Juan Carlos Rodríguez Cordero

Los Validos De Franco

Ignacio Tébar Rubio-Manzanares

Los Validos De Franco:

Los validos de Franco Ramón Garriga, 1981 **Franco's Justice** Julius Ruiz, 2005-07-28 Madrid became one of the key symbols of Republican resistance to General Franco during the Spanish Civil War following the Nationalists failure to take the city in the winter of 1936. Yet despite the defiant cries of No pasarán they did eventually pass on 28 March 1939. This book examines the consequences in Madrid of Franco's unconditional victory in the Spanish Civil War. Using recently available archival material this study shows how the punishment of the vanquished was based on a cruel irony: Republicans, not the military rebels of July 1936, were held responsible for the fratricidal conflict. Military tribunals handed out sentences for the crime of military rebellion; mere passivity towards the Nationalists before 1939 was not only made a civil offence under the Law of Political Responsibilities but could cause dismissal from work and Freemasons and Communists specifically blamed for the Civil War were criminalized by decree in March 1940. However, contrary to much that has been written on the subject, the post-war Francoist repression was not exterminatory. Genocide did not take place in post-war Madrid. While a minimum of 3113 judicial executions took place between 1939 and 1944, death sentences were largely based on accusations of participation in blood crimes that occurred in Madrid in 1936. Moreover, and unlike most other accounts of the Francoist political violence, this book is concerned with the question of when and why mass repression came to an end. It shows that the sheer numbers of cases opened against Republican rebels and the use of complex pre-war bureaucratic procedures to process them produced a crisis that was only resolved by decisions taken by the Franco regime in 1940: 1) to abandon much of the repressive system. By 1944 mass repression had come to an end.

In the Shadow of the Holocaust and the Inquisition Raanan Rein, 2013-10-23 This is an analysis of the reasons for the failure of all efforts to establish diplomatic relations between Israel and Francoist Spain from the late 1940s to the mid 1970s. It uncovers the political discussions and the diplomatic moves of each country.

El enemigo judeo-masónico en la propaganda franquista Domínguez Arribas, Javier, 2009-04-24 Aunque en la España de los primeros años del franquismo apenas había judíos ni masones, la propaganda del régimen quiso presentarlos como dos fuerzas estrechamente ligadas que conspiraban sin descanso contra los intereses patrios. Cabe preguntarse por qué dos grupos tan minoritarios y tan diferentes fueron considerados conjuntamente por la propaganda oficial como el gran enemigo judeo-masónico a combatir. ¿Qué beneficio se obtenía? ¿Qué había tras esta suerte de rival imaginario? El presente libro estudia la propaganda antisemita y antimasónica de los inicios del franquismo (1936-1945). Se analizan los contenidos de periódicos, folletos y libros, pero también los de otros medios de propaganda menos estudiados: octavillas o carteles. Aquí se ofrece al lector una explicación del origen del mito judeo-masónico, una interpretación de sus funciones y una indagación sobre la postura de Franco y el papel que desempeña un aspecto poco conocido: ¿a quién estamos ante una historia a menudo sorprendente en la que se cruzan integristas, católicos, periodistas, masones arrepentidos, pretendientes al trono, oscuros escritores, falangistas más o menos fanáticos, espías y falsarios de condición diversa?

Mass Killings and

Violence in Spain, 1936-1952 Peter Anderson, Miguel Ángel del Arco Blanco, 2014-09-19 Historians have only recently established the scale of the violence carried out by the supporters of General Franco during and after the Spanish Civil War of 1936-1939. An estimated 88,000 unidentified victims of Francoist violence remain to be exhumed from mass graves and given a dignified burial, and for decades the history of these victims has also been buried. This volume brings together a range of Spanish and British specialists who offer an original and challenging overview of this violence. Contributors not only examine the mass killings and incarcerations but also carefully consider how the repression carried out in the government zone during the Civil War long misrepresented in Francoist accounts seeped into everyday life. A final section explores ways of facing Spain's recent violent past. *A People Betrayed: A History of Corruption, Political Incompetence and Social Division in Modern Spain* Paul Preston, 2020-06-16 Nowhere does the ceaseless struggle to maintain democracy in the face of political corruption come more alive than in Paul Preston's magisterial history of modern Spain. The culmination of a half-century of historical investigation, *A People Betrayed* is not only a definitive history of modern Spain but also a compelling narrative that becomes a lens for understanding the challenges that virtually all democracies have faced in the modern world. Whereas so many twentieth-century Spanish histories begin with Franco and the devastating Civil War, Paul Preston's magisterial work begins in the late nineteenth century with Spain's collapse as a global power, especially reflected in its humiliating defeat in 1898 at the hands of the United States and its loss of colonial territory. This loss hung over Spain in the early years of the twentieth century, its agrarian economic base standing in stark contrast to the emergence of England, Germany, and France as industrial powers. Looking back to the years prior to 1923, Preston demonstrates how electoral corruption infiltrated almost every sector of Spanish life, thus excluding the masses from organized politics and giving them a bitter choice between apathetic acceptance of a decrepit government or violent revolution. So ineffective was the Republic, which had been launched in 1873, that it paved the way for a military coup and dictatorship led by Miguel Primo de Rivera in 1923, exacerbating widespread profiteering and fraud. When Rivera was forced to resign in 1930, his fall brought forth a succession of feeble governments stoking rancorous tensions that culminated in the tragic Spanish Civil War. With astonishing detail, Preston describes the ravages that rent Spain in half between 1936 and 1939. Tracing the frightening rise of Francisco Franco, Preston recounts how Franco grew into Spain's most powerful military leader during the Civil War and how, after the war, he became a fascistic dictator who not only terrorized the Spanish population through systematic oppression and murder but also enriched corrupt officials who profited from severe economic plunder of Spain's working class. The dictatorship lasted through World War II, during which Spain sided with Mussolini and Hitler, and only ended decades later in 1975 when Franco's death was followed by a painful yet bloodless transition to republican democracy. Yet, as Preston reveals, corruption and political incompetence continued to have a corrosive effect on social cohesion into the twenty-first century, as economic crises, Catalan independence struggles, and financial scandals persist in dividing the country. Filled

with vivid portraits of politicians and army officers revolutionaries and reformers and written in the absorbing Economist style for which Preston is so revered *A People Betrayed* is the first historical work to examine the continuities of political unrest and national anxiety in Spain up until the present providing a chilling reminder of just how fragile democracy remains in the twenty first century

Fascism in Spain, 1923-1977 Stanley G. Payne, 2000-01-10 *Fascism in Spain 1923 1977* by celebrated historian Stanley G Payne is the most comprehensive history of Spanish fascism to appear in any language This authoritative study offers treatment of all the major doctrines personalities and defining features of the Spanish fascist movement from its beginnings until the death of General Francisco Franco in 1977 Payne describes and analyzes the development of the Falangist party both prior to and during the Spanish Civil War presenting a detailed analysis of its transformation into the state party of the Franco regime Falange Espa ola Tradicionalista as well as its ultimate conversion into the pseudofascist Movimiento Nacional Payne devotes particular attention to the crucial years 1939 1942 when the Falangists endeavored to expand their influence and convert the Franco regime into a fully Fascist system *Fascism in Spain* helps us to understand the personality of Franco the way in which he handled conflict within the regime and the reasons for the long survival of his rule Payne concludes with the first full inquiry into the process of defascistization which began with the fall of Mussolini in 1943 and extended through the Franco regime s later efforts to transform the party into a more viable political entity

El fin de las dictaduras ibéricas (1974-1978) Encarnación Lemus López, 2010 **Fascism** Michael S. Neiberg, 2017-11-30 This volume presents the best writings on the origins development success and failure of fascism outside Germany By treating the problem in a global context these essays together add tremendous complexity to our understanding of one of history s most destructive political movements The collection covers theories origins and definitions of fascism fascism in power fascism in opposition and fascism in a global and comparative setting

Spain's First Democracy Stanley G. Payne, 1993 Payne s study places Spain s Second Republic within the historical framework of Spanish liberalism and the rapid modernisation of inter war Europe He aims to present a consistent and detailed interpretation demonstrating striking parallels to the German Weimar Republic

Los Validos De Franco Introduction

In the digital age, access to information has become easier than ever before. The ability to download Los Validos De Franco has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Los Validos De Franco has opened up a world of possibilities. Downloading Los Validos De Franco provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Los Validos De Franco has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Los Validos De Franco. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Los Validos De Franco. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Los Validos De Franco, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit

vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Los Validos De Franco has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Los Validos De Franco Books

What is a Los Validos De Franco PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Los Validos De Franco PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Los Validos De Franco PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Los Validos De Franco PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Los Validos De Franco PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any

restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
