Forever Michael Hadfield,2012-04-12 If you'd like to know how to lose weight easily naturally and in a way that works with your body rather than against it then this is the book for you It's about a healthy way to lose weight that is so much simpler than all of those complicated charts and calculations that you have to do when you engage in dieting The author explores the ways in which diets not only make you fat but are also seriously bad for your health This book exposes the myths that the Diet Industry perpetuates in order to keep people hooked on dieting Simple solutions are offered so that attitudes towards food and eating can be easily changed The focus is on an easy step by step approach for which the author offers a simple 10 step action plan This leaves the reader in control of their eating and losing weight in a way that is sustainable without the need to ban any specific foods The author has over 14 years experience in helping people to lose weight **Food Allergy and Gluten-Free Weight Loss** Nicolette M. Dumke,2011 Food Allergy and Gluten Free Weight Loss gives definitive answers to the question Why is it so hard to lose weight It is because we have missed or ignored the most important pieces in the puzzle of how our bodies determine whether to store or burn fat Those puzzle pieces are hormones such as insulin cortisol leptin and others Individuals with food allergies or gluten intolerance face additional weight loss challenges such as inflammation due to allergies or a diet too high in rice This book explains how to put your body chemistry and hormones to

work for you rather than against you reduce inflammation which inhibits the action of your master weight control hormone leptin and flip your fat switch from store to burn It includes a flexible healthy eating plan that eliminates hunger promotes the burning of fat and reduces inflammation and tells how to customize the plan so it fits you your allergies or intolerances and your need for pleasure in what you eat Information about cooking for special diets 175 recipes a list of sources for special foods and extensive appendix and reference sections are also included **Lose Weight, Live Healthy** Joyce D. Nash,2011-04-01 Incorporating the latest mindfulness and acceptance based therapy approaches to weight management and health this guide helps readers tailor nutrition exercise stress management and emotion regulation to their own needs and lifestyle This is not a diet book or a step by step program but rather a guide that helps readers discover what works for them and to implement change strategies based on their own personal values and goals Backed by research and based on well established behavior change principles this book offers the latest information on increasing motivation overcoming binge eating utilizing social support meeting the challenges of changing and considering bariatric surgery Helpful tips for using smartphone technology and web based programs are featured throughout the book
