## **Losers Take All:**

Losers Take All David Klass, 2015-10-20 At a sports crazy NJ high school where all kids must play on a team a group of rebels start s a soccer team designed to undermine the jock culture of the school *No Ordinary Game* Kirk Westphal, 2015-06-01 A young boy nearly paralyzed in a car accident runs for the first time in his life during a baseball game A refugee family from despoiled East Africa plays soccer in my suburban backyard on Thanksgiving Day A group of college boys is challenged to a game of basketball against the women s varsity team in an empty gym then another on a tough inner city court I hit the first homerun of my life when I am thirty three years old These are Ordinary Games This is a book of pure inspiration Many of the sporting world s most profound achievements and displays of humanity are never recorded They happen on sandlots asphalt and backyards Stories of well known athletes and teams abound in popular literature what is missing is an exaltation of the moments that can happen to any of the rest of us and do Ordinary Games is the grandstand for everyday miracles This is an inspirational book that shows how any one of us can transcend possibility or lighten life s burdens simply by picking up a ball It is a collection of poignant memoirs of games played without grandstands Some of the stories relive everyday miracles while others find the souls of players ascending into the spirits of the games they play They tell of the glory despair and humanity that can be found any afternoon or evening at any playground gym or empty field The tone is frequently humorous but the tenor is deeply and genuinely human While the primary themes involve overcoming impossible odds secondary themes focus on overcoming common misperceptions Throughout the narrative these pieces explore racial and gender divides including a history of violent separatism with subtlety grace realization respect and the common language of competition The vantage point is wholly familiar yet new and fresh My voice is that of a mediocre athlete who can hold his own but to save his life cannot run fast and whose sensibilities ignite when the game is on This familiarity and intensity let readers watch and play at the same time and hardly notice the difference Something in each chapter has happened to them too and is worth remembering **Mystery Fanfare** Michael L. Cook, 1983 This work is a composite index of the complete runs of all mystery and detective fan magazines that have been published through 1981 Added to it are indexes of many magazines of related nature This includes magazines that are primarily oriented to boys book collecting the paperbacks and the pulp magazine hero characters since these all have a place in the mystery and detective genre *Energy Use in Bitcoin Mining* Benjamin A. Jones, Andrew L. Goodkind, Robert P. Berrens, 2025-04-15 This book provides a unique introduction to Bitcoin mining s energy use and environmental impacts Bitcoin the largest and most well known cryptocurrency has ignited the world of decentralized finance and digital currencies However Bitcoin has a major problem it uses massive amounts of energy to produce or mine the coins and this energy use has tremendous environmental consequences By recent estimates Bitcoin mining s global electricity use is larger than entire countries such as the Netherlands and Argentina In this book the authors explain the process by which Bitcoin is mined why it requires significant

energy and what we know about where that energy comes from It also explores the environmental impacts and associated monetary damages of this energy use Further the book presents the current state of scientific knowledge around these questions and provides original economic damage estimates from the authors and compares them to those of other goods and services The book discusses links between Bitcoin and climate change public health air pollution e waste water and land use It concludes by discussing alternative ways in which Bitcoin mining can be made green by using less energy as well as the policy and regulatory challenges that may hinder progress toward this goal Innovative and insightful this book will be of great interest to students scholars and industry professionals who are researching and working in the areas of cryptocurrencies economics business and finance engineering energy and environmental studies more broadly **Storm To**

**Script Swap** Gregory Ashe, They say the show must go on Thank goodness for intermission Dashiell Dawson Dane isn t thrilled that a new play at the community theater is based however loosely on his life But when Dash s friend Fox asks him to attend opening night things take a strange turn the actor playing Dash s role seems to have been given a different script Even stranger the new lines trigger a bizarre response from the rest of the cast and crew right before the lights go out and the box office is robbed At Fox s request Dash agrees to investigate but he s surprised to discover that everyone at the theater seems more preoccupied with

the altered and now missing script than with the robbery And when one of the actors is murdered in what appears to be a burglary gone wrong Dash is sure there s something much darker afoot But someone is determined to keep the truth from coming out and Dash will have to navigate aging starlets a disgruntled custodian and a reclusive stage manager among others to catch the killer before they can strike again

**D.C. Shootout on K Street** Evan Keliher,2012-06 D C Shootout On K Street is a political satire loaded with lots of sophisticated humor and even wit It s hoped that you ll be both entertained and informed at the same time Imagine that the gods were distracted one day and they accidentally made you the president of the United States You wake up in the Oval Office and people are amazed Everybody demands that you resign at once and let an experienced politician be president because you don t know how to run the country What would you do Could you stand up to the evil bastards and tell them to go to hell They d work overtime to get your ass out of the White House You d be called a racist an idiot a crook a sex fiend a liar They d slander your family try to impeach your ass swear you were born in Kenya hire assassins to shoot you enlist those Swift Boat assholes to lie about your military record claim your college transcripts were forged and kidnap your kid as hostages Or are there some laws you d like to see passed Maybe better Social Security benefits lower interest on student loans Medicare for all more taxes on the rich and fewer on the poor no more wars close tax loopholes rein in Wall Street free Jose Padilla raise duties on China restore our infrastructure open more factories etc If you like the nook please tell others maybe we can round up enough people for a minor rebellion and make some real changes that actually help average American s instead of the 1%ers

**Larry Brown** Jean W. Cash,2011-07-20 Winner of the 2011 Eudora Welty Prize Larry Brown 1951 2004 was unique among writers who started their careers in the late twentieth century Unlike most of them his friends Clyde Edgerton Jill McCorkle Rick Bass and Kaye Gibbons among others he was neither a product of a writing program nor did he teach at one In fact he did not even attend college His innate talent his immersion in the life of north Mississippi and his determination led him to national success Drawing on excerpts from numerous letters and material from interviews with family members and friends Larry Brown A Writer s Life is the first biography of a landmark southern writer Jean W Cash explores the cultural milieu of Oxford Mississippi and the writers who influenced Brown including William Faulkner Flannery O Connor Harry Crews and Cormac McCarthy She covers Brown s history in Mississippi the troubled family in which he grew up and his boyhood in Tula and Yocona Mississippi and in Memphis Tennessee She relates stories from Brown s time in the Marines his early married life which included sixteen years as an Oxford fireman and what he called his apprenticeship period the eight years during which he was teaching himself to write publishable fiction The book examines Brown s years as a writer the stories and novels he wrote his struggles to acclimate himself to the fame his writing brought him and his many trips outside Yocona where he spent the last thirty years of his life The book concludes with a discussion of his posthumous fame including the publication of A Miracle of Catfish the novel he had nearly completed just before his death Brown s cadre of fans will relish this comprehensive portrait of the man

**The De-Balling of America** Evan Keliher, 2006-05 The De Balling of America is a satirical look at the state of male ego in 21st century America Included is an overview of the history of de balling an analysis of the role women play in wielding the scissors and a series of ideas men under attack all of us may use to regain their lost manhood Emphasis is on humor satire in hopes that readers may be entertained as well as informed      **Real Choices/new Voices** Douglas J. Amy, 2002 There is a growing realization that many of the problems afflicting American elections can be traced to the electoral system itself in particular to our winner take all approach to electing officials Douglas Amy demonstrates that switching to proportional representation elections the voting system used in most other Western democracies by which officials are elected in large multimember districts according to the proportion of the vote won by their parties would enliven democratic political debate

increase voter choice and voter turnout ensure fair representation for third parties and minorities eliminate wasted votes and spoilers and ultimately produce policies that better reflect the public will Looking beyond new voting machines and other quick fixes for our electoral predicament this new edition of Real Choices New Voices offers a timely and imaginative way out of the frustrations of our current system of choosing leaders Libertarians, Socialists, and Other Third Parties ,2021-07-15 Since its inception the United States has been characterized by a two party political system It is in many ways indoctrinated in laws and customs but it does not prevent third parties from participating in the political process Although no third party candidate has ever won a presidential election these candidates have occasionally been elected to local and state positions Additionally with issues like environmentalism immigration and income inequality receiving more attention politicians from these parties have also gained greater recognition This volume examines the role of third parties in American politics and the extent to which they can exercise influence The Two-Party System in the United States Barbara Krasner,2018-12-15 To many bipartisanship is a fundamental aspect of American democracy it is designed to allow voters of differing political beliefs to find a political party that most closely conforms to their values However in a 2015 poll 43 percent of Americans identified with neither party preferring to be politically independent Is the two party system essential to American politics What part does it play in our electoral and political systems Growing concerns about political polarization and bipartisanship s role in it have also come to light This volume explores the various perspectives about the future of American democracy **State and Capitalist Development in India** Surinder Kumar,C S. Verma,Prashant K. Trivedi,2023-12-01 This book seeks to encourage dialectical methods through the interaction of economic political and social factors to approach social analysis It examines various emerging issues in society in the era of globalization The issues raised in the critique will benefit scholars in comprehending social reality with a new perspective and approach This book will help policymakers look at more realistic conclusions for policy making This title is co published with Aakar Books Print editions not for sale in South Asia India Sri Lanka Nepal Bangladesh Pakistan and Bhutan **King William's Tontine** Moshe A. Milevsky,2015-04-13 In a time before bonds treasury notes or central banks there were tontines These were schemes in which a group of investors lent money to a government corporation or king similar to a modern day loan syndicate But unlike conventional debt periodic interest payments were distributed only to survivors As tontine nominees died the income of survivors correspondingly increased Morbid perhaps but this was one of the earliest forms of longevity insurance in which the pool shared the risk Moshe A Milevsky tells the story of the first tontine issued by the English government in 1693 known as King William s tontine intended to finance the war against French King Louis XIV He explains how tontines work the financial and economic thinking behind them as well as why they fell into disrepute Milevsky concludes with a provocative argument that suitably modified tontines should be resurrected for twenty first century retirement income planning
