## **Losing Our Language How Multiculturalism Undermines Our Childrens Ability To Read Write And Reason:**

Losing Our Language Sandra Stotsky,2002 This book argues that it is the incorporation of a multicultural agenda into basal readers the primary tool for teaching reading in elementary schools that has stunted American children s ability to read The book shows how basal readers have been systematically dumbed down in an effort to raise minority students self esteem It contends that while elementary readers of the past featured excerpts from classic stories such as Arabian Nights and Robinson Crusoe with a complex vocabulary and sentence structure able to challenge the imagination and build reading skills today s basal readers present students with politically and ethnically correct stories whose language is virtually foreign and unable to engage students According to the book drawing words from Swahili Spanglish and other trendy dialects to teach students with a shrinking English vocabulary is a symptom of this intellectual and cultural disorder The book showcases interviews with teachers gives an in depth analysis of reading texts over the past 30 years and talks about how pressure groups have affected educational publishers It points out that literacy cultural and verbal gives all students but particularly those from poor or minority backgrounds personal independence and achievement and the ability to participate fully in civic life Each of the 11 chapters includes notes NKA

*Christianity's Dangerous Idea* Jonas E. Alexis,2010 Today many in Hollywood and the media have declared open warfare on the family education and Christianity in general Intellectuals have labeled religion particularly Christianity as mere wish fulfillment or a virus of the mind something to be eradicated at all costs In *Christianity's Dangerous Idea* Jonas Alexis picks up where he left off in his previous books and continues to examine the ideological fallacies that have been fabricated in order to attack Christianity and the people who promote those fallacies This latest book is a tour de force of rigorous logic and testable evidence for the Christian worldview from history science experience common sense and final destiny More importantly Alexis subjects the rivals of Christianity to the same rigorous testing *Christianity's Dangerous Idea* clearly demonstrates the destructive nature of popular atheistic and anti Christian philosophies spread throughout Western culture by such famous people as Friedrich Nietzsche Sigmund Freud Carl Jung David Cronenberg Steven Spielberg Alan Moore William S Burroughs Philip K Dick Bruce Lee Ayn Rand Bart D Ehrman Richard Dawkins and many more In a scholarly yet readable fashion Alexis shows that what the ancient Greeks often referred to as the cult of Dionysus has become mainstream in our modern age

Schmidt, Peter B. Mosenthal, 2001-07-01 This book offers a array of essays with challenging ideas and provoking new analyses of power asymmetries multiple epistemologies and vital concerns for the education of a different America the America of new immigrants people of color with other cultures languages and values The new American that many want to ignore and is becoming the only America This book also forces us to reflect on the educational challenges we must face especially in teacher education and the preparation of intellectual leaders None of the major agenda items associated with a new era of social justice can be either comprehended or accomplished without a profound understanding of multicultural literacy and of its relationship to ethnic racial cultural and linguistic diversity While in previous decades we used frequently a rhetoric of multiculturalism at a safe distance today we are living multiculturalism and practicing ethnic cultural and racial diversity in our daily lives as we seek a marriage partner a business associate a friend a church Most of all we must live multiculturalism as we go school and see children's faces There is no way to escape the reality of ethnic racial and linguistic diversity as it comes entangled with many other cultural and class differences between and within each group we encounter Suddenly an abrupt awakening for many mainstream educators what was peculiar of some areas in the Southwest has become common

scenario in most metropolis and large cities The present volume brings us face to face with issues and challenges we can no longer sweep under the rug This outstanding volume lays down a solid general conceptual foundation that permits us to link our theoretical past with the post modern era It also provides a clear context for the discussion of contrasting notions of monocultural literacy and the relationship of literacy and power The volume goes on to deal with the relationship of literacy and culture actually to specific cultures especially African American At this point the discourse turns to strategies for incorporating minority perspectives into the literacy curriculum and including the home cultures of disenfranchised peoples The last section of the book offers help on the practical issues of teacher education for student populations often ignored and linkages between schools and homes in order to empower the disenfranchised and isolated
