life once his mildly successful band falls apart and resorts to living in his friend's basement while working at a coffee shop Summer the literal personification of the sun orders the same thing every morning and manages to never wear the same sweater twice at least in front of Elliott After Summer mumbles her number from behind the lid of a coffee cup they spend their days wrapped in each other's arms and trying to combat self-doubt, an alcohol problem, and life itself **The Only Rule Is It Has to Work** Ben Lindbergh, Sam Miller, 2016-05-03 What would happen if two statistics-minded outsiders were allowed to run a professional baseball team It's the ultimate in fantasy baseball You get to pick the roster, set the lineup, and decide on strategies with real players in a real ballpark playing in real time That's what Ben Lindbergh and Sam Miller got to do when the Sonoma Stompers, an independent minor league team in California, offered them the chance to run the team's baseball operations according to the most advanced statistics Their story is unlike any other baseball tale you've ever read We tag along as Lindbergh and Miller apply their number-crunching insights to all aspects of assembling and running a team We meet colorful figures like general manager Theo "Fightmaster" and boundary breakers like the first openly gay player and the first Japanese manager in American professional baseball Even Jos Canseco makes a cameo appearance Will sabermetrics bring the Stompers a championship or will they fall on their face Will the team have a competitive advantage or is the old folk wisdom really true after all Will the players be able to maximize their talents and attract the attention of big league scouts or will this be a fast track to oblivion It's a wild ride as the authors' infectious enthusiasm and feel for the absurd make the Stompers story one that will speak to numbers geeks and traditionalists alike And it proves that you don't need a bat or a glove to make a genuine contribution to the game Sisterlocking Discoarse Valerie Lee, 2021-11-01 Finalist for the 2021 Foreword INDIES Book of the Year Award in the Education Category In *Sisterlocking Discoarse*, hair is a medium for reflecting on how academic leadership looks, performs, and changes when embodied by a Black woman In these ten essays Valerie Lee traverses disciplines and genres, weaving together memoir, literary analysis, legal cases, folklore, letters, travelogues, family photographs, and cartoons to share her story of navigating academia Lee's path is not singular or linear but rather communal and circular as she revisits her earliest years in her grandmother's home, advances through the professoriate and senior administration, and addresses her hopes and fears for her own children Drawing inspiration from the African American storytelling traditions she has spent decades studying and teaching, Lee approaches issues of race, gender, social justice, academic labor, and leadership with a voice that is clear, intimate, and humorous As she writes in the introduction, *Sisterlocking Discoarse* is about braiding and breathing and believing that a Black woman's journey through the academy is important Lee's journey will appeal to students, faculty, and administrators across fields and institutions who are committed to making higher education more inclusive while speaking to the experiences of professional women of color more broadly *The Playground Potting Shed* Dominic Murphy, 2012-06-05 Winner of Garden Media Guild Award for Young Gardener Initiative Recommended by BBC Radio 4's Gardeners Question Time In *The Playground Potting Shed*, Dominic

Murphy relates how he helped his local school establish a garden and grow a stunning array of flowers fruit and vegetables during term time Week by week he describes the small triumphs and inevitable setbacks he encountered while getting the gardening club off the ground and shares friendly advice on everything from environmentally friendly pest control to avoiding troublesome varieties of vegetables The result is a timely and inspiring guide that is guaranteed to get young people gardening
