Losing Everything Stories:

Losing Everything Bill O'Keefe, 1994 *Losing Everything* David Lozell Martin, 2008-12-30 In *Losing Everything* his first book of nonfiction acclaimed novelist David Lozell Martin tells his wildest most outlandish story yet his own One evening in the mountainous forest of his isolated West Virginia farmhouse Martin became disoriented when searching for a horse who had wandered off the property Wading through the dark and guiding his horse with a belt around its neck Martin felt as though every step was taking him deeper into the mountains Instead he unknowingly spent the night walking in a wide circle that brought him back to where he started This quickly became a metaphor for Martin s life The more lost I get the closer to home I come After growing up with a violent father who nearly killed Martin s clinically insane mother Martin pursued a writer s life with a vengeance becoming vulnerable to struggles with alcohol financial ruin and legal feuds Then after a betrayal by his soul mate Martin s sanity was in as much jeopardy as his mother s had ever been a state of mind that in his case led to gunfire divorce and at least one trip to the emergency room But *Losing Everything* is less about getting lost and more about finding your way home again In his pursuit of stability Martin uncovered lessons that might help others who have encountered loss take pleasure in something as small as an ampersand keep a list of people you know who have died meet your own death like a warrior and be glad you don t own a monkey Deeply personal yet surprisingly universal Martin s story is for anyone who has wandered astray If not a road map his journey is a guide providing hard earned wisdom to illuminate the path home *Losing Everything* S. P. Murray, 2017-12-12 *Losing Everything* A Family s Journey with Alzheimer s Disease is written about our long journey with Mom and her illness as well as how this disease has impacted our lives Alzheimer s is a thief that slowly robs families of loved ones long before their lives end This book is in memory of the mother we once knew and even though she is still alive she was stolen by this disease and is now forever lost to us Mom is sick and getting sicker each day Once Mom became ill I began keeping a journal with the idea that it might help Mom s memory Of course it did not Instead the journal is a series of anecdotes that touches on all the core emotions that we feel anger frustration laughter and most importantly love **Life Is About Losing Everything** Lynn Crosbie, 2012-05-05 From the author of the wildly controversial books *Liar* and *Paul s Case* comes one of the most anticipated and perhaps in some quarters feared books of the year This is author Lynn Crosbie at her most honest most cutting most hilarious and most heartbreaking The stories told here are at once a cache a repository of a seven year period in the author s life and too a gymnasium a place where she can flex her prodigious wit and her dazzling stash of literary tricks Deft with matters both low and highbrow here are stories about 80s big hair bands and the lasting theological value of the Rocky series here too are stories contemplating critical theory and fine art *Life Is About Losing Everything* speaks with manic yet grave authority about risking and losing everything and then sorting through the remains to discover what is beautiful what is trash and what ultimately belongs **A Lot of Life - Is Winning It All Worth Losing Everything?** Kyle Mathis, 2014-10-22 Caleb was an
