Peek, Pearl Gillman, 2009-05-30 A child is born in the West Indies She is sweet inquisitive bright sensitive and caring all qualities that she will maintain for many many years to come The sister islands of Trinidad and Tobago are among her earliest homes She lives and learns in the most beautiful and popular areas of all the Caribbean where rich legacies and history precede her Once ruled by both Spain and Britain today Trinidad and Tobago are governed by their own proud people whove kept the traditions and culture of their ancestors since long before the islands found independence in 1962 Located just off the coast of South America these small territories have developed an identity throughout the years that is completely their own Dr Eric Williams the legendary Caribbean scholar became the first prime minister of Trinidad and Tobago which is one of the most diversely populated ethnic regions in the world People of African Native West Indian Asian and European descent live love and mingle together on these lovely islands in the sunshine English is mainly spoken among residents but one will often hear traces of Creole African and other language dialects in the colorful words and

rhythmic accents of those who reside there And when it comes to rhythm its hard to mention the islands without mentioning the lively calypso sounds that have entertained countless music lovers throughout the western world Hearing them the child one day becomes a woman who is told she naturally walks to a calypso beat As far back as 1498 explorer Christopher Columbus named Trinidad in honor of the Holy Trinity and it remains a place where worshipers many of whom are Catholic give praise and thanks to the Creator With more than one million people on both islands the majority of inhabitants live in Trinidad while about four percent of the population calls Tobago home Trinidads major event is the Carnival a week long festival of live music costumes and parades through the street The event attracts people from throughout the world In fact both islands are visited by travelers from around the globe who enjoy pleasant weather beaches more beautiful than postcards tropical trees and delicious home grown fruits With generations of people tracing roots to the area Trinidad and Tobago have become not only a visitors destination but a cradle to which great scholars entertainers and athletes in America and elsewhere often return This cradle in the Caribbean has given birth to the Gittens family It has provided the earliest sights sounds and sensibilities that influenced that special little child born into the family a daughter who will become known Matej's Journey to America Donald F. Chmelka, 2002-11-19 Matej's Journey to America is a creative as Black Pearl nonfiction chronicle exploring the forces that drove our immigrant ancestors to new lands After Adam and Eve s eviction from Eden man slowly scattered with a great dispersion occurring about 2700 BC as the Lord confounded the tongues of presumptuous Babylonians building a tower to heaven Among the afflicted was an Aryan slave named Chmelka who was growing hops chmel in the new Slavic language to flavor beer for his Semitic masters As the Slavs fled northward toward unknown Czech lands other tribes migrated in all directions According to The Book of Mormon the righteous Jared took a Semitic clan from Babel across the mountains deserts and oceans to a New World later named America Another Semitic clan that passed through Babylon 850 years later included a young Abraham destined to be the patriarch of Judaism Christianity and Islam He introduced the concept of a single God revered by all his religious descendants but despite their many commonalties each of these three great religions seem convinced it has the only correct formula for salvation justifying incredible atrocities with God always on its side The descendants of the first Chmelka struggled as great civilizations developed and fell through the turmoil and bloodshed of the Dark Ages Marco Polo awakened Europe in the late 13th century to the riches of the Far East giving rise to explorers like Christopher Columbus who stumbled onto the North American Continent in 1492 The Protestant Reformation began to divide the Holy Roman Empire at the time adding to the bloodshed as Austria Prussia and France fought for domination in Europe Meanwhile Spain England and France were colonizing and competing for control in the New World that was becoming home to an increasing number of European emigrants looking for a better life The American Colonies fought for independence and then began to absorb all lands from the Atlantic to the Pacific Thomas Jefferson purchased the immense Louisiana Territory from Napoleon in 1803 after which mountain men

opened the West to homesteaders miners and ranchers My great great grandfather Matej was born as the Rocky Mountain fur trade boomed in 1825 and grew up on a 13 acre farm in Moravia where the Chmelkas had been serfs since Charlemagne was crowned the first Holy Roman Emperor a millennium earlier Matej became a Dragoon in the Austrian Imperial Army and helped put down a revolution in Prague in 1848 the year gold was discovered in California but war spread and life worsened for European peasants Gold homesteads and wild Texas longhorns free for the taking lured thousands of oppressed Europeans to America on steamships and railroads now making long distance travel feasible After Prussia defeated the Austrian Empire including Bohemia and Moravia and then France Matej s family escaped its misery and immigrated to Nebraska in 1871 They found a difficult life with grasshoppers drought hail and fires destroying crops spurring Matej s fourteen year old son to join a Texas cattle drive and then dodge Indians and gunfighters for fourteen years in the Wild West New technologies in farm equipment transportation and communications made America the envy of the world in 1902 when Matej died and was buried near the prairie church he helped build Matej s Journey to America honors him and his fellow immigrants ordinary men and women generally lost in history for the legacies and opportunities they gave us in our great land of freedom
