Lost Letters Of Pergamum

Bruce W. Longenecker

Lost Letters Of Pergamum:

The Lost Letters of Pergamum Bruce W. Longenecker, Ben Witherington (III), 2003 Fascinating novel of a Roman citizen's spiritual transformation gives a reliable glimpse into the world of the New Testament and the early church

The Lost Letters of Pergamum Bruce W. Longenecker, 2003 Introduces readers to the style of New Testament writings the social and political world of Jesus and his first followers and early Christian gatherings Using the literary technique of correspondence through ancient letters which comprise much of the New Testament Longenecker mixes fact and fiction to paint an interesting and informative picture of the New Testament world and early Christianity

The Lost Letters of Pergamum Bruce W. Longenecker, 2016-04-19 A Fascinating Glimpse into the World of the New Testament Transported two thousand years into the past readers are introduced to Antipas a Roman civic leader who has encountered the writings of the biblical author Luke Luke's history sparks Antipas's interest and they begin corresponding While the account is fictional the author is a highly respected New Testament scholar who weaves reliable historical information into a fascinating story offering a fresh engaging and creative way to learn about the New Testament world The first edition has been widely used in the classroom over 30 000 copies sold This updated edition now with improved readability and narrative flow will bring the social and political world of Jesus and his first followers to life for many more students of the Bible

Fakes, Forgeries, and Fictions Tony Burke, 2017-05-31 Fakes Forgeries and Fictions examines the possible motivations behind the production of apocryphal Christian texts Did the authors of Christian apocrypha intend to deceive others about the true origins of their writings Did they do so in a way that is distinctly different from New Testament scriptural writings What would phrases like intended to deceive or true origins even mean in various historical and cultural contexts The papers in this volume presented in September 2015 at York University in Toronto discuss texts from as early as second century papyrus fragments to modern apocrypha such as tales of Jesus in India in the nineteenth century Life of Saint Issa The highlights of the collection include a keynote address by Bart Ehrman Apocryphal Forgeries The Logic of Literary Deceit and a panel discussion on the Gospel of Jesus Wife reflecting on what reactions to this particular text primarily on biblioblogs can tell us about the creation transmission and reception of apocryphal Christian literature The eye opening papers presented at the panel caution and enlighten readers about the ethics of studying unprovenanced texts the challenges facing female scholars both in the academy and online and the shifting dynamics between online and traditional print scholarship

Romans Disarmed Sylvia C. Keesmaat, Brian J. Walsh, 2019-05-21 Globalization Homelessness Ecological and economic crisis Conflicts over sexuality Violence These crisis level issues may seem unique to our times but Paul's Letter to the Romans has something to say to all of them Following their successful Colossians Remixed Sylvia Keesmaat and Brian Walsh unpack the meaning of Romans for its original context and for today The authors demonstrate how Romans disarms the political economic and cultural power of the Roman Empire and how this ancient letter offers hope in today's crisis laden world Romans Disarmed

helps readers enter the world of ancient Rome and see how Paul's most radical letter transforms the lives of the marginalized then and now. Intentionally avoiding abstract debates about Paul's theology, Keesmaat and Walsh move back and forth between the present and the past as they explore themes of home, economic justice, creation care, the violence of the state, sexuality, and Indigenous reconciliation. They show how Romans engages with the lived reality of those who suffer from injustice both in the first century and in the midst of our own imperial realities.

Apostle of the Crucified Lord Gorman, Michael, 2017. THIS COMPREHENSIVE WIDELY USED TEXT by Michael Gorman presents a theologically focused, historically grounded interpretation of the apostle Paul and raises significant questions for engaging Paul today. After providing substantial background information on Paul's world, career, letters, gospel, spirituality, and theology, Gorman covers in full detail each of the thirteen Pauline epistles. Enhancing the text are questions for reflection and discussion at the end of each chapter, as well as numerous photos, maps, and tables throughout. The new introduction in this second edition helpfully situates the book within current approaches to Paul. Gorman also brings the conversation up to date with major recent developments in Pauline studies and devotes greater attention to themes of participation, transformation, resurrection, justice, and peace.

The Untold Story of the New Testament Church [Revised and Expanded] Frank Viola, 2025-03-04. Experience the New Testament Like Never Before. Endorsements from New Testament scholars: Craig Keener, Darrell Bock, Joel B. Green, Michael Licona, Mark Strauss, Richard Horsley, David deSilva, Constantine Campbell, Paul Barnett, Clinton Arnold, Eckhard Schnabel, Jeffrey A. D. Weima, and many others. One famous scholar said that reading the New Testament letters is like hearing one end of a phone conversation. The Untold Story of the New Testament Church, Revised and Expanded, reconstructs the other end so you can understand virtually every word. Seamlessly weaving the narrative of Acts with the Epistles, you'll discover a coherent story enriched by intriguing details of first-century life. This unique and innovative presentation of the New Testament unlocks its epic story in a way that will leave you breathless and equipped to understand the Bible like never before. Though it's non-fiction, this masterpiece reads like a cinematic experience that will captivate your heart by putting you in the center of the drama. Drawing on the best of contemporary scholarship, Frank Viola includes background information about the people, cities, and places that are mentioned throughout the New Testament, all in an engaging narrative. As you dive into this riveting volume, you will gain an intimate glimpse into the lives of apostles Peter, James, John, Paul, and their colleagues. Uncover the events that inspired each New Testament letter, shedding new light on every line from Romans to Revelation. Meet the key figures who shaped the world, like Priscilla, Apollos, Lydia, Luke, John, Mark, Phoebe, Aristarchus, and Epaphras. Witness the dynamic tumult of first-century churches, individuals, and events as they unfold vividly before you. Prepare to be ushered into the living, breathing atmosphere of the first century so you can uncover the hidden riches contained in God's Word.

[The Living Church](#), 2004. *Paul and First-Century Letter Writing* E. Randolph Richards, 2025-07-29. Traditional Christian art depicts Paul, the letter writer, pen in hand, attentive to the Spirit. We might think

we know better and imagine him pacing in agitation as he rapidly dictates to a secretary his letter to the Galatians But in reality neither of these pictures is accurate In Paul s day producing a letter was a time consuming and costly business And we have ample resources from the ancient world to piece together what it must have been like A secretary was usually part of the picture But so were notes drafts corrections and careful rewrites not to speak of scratchy pens sooty ink and coarse papyrus Interestingly there is evidence that Paul involved his missionary team in the writing of letters And then came the delivery over land and sea the reading and circulation as well as the epistolary afterlife of copying collecting and storing E Randolph Richards has extensively studied ancient letter writing and secretaries Informed by the historical evidence and with a sharp eye for telltale clues in Paul s letters he takes us into this world and places us on the scene with Paul the letter writer What first appears to be just a study of secretaries and stationery turns out to be an intriguing glimpse of Paul the letter writer that overthrows our preconceptions and offers a new perspective on how this important portion of Christian Scripture came to be

Seven Deadly Spirits T. Scott Daniels,2009-03 Examines the nature of the seven angels of the churches addressed in Revelation to show how congregations can escape the powers that hold them captive

The Cambridge Companion to St Paul James D. G. Dunn,2003-10-16 The apostle Paul has been justifiably described as the first and greatest Christian theologian His letters were among the earliest documents to be included in the New Testament and as such they shaped Christian thinking from the beginning As a missionary theologian and pastor Paul s own wrestling with theological and ethical questions of his day is paradigmatic for Christian theology not least for Christianity s own identity and continuing relationship with Judaism The Cambridge Companion to St Paul provides an important assessment of this apostle and a fresh appreciation of his continuing significance today With eighteen chapters written by a team of leading international specialists on Paul the Companion provides a sympathetic and critical overview of the apostle covering his life and work his letters and his theology The volume will provide an invaluable starting point and helpful cross check for subsequent studies

Phoebe Paula Gooder,2018-09-04 Around 56 AD the apostle Paul wrote to the church in Rome He entrusted this letter to Phoebe whom he describes as the deacon of the church at Cenchreae and a patron of many But who was this remarkable woman Biblical scholar and popular author and speaker Paula Gooder imagines Phoebe s story who she was the life she lived and her first century faith and in doing so opens up Paul s world

Anthropology and New Testament Theology Jason Maston,Benjamin E. Reynolds,2018-02-22 This volume considers the New Testament in the light of anthropological study in particular the current trend towards theological anthropology The book begins with three essays that survey the context in which the New Testament was written covering the Old Testament early Jewish writings and the literature of the Greco Roman world Chapters then explore the anthropological ideas found in the texts of the New Testament and in the thought of its writers notably that of Paul The volume concludes with pieces from Brian S Roser and Ephraim Radner who bring the whole exploration together by reflecting on the theological implications of the New Testament

s anthropological ideas Taken together the chapters in this volume address the question that humans have been asking since at least the earliest days of recorded history what does it mean to be human The presence of this question in modern theology and its current prevalence in popular culture makes this volume both a timely and relevant interdisciplinary addition to the scholarly conversation around the New Testament Teaching Religion Using Technology in Higher Education John Hilton III,2018-03-19 This edited collection helps those teaching religion in higher education utilize technology to increase student learning both inside and outside of the classroom Recent times have seen major technological shifts that have important implications for how religion is taught at a post secondary level Providing multiple perspectives on a range of topics including social media use and interactive classroom learning this book presents a series of original case studies and insights on how technology can be used in religion classes in higher education to improve student learning

Ministering in Honor-Shame Cultures Jayson Georges,Mark D. Baker,2016-09-02 Many a Westerner has had a cross cultural experience of honor and shame In this well rounded and ministry tested guide Georges and Baker help us decode the cultural script of honor and shame assisting us also in reading the Bible anew through that lens Then they offer thoughtful and practical guidance in ministry within honor shame contexts **God Has No Favourites** Carmody Grey,2022-01-31 God Has No Favourites is the York Course written for Lent 2022 by Dr Carmody Grey In this 5 session course Dr Grey explores how each of us is called to discover that God is completely inclusive He does not apportion his welcome or love according to our prejudices or preferences God Has No Favourites because God favours everyone Every single human being whatever age sex class race or religion is in God s image Jesus has identified himself personally with each one of us God s love and the power of the Holy Spirit is for everyone no caveats As with previous Lent York Courses the standard study book is supported by an in depth interview covering all 5 sessions between Dr Carmody Grey and Simon Stanley available on CD as a Digital Download or as a transcript in either paperback or ebook Revelation Gerald L. Stevens,2014-05-08 This three part study covers the history of interpretation theological foundations and exegesis Copious illustrations from the author s worldwide travels enhance discussion of Rome s emperors empire and ideology as the premier horizon for understanding John s immediate context and meaning Distinctive contributions include Stevens s effort to re canonize Revelation by insisting on gospel concord methodically interpreting all of Revelation through the lens of the seven churches and showing how Revelation s imagery consistently relates more to the incarnation than the Parousia Stevens bypasses traditional millennial options to argue that Revelation is passion millennial the passion of Jesus predicates the passion of the church Under Stevens s hands Revelation becomes eminently sensible to the original audience and powerfully pertinent for today s church *Essays on Revelation* Gerald L. Stevens,2011-01-01 The book of Revelation perennially provokes outlandish futurist predictions proven patently false over time Such prophecy failures leave the inquiring mind with a strong sense that the book of Revelation is nothing but a hoax safely ignored and without contemporary relevance The inevitable practical

result not only for church members but for their ministers as well is a canonical book stripped bare of canonical authority In this volume six contributors collectively attempt to provide a path toward recanonizing Revelation reclaiming its authority and relevance through christological foundations The result is a book not only useful in the collegiate and seminary classroom but also for serious small group Bible studies wanting to glean from Revelation something deeper than a fear of being left behind Understanding the Bible Robert Plummer,2013 Understanding the Bible will help anyone learn how to interpret the Bible for themselves Plummer walks the reader through improving interpretation skills using books and tools for interpretation and determining the meaning of a biblical text *The New Testament in Its First Century Setting* Bruce W. Winter,2004

Embark on a transformative journey with Explore the World with is captivating work, Discover the Magic in **Lost Letters Of Pergamum** .
