## **Lost Lion Of Empire:**

Lost Lion of Empire Edward Paice, 2001 By the age of twenty two Grogan had been elected the youngest ever member of the Alpine Club and was a Matabele War veteran But his prospects were far from certain when he fell in love with a young heiress and was required by her stepfather to prove himself a somebody in order to win her hand Grogan's response was typically unequivocal he announced that he intended to be the first man to complete a south to north traverse of the African continent In 1900 after almost three years of adventure and unimaginable hardship he arrived triumphantly in Cairo thus completing one of the most astonishing feats in the history of the African exploration He became an instant celebrity and returned to London to marry his beloved Gertrude BOOK JACKET Madness and marginality Will Jackson, 2017-03-01

Based on over two hundred and fifty psychiatric case files this book offers a radical new departure from existing historical accounts of what is still commonly thought of as the most picturesque of Britain's colonies overseas By tracing the life histories of Kenya's white insane the book allows for a new account of settler society one that moves attention away from the great white hunters and heroic pioneer farmers to all those Europeans who did not manage to emulate the colonial ideal In doing so it raises important new questions around deviance transgression and social control Sitting at the intersection of a number of fields the book will appeal to students and teachers of imperial history colonial medicine African history and postcolonial theory and will prove a valuable addition to both undergraduate and postgraduate courses **Lions in Our**
