## **Lost Queen The Tragedy Of A Royal Marria:**

The Lost Queen Anne M. Stott, 2020-03-30 A look at the tragically short life of the only daughter of Britain's King George IV who won the heart of a nation As the only child of the Prince Regent and Caroline of Brunswick Princess Charlotte of Wales 1796 1817 was the heiress presumptive to the throne Her parents marriage had already broken up by the time she was born She had a difficult childhood and a turbulent adolescence but she was popular with the public who looked to her to restore the good name of the monarchy When she broke off her engagement to a Dutch prince her father put her under virtual imprisonment and she endured a period of profound unhappiness But she held out for the freedom to choose her husband and when she married Prince Leopold of Saxe Coburg she finally achieved contentment Her happiness was cruelly cut short when she died in childbirth at the age of twenty one only eighteen months later A shocked nation went into mourning for its people's princess the queen who never was This perspicacious study of Charlotte's short life is superb Anne Stott is an accomplished and highly readable biographer whose earlier subjects have included William Wilberforce and Hannah More She wears her research lightly which is not to say that the book is anything less than scholastic quite the opposite Highly recommended Naomi Clifford author of *The Murder of Mary Ashford* The Woman's Historical Novel D. Wallace, 2004-11-19 The historical novel has been one of the most important forms of women's reading and writing in the twentieth century yet it has been consistently under rated and critically neglected In the first major study of British women writers use of the genre Diana Wallace tracks its development across the century She combines a comprehensive survey with detailed readings of key writers including Naomi Mitchison Georgette Heyer Sylvia Townsend Warner Margaret Irwin Jean Plaidy Mary Renault Philippa Gregory and Pat Barker *The Lost Queen of England* H. Elizabeth Owen, 2011-06-22 AFTER AN ARCHAEOLOGIST BEGINS A COVETED DIG IN EGYPT SHE UNEARTHS AN ANCIENT MYSTERY THAT UNITES HER WITH A LOST QUEEN AND HER OWN DESTINY Broiling in the stifling heat of the Valley of the Kings an Egyptologist impatiently awaits official permission to unseal and dismantle the wall of a tomb that has escaped discovery for thirty three centuries She has been given the chance of a lifetime to dig at a coveted site where radar scans have revealed two mysterious voids beneath the sands As the sounds of digging echo through the valley she wonders if it is possible that long awaited answers to ancient mysteries lie just beneath the tarmac where thousands of oblivious tourists walk every day She is about to find out Thirteen years earlier a royal princess asked her family to help her in a great deception She had no idea what the future held but there was no turning back once the course was set Now as Egyptologists from around the world converge on Cairo they are unaware that destiny has chosen one lost queen to find another THE LOST QUEEN OF ENGLAND is a compelling tale that weaves its way through ancient palaces sails up the Nile and flies across the desert in a golden chariot ultimately leading to a captivating conclusion *The Publishers Weekly*, 1969 The New York Times Book Review, 1969

**Shakespeare's Lost Kingdom** Charles Beauclerk, 2011-02-08 A book for anyone who loves Shakespeare One of the most

scandalous and potentially revolutionary theories about the authorship of these immortal works Mark Rylance First Artistic Director of Shakespeare's Globe Theatre It is perhaps the greatest story never told the truth behind the most enduring works of literature in the English language perhaps in any language Who was William Shakespeare Critically acclaimed historian Charles Beauclerk has spent more than two decades researching the authorship question and if the plays were discovered today he argues we would see them for what they are shocking political works written by a court insider someone with the monarch's indulgence shielded from repression in an unstable time of armada and reformation But the author's identity was quickly swept under the rug after his death The official history of an uneducated merchant writing in near obscurity and of a virginal queen married to her country dominated for centuries Shakespeare's Lost Kingdom delves deep into the conflicts and personalities of Elizabethan England as well as the plays themselves to tell the true story of the Soul of the Age Beauclerk's learned deep scholarship compelling research engaging style and convincing interpretation won me completely He has made me view the whole Elizabethan world afresh The plays glow with new life exciting and real infused with the soul of a man too long denied his inheritance Sir Derek Jacobi Book World, 1969 *Women's Writing in English* Patricia Demers, 2005-01-01 This wide ranging examination of the genres of early modern women's writing embraces translation in the fields of theological discourse romance and classical tragedy original meditations and prayers letters and diaries poetry closet drama advice manuals and prophecies and polemics **A Catalogue of Old and Rare Books** Pickering & Chatto, 1900 **Mother-Texts** Julie Kelso, Marie Porter, 2010-07-12 Every day human beings tell and are told stories sometimes in obvious ways sometimes not Most of our communication with each other direct or indirect involves narrative production and reception Narrative is constitutive of human being However whose narratives are heard Feminists argue that the relations between language knowledge gender and power particularly the question as to whether man made and controlled language is a material fit to receive and convey woman's stories are critical issues because historically patriarchy has worked to silence women's dialogue Male knowledge unsurprisingly created and continues to create unrepresentative maternal narratives which lead to unreal expectations of mothers and motherwork It is therefore disconcertingly significant for mothers that neither mothers nor their motherwork have been considered worthy of historical record nor are historical records usually written from a mother's perspective Hence the narrative research in this book which gives recognition to motherhood mothers and or the work they do is valuable It adds to the rapidly accumulating maternal research research that is now available for the historical record Mothers are speaking up developing a canon of literature research narrated in maternal language and claiming maternal knowledge and power *New Worlds, Lost Worlds* Susan Brigden, 2002-09-24 No period in British history has more resonance and mystery today than the sixteenth century New Worlds Lost Worlds brings the atmosphere and events of this great epoch to life Exploring the underlying religious motivations for the savage violence and turbulence of the period from Henry VIII's break with Rome to the overwhelming threat of the Spanish Armada Susan

Brigden investigates the actions and influences of such near mythical figures as Elizabeth I Thomas More Bloody Mary and Sir Walter Raleigh Authoritative and accessible New Worlds Lost Worlds the latest in the Penguin History of Britain series provides a superb introduction to one of the most important compelling and intriguing periods in the history of the Western world [A Lost Child of Cyprus](#) Steven Baker,2020-03-28 A Lost Child of Cyprus is the story of how the human spirit endures Just as the island of Cyprus itself has seen conflict and hardship over time so Yasmin s story mirrors that of her island home in this sweeping tale of hope loss and love **William Shakespeare** Pamela Hill Nettleton,2016-08 Describes the life and times of William Shakespeare world famous poet and playwright **Queen Elizabeth II and the Royal Family** DK,2021-06-08 Queen Elizabeth II and the Royal Family is a magnificent tribute to the life and reign of Queen Elizabeth II and a celebration of the British royal family from the first English kings through the birth of the queen s second grandchild to Prince William and Kate the Duchess of Cambridge Highly illustrated with photographs and timelines throughout Queen Elizabeth II and the Royal Family tells the story of the House of Windsor and includes events such as the royal wedding of Prince William and Kate Middleton and profiles on key people such as Princess Diana and Prince Harry Graphics illuminate details of the queen s personal and private life vivid photographs highlight important events special features showcase the royal residences and timelines untangle the complete history of the kings and queens of England and Scotland tracing the line of succession to the throne This gorgeous ebook is the most complete visual history of Britain s most enduring icon Queen Elizabeth II and the royal family **Catalogue of the Printed Books in the Library of the Society of Writers to H.M. Schroeder,Grethe Jacobsen,1982 [Government Regulation of Elizabethan Drama](#) Virginia Crocheron Gildersleeve,1908 **Localizing Christopher Marlowe** Arata Ide,2023 This study punctures the stereotyped portrayals of Marlowe first created by his rival Robert Greene and yet which still colour our view In doing so Ide reveals the social and cultural discourses out of which such myths emerged We know next to nothing about the life of the playwright Christopher Marlowe b 1564 d 1593 Few documents survive other than his birth record in the parish register a handful of legal cases in court records Privy Council mandates and reports to the Council the coroner s examination of his death and a few hearsay accounts of his atheism With such a limited collection of biographical documents available it is impossible to retrieve from history a complete sense of Marlowe However this does not mean that biography cannot play a significant role in Marlowe studies By observing the details of the specific places and communities to which Marlowe belonged this book highlights the collective experiences and concerns of the social groups and communities with which we know he was personally and financially

involved Specifically Localizing Christopher Marlowe reveals the political and cultural dynamics in the community of Corpus Christi College Cambridge into which Marlowe was deeply integrated and through which he became affiliated with the circle of Sir Francis Walsingham mapping these influences in both his life and works
