## Lost Upland:

**The Lost Upland** W.S. Merwin, 2016-09-13 In *The Lost Upland* W S Merwin vividly conveys his intimate knowledge of the people and the countryside in this ancient part of France home of the Lascaux caves In three narratives of small town life Merwin shows with matchless poetic and narrative power how the past is still palpably present On its original publication in 1992 Jane Kramer wrote These stories are a gift from one of the great poets of the English language a chronicle of the heart stopping seasons of one small corner of La France Profonde and of its stubborn and illusive characters Merwin s French peasants are a force of nature like the blackberry brambles that used to choke his garden and he cultivates them both with that attentive exacting and relentlessly patient genius that great poets and great gardeners share This is simply the most beautiful writing about France I know     **The Lost Upland** William Stanley Merwin, 1992 A collection of stories pays tribute to the ancient land of the Lascaux caves in southwestern France where aristocrats shepherds wine merchants and innkeepers lead anachronistic lives     **The Lost Upland** William Stanley Merwin, 2005 The poet explores the people and landscape of southwestern France chronicling the complexities and contradictions of French peasants from the ground up perspective of gardening Reprint     **LOST UPLAND: STORIES OF SOUTHWEST FRANCE.(cancelled out of print 8/31/99).** W.
