

Lost Armies

Colin Gray

Lost Armies:

Forgotten Armies Christopher Alan Bayly, Timothy Norman Harper, 2005 In the early stages of the Second World War the vast crescent of British ruled territories stretching from India to Singapore appeared as a massive Allied asset It provided scores of soldiers and great quantities of raw materials and helped present a seemingly impregnable global defense against the Axis Yet within a few weeks in 1941-42 a Japanese invasion had destroyed all this sweeping suddenly and decisively through south and southeast Asia to the Indian frontier and provoking the extraordinary revolutionary struggles which would mark the beginning of the end of British dominion in the East and the rise of today's Asian world More than a military history this gripping account of groundbreaking battles and guerrilla campaigns creates a panoramic view of British Asia as it was ravaged by warfare nationalist insurgency disease and famine It breathes life into the armies of soldiers civilians laborers businessmen comfort women doctors and nurses who confronted the daily brutalities of a combat zone which extended from metropolitan cities to remote jungles from tropical plantations to the Himalayas Drawing upon a vast range of Indian Burmese Chinese and Malay as well as British American and Japanese voices the authors make vivid one of the central dramas of the twentieth century the birth of modern south and southeast Asia and the death of British rule **South to A New Place** Suzanne W. Jones, Sharon Monteith, 2002-11-01 Taking Albert Murray's *South to a Very Old Place* as a starting point contributors to this exciting collection continue the work of critically and creatively remapping the South through their freewheeling studies of southern literature and culture Appraising representations of the South within a context that is postmodern diverse widely inclusive and international the essays present multiple ways of imagining the South and examine both new places and old landscapes in an attempt to tie the mythic southern balloon down to earth In his foreword an insightful discussion of numerous Souths and the ways they are perceived Richard Gray explains one of the key goals of the book to open up to scrutiny the literary and cultural practice that has come to be known as regionalism Part I Surveying the Territory theorizes definitions of place and region and includes an analysis of southern literary regionalism from the 1930s to the present and an exploration of southern popular culture In Mapping the Region essayists examine different representations of rural landscapes and small towns cities and suburbs as well as liminal zones in which new immigrants make their homes Reflecting the contributors transatlantic perspective Making Global Connections challenges notions of southern distinctiveness by reading the region through the comparative frameworks of Southern Italy East Germany Latin America and the United Kingdom and via a range of texts and contexts from early reconciliation romances to Faulkner's fictions about race to the more recent parody of southern mythmaking Alice Randall's *The Wind Done Gone* Together these essays explore the roles that economic racial and ideological tensions have played in the formation of southern identity through varying representations of locality moving regionalism toward a new place in southern studies U. S. Army Retired Soldiers Handbook Soldier for Life- Retirement Services Office (U.S.), 2017-09 This handbook provides guidance to U

S Army retired soldiers and their families about their military status after retirement benefits and privileges that they may be entitled Some of the topics covered within this handbook include MyArmyBenefits MAB Program Change of Address Military Identification and Privilege Cards Military Treatment Facilities MTFs for Medical Care TRICARE Military Installation Privileges Stateside and Overseas Locating Former and Retired Soldiers Community Relations Army Emergency Relief Department of Veterans Affairs VA Benefits And much more Retired U S Army soldiers and their families may be interested in this retirement guide Members of the ROTC Corps and American citizens interested in enlisting within the U S Army also may be interested in this guide to comprehensive Army service benefits Related products Federal Benefits for Veterans Dependents and Survivors 2017 is available here <https://bookstore.gpo.gov/products/federal-benefits-veterans-dependents-and-survivors-2017> Information for Survivor Annuitants Federal Employees Retirement System FERS is available here <https://bookstore.gpo.gov/products/information-survivor-annuitants-federal-employees-retirement-system-fers> Applying for Deferred or Postponed Retirement Under the Federal Employees Retirement System FERS is available here <https://bookstore.gpo.gov/products/applying-deferred-or-postponed-retirement-under-federal-employees-retirement-system-fers> *Strategy for Chaos* Colin Gray,2004-08-02 The remit of this study is to encourage further studies that make an honest and successful effort to achieve synergy between social science and history when analysing the impact of revolutions in military affairs RMAs

The Complete History of the Christian Church Philip Schaff,2022-11-13 In The Complete History of the Christian Church Philip Schaff intricately weaves the narrative of Christian faith from its nascent beginnings to the complexities of modern denominations This extensive work is characterized by Schaff s erudite prose integrating rigorous scholarship with accessible language The narrative is meticulously organized into distinct eras illustrating the multifaceted developments and doctrinal shifts within Christianity His contextualization of historical events such as the Reformation and the Great Schism enriches the reader s understanding of the interplay between faith and culture throughout the ages Philip Schaff 1819 1893 was a prominent theologian and historian whose deep rooted interest in Christian doctrine and ecclesiastical history stemmed from his own experiences as a Swiss immigrant in America His commitment to ecumenicism and historical accuracy motivated him to chronicle the evolution of the Church providing insights into theological debates and their impact on society Schaff s scholarly endeavors were also shaped by his role as a professor and editor positioning him uniquely to address the diverse perspectives within Christianity I wholeheartedly recommend Schaff s work to anyone with an interest in Christian history or theology Whether a scholar student or general reader this authoritative resource offers a profound understanding of the Church s journey and its enduring influence on global civilization [Life of Michael Angelo](#) Herman Friedrich Grimm,1866 **The History of Christian Church** Philip Schaff,Eusebius,2022-11-13 The History of Christian Church is a meticulously curated anthology that unveils the spiritual historical and theological evolution of Christianity Spanning a vast timeline this collection brings together historical narratives and theological insights offering readers a profound

understanding of the faith's enduring influence. Assembling a rich tapestry of works, it navigates through diverse literary styles from ecclesiastical record to philosophical treatise, creating a mosaic of Christian thought. With standout pieces that illuminate pivotal moments in church history, the anthology serves both as a scholarly resource and a deep wellspring of spiritual reflection. Authored by Philip Schaff and drawing upon the monumental histories compiled by Eusebius, this collection reflects the intellectual rigor and breadth of its contributors. Schaff, with his vast theological scholarship, offers critical insights into the development of Christian doctrine and practice. Eusebius' accounts provide an essential historical framework aligning with early Christian movements and the church's formative years. Together, they give voice to a multifaceted understanding of Christianity's diverse heritage, revealing the myriad ways faith has been lived and expressed throughout history. This anthology invites readers to immerse themselves in the rich dialogues of Christianity's past, gaining exposure to its historical diversity and theological depth. It stands as a testament to the endless dialogue between tradition and modernity, inviting a deeper exploration of Christian thought across epochs. This collection is an invaluable resource for anyone seeking to understand the complex narrative of the church, offering a unique educational journey filled with insightful perspectives that transcend time and cultural boundaries.

The Collected Works Philip Schaff, 2022-11-13 Philip Schaff's *The Collected Works* stands as a monumental contribution to the field of Christian theology and ecclesiastical history. This compendium comprises a thorough examination of the development of Christian doctrine, drawing on a myriad of historical sources, biblical texts, and theological discussions. Schaff's literary style is characterized by its scholarly rigor, lucidity, and a deep commitment to historical continuity, offering readers an engaging narrative interspersed with critical analysis and contextual elaboration that is crucial for understanding the evolution of Christian thought. The work reflects the late 19th-century context in which it was produced, a period marked by both the consolidation of Protestant scholarship and burgeoning ecumenical movements.

Philip Schaff (1819-1893), a Swiss-born theologian, arrived in America as part of the wave of European intellectuals seeking new opportunities in the wake of religious and political upheavals. His extensive academic career, including founding institutions and engaging in theological debates, has provided him with profound insights into the interactions between faith and culture. Schaff's profound passion for unifying the Christian Church and his extensive scholarly background in history and language shaped the vision for this comprehensive collection. *The Collected Works* is an essential read for scholars, theologians, and laypersons alike who seek to delve into early Christian history and doctrine. Schaff's meticulous scholarship invites readers to engage with the complexities of faith across centuries, making it not merely a work of historical documentation but also a compelling narrative that inspires contemporary discourse on Christianity's relevance today.

Warfare and Armed Conflicts Micheal Clodfelter, 2017-05-23 In its revised and updated fourth edition this exhaustive encyclopedia provides a record of casualties of war from the last five centuries through 2015 with new statistical and analytical information Figures include casualties from global terrorism the wars in Iraq and Afghanistan and the fight against the Islamic State New entries cover an additional 20 armed conflicts between 1492 and 2007 not included in previous editions Arranged roughly by century and subdivided by world region chronological entries include the name and dates of the conflict precursor events strategies and details the outcome and its aftermath

Women and the French Army during the World Wars, 1914-1940 Andrew Orr, 2017-05-01 A history and analysis of how women worked for the French Army from 1914 to 1940 How did women contribute to the French Army in the World Wars Drawing on myriad sources historian Andrew Orr examines the roles and value of the many French women who have been overlooked by historians those who worked as civilians supporting the military During the First World War most officers expected that the end of the war would see a return to prewar conditions so they tolerated women in supporting roles But soon after the November 1918 armistice the French Army fired more than half its female employees Demobilization created unexpected administrative demands that led to the next rehiring of many women The army's female workforce grew slowly and unevenly until 1938 when preparations for war led to another hiring wave however officers resisted all efforts to allow women to enlist as soldiers and alternately opposed and ignored proposals to recognize them as long term employees Orr's work offers a critical look at the indispensable wartime roles filled by women behind the lines Orr has successfully made the leap into what we have needed for decades a truly modern and mainstream study of the complex interplay of women and the military in modern society that also takes into account the complex interplay of race and class American Historical Review Women and the French Army is well researched and provides an engaging read Women in French Studies What is especially noteworthy about Orr's book is not the gender history however but the military history Orr's research provides an excellent reminder that militaries are so much more than their front facing services In focusing on the civilian employees of the French army Orr is able to tease out some of the nuances of this history that would otherwise be obscured French History This is a fascinating study of intended and unintended consequences well researched well written and a pleasure to read H France Review
