Stone, 2018-10-31 How do persons come to faith in our time Are they active seekers or brought in by others Is it a journey Or is it a more sudden conversion Are spouses relatives and friends most important to the process Do clergy matter What sorts of values practices and lifestyles tend to change for those who newly come to faith What are the differences among the various religious traditions in how one comes to faith This book presents the findings of a multi year study on how people come to faith in the US context It involves about 1 800 persons who recently made a new profession of faith or some other public commitment across various religious traditions in the US An initial study was conducted twenty five years ago on Christian populations in England by Bishop John Finney but surprisingly little research has been done since then Finding Faith Today is an expansion and follow up of that study The book sheds new light on how people come to faith and what sort of spiritual practical and social changes accompany that The book will be a help to those seeking to open up their communities of faith to others with hospitality and integrity Wonderfully Made Neva Ann Cairco, 2019-02-23 She never imagined that she would share her story a story that would expose such a private secret But after receiving a persistent prompting from the Holy Spirit she had no choice but to be obedient That revelation empowered her to reveal her incredible healing journey that took place years ago a journey of confusion pain revelation and victory In Wonderfully Made author Neva Ann Cairco reveals her life's journey and exposes the core cause for abortion Her story is written to help heal the broken and wounded with God's direction For Neva discovering the underlying rationale for that decision was the beginning step to obtain her release from abortion's guilt and shame God used her struggles to reveal his love and mercy Neva brings to light the potency of the forgiveness found in Jesus Christ That very same power is available to help others struggling with this heart breaking experience But how do we get there Neva takes a loving yet no nonsense look at abortion She shows us how we can receive God's forgiveness She walks

us through her life's path of innocence deception confusion heartbreak revelation and release She understands that many lives have been deeply impacted as a result of that single decision Living with abortion's guilt and shame is a killer but you can come alive and discover the joy and freedom of forgiveness The children are waiting *Buddies Share Their Spiritual Journeys* John Pratt Bingham, 2025-03-25 Sixteen older men were asked to describe their spiritual journeys while on a retreat They responded by opening their souls and speaking with rare honesty courage and vulnerability The candor of the men revealed a tapestry of beliefs most were Christian though some attended church and others did not One was Jewish while others identified as spiritual agnostic or atheist The retreat provided a forum where the men presented authentic accounts of how their spiritual journeys unfolded in a secular society The men shared how they apply their spiritual values to daily life speaking of inner world challenges such as dealing with imperfections doubts and fears and outer world experiences like suffering child abuse the war in Vietnam and alcoholism This deep sharing created a deeper bond among the men a connection characterized by respect and empathy Buddies is a deeply personal and engaging collection of stories each written to paraphrase John of the Cross with no other light or guide than the one which burns in their heart
