Lost Without Love:

Poetic Labyrinth Forrest Hiler, 2015-04-20 Poetry is a dying art One lost to the pages of time However in one man s mind Poetry is a way of life Take a journey into the maze To find the one piece of the puzzle As to why one s actions mean nothing In the storm that rages The first door is an illusion Pulling you into the maze After that It's all downhill from Without You Divyam Agarwal, 2025-01-15 In this collection of poignant reflections you will find the echoes of love loss and the silent battles we fight within Each piece tells a story of heartbreak hope and the struggle to survive when the world feels too heavy From the whispered moments of guiet sorrow to the loud crashes of despair these words are a mirror to the soul This book doesn't just speak to the heart it pulls you deep into its raw honesty leaving you to confront the things we often keep hidden For those who have loved lost or simply wondered if anyone else feels the same this book is for you Bubble - The Story of Being 'Lost Without Her': A journey of growing through tragedy & loss Mark Oborn ,2020-08-01 This book is for you if you have lost a significant other This book is for you if you find yourself on a journey through grief or are supporting someone else through their journey The book charts my first year of being a widower its chapters are a series of blog posts I wrote immediately after my beautiful wife Claire died This book is ordered chronologically by days then weeks then months this allows you to dip into any time after your event which feels relevant to you and see what I was saying and thinking at that same time Each blog post I wrote and therefore each chapter in this book is tagged the website is searchable by each of those tags and I ve used the same tags here for each chapter The tags represent feelings emotions and events If you go to the index at the back of the book you can find those tags or themes and discover which of the chapters blog posts will be most relevant to how you are feeling right now As with the blog I feel like I m with you on your journey as you read this book Just know you are not alone **Love and Learn** Sergei Komkov-Epshtein, 2006-12-29 In the first brochure of the series the author explain shortly how to start the way of life expanse toward discovery of the meaning of our presence in the world It is creative activity age limit Every cell of our body loves the body and does her wonderful function because of love not due to fear or hatred A cell which hates her neighbors is a sick one may be cancerous When you feel pain it is information about unfriendly disharmonic or hostile situation among your cells Very small particles of our blood to protect us against the foreign infection or impurity enter the battle and sacrifice their existence It is a heroic deed of love Sacrificial hero deeds of love are known for all levels of life from cells to big animals Your pats are ready to surrender heroically their lives also Therefore when I invite everybody to reach extreme super health it is supposed that all steps will be done with love and for love On the way of Sound Life you will learn the true meaning of love with your body which is created to please you make you happy and able to be spiritual But first we should sacrifice our unsound habits give up false pleasures and provide a chance to our cells organs and body to function accordingly Page 5 The purpose of the brochure is to invite for communication those who share the

grief and healing This is more than just an explanation it s a The Warring Generation Thelma Dzwowa, 2017-12-15 For those who are tired of religion and long to see the kingdom of God manifest then this is the book for you Straight from the pews as a layman I longed to see change not only in my life but in the lives of those around me and in my city I had witnessed so many lives battered and wounded and I seemed powerless to do anything I became restless with my mediocre faith and realized that there had to be more I wanted more and I was going to have more But the question was would I be prepared to fight to see the kingdom of God and all it represents manifested in my everyday life There is a battle raging in the spirit realm for the souls of humankind The battle lines have been drawn but God is awakening a generation that will learn how to war Their battle cry will echo into eternity as they boldly declare Thy kingdom come They will be known as the warring generation They are prepared to contend to initiate change in their different areas of influence They refuse to turn a blind eye toward the problems that plague people and society as a whole So they choose the road less traveled and make a relentless stand for righteousness They dare to believe for the manifestation of Gods kingdom in their lives families workplaces schools churches cities and nations They are everyday people most of whom are nameless and faceless but are a force to reckon with They are the warring generation Will you be part of this generation Discover how you can awaken the warrior within you and make an indelible mark in your world as you read this book **Loving Justice, Living Shakespeare** Regina Mara Schwartz, 2016-11-17 In thinking about Justice we ignore Love to our peril Loving Justice Living Shakespeare asks why love is considered a soft subject fit for the arts and religion perhaps but unfit for boardrooms parliamentary and congressional debates law schools and courtrooms all of whom are engaged in the serious discourse of justice including questions of distribution questions of contract and questions of retribution Love is separate out of order in the decidedly rational public sphere of justice But for all of this separation of love and justice it turns out that in the biblical tradition no such distinction is even imaginable The biblical law is summed up as loving the neighbour this is further elaborated as loving the stranger loving the widow the orphan and the poor those who lack a protecting community Analysis of these foundational love commands shows that in them love means care that is apprehending and responding to the needs of others This is both love and justice Prevailing political concepts of justice are incomplete for they are premised on a belief in scarcity limited supply of goods opportunities even forgiveness suggests they must be meted out in fair measure To the contrary with love the good sought is not in scarce supply Its distribution is not a problem for the more of it you give the more it is replenished So with love the emphasis is not on how to apportion fairly how much love do I give each of my children but how to understand and respond to need This understanding of justice as including mutual care has a rich history in religious thought as constituting social glue The revival of the Bible during the Reformation and the ubiquitous allusions to neighbor love in the Book of Common Prayer made it ever present in Renaissance discourse and Shakespeare brought this ethos to audiences in many of his plays Part of the reason Shakespeare endures is that this ethic resonates for audiences today we abhor the evil of Iago the greed of Macbeth the narcissism of Lear and to even begin to understand how the sacrifices of Romeo and Juliet could heal ancient social conflict we must assent to the power of love to create justice **Encyclopedia of the Blues: A-J, index** Edward M. Inspiration Fabienne Gassmann, 2011-12-02 Every book starts with an idea that transforms into an outline that only later becomes a story No one ever writes a book alone This book was written in such a way that my daily ups and down were constantly used as my eyes to see inspiration around me Connecting my personal experiences in life to the things my eyes saw The purpose of this book is to emphasize the deep spiritual values that one has in oneself It is a collection of short stories of my days from how I feel or what inspired me on that day It reflects my vision and dreams and I hope that as you read this book that you as a reader will be inspired too A Way in to the Trinity Gerald O'Mahony (S.J.),2004 God is unconditional love gratefully received safely returned The way in to the Trinity for anyone is a way in to the mystery of love and the story turns out to have a happy ending The mystery of the Trinity was revealed to us not to stop us thinking but to start us loving I have never read anything on the Trinity which is as life giving as this book The mystery instead of appearing unintelligible and better left alone remains mystery but becomes something exciting energizing a source of life the source of our own lives which can never be exhausted by any amount of exploration Gerard W Hughes SJ GeraldO Mahony completed this book in his 50th year as a Jesuit his 38th as a priest and his 20th year as a retreat director and author working in Loyola Hall Jesuit
