Identities in Transition Kristin Joachimsen, 2011-03-05 In addition to challenging historical critical readings in the tradition after Duhm this book presents three ways of reading the text based on variations of linguistic theory one linguistic one narratological and one intertextual In these readings the trope personification is central

Bloodshed by King Manasseh, Assyrians and Priestly Scribes Krzysztof Kinowski, 2024-01-22 King Manasseh of Judah is one of the most intriguing characters in the Bible 2 Kings presents him as the wickedest of monarchs In 2Kgs 24 3 4 he is accused of having provoked God to destroy Judah on account of the innocent blood he had shed in Jerusalem cf 2Kgs 21 16 In his study Krzysztof Kinowski investigates this accusation viewing it against the biblical and ancient Near East backgrounds and casts a new light upon Manasseh's role in the fall of Jerusalem The mention of bloodshed in this affair appears to be the outcome of a process of scapegoating of Manasseh ongoing in 2 Kings and reflecting both the legal and the cultic paradigms governing the biblical historiography The link between Manasseh's bloodshed and the destruction of Judah on account of the cultic land's blood defilement points towards a group of priestly scribes involved in the production of the 2Kgs 21 and 24 narratives This assumption lies behind the scholarly discussion about the Priestly like strata and priestly touches in the Books of Kings

Prophecy, Poetry and Hosea Gerald Morris, 1996-01-01 The books of the Latter Prophets have traditionally been treated as persuasive speeches and interpreted according to their rhetoric At the same time interpreters recognize the poetic form of much prophecy This study takes up the notion of the prophet as poet focusing on word play in Hosea and on the lyrical plot of that book the case is made for treating Hosea as a stark full length poem of inexhaustible power

Bearing Yhwh's Name at Sinai Carmen Joy Imes, 2023-06-21 The Name Command NC is usually interpreted as a prohibition against speaking Yhwh's name in a particular context false oaths wrongful pronunciation irreverent worship magical practices cursing false teaching and the like However the NC lacks the contextual specification needed to support the command as speech related Taking seriously the narrative context at Sinai and the closest lexical parallels a different picture emerges one animated by concrete rituals and their associated metaphorical concepts The unique phrase *ns shm* is one of several expressions arising from the conceptual metaphor election as branding that finds analogies in high priest regalia as well as in various ways of claiming ownership in the Ancient Near East such as inscribed monuments the use of seals and the branding of slaves The NC presupposes that Yhwh has claimed Israel by placing Yhwh's own name on her In this light the first two commands of the Decalogue reinforce the two sides of the covenant declaration I will be your God you will be my people The first expresses the demand for exclusive worship and the second calls for proper representation As a consequence the NC invites a richer exploration of what it means to be a people in covenant with Yhwh a people bearing his name among the nations It also points to what is at stake when Israel carries that name in vain The image of bearing Yhwh's name offers a rich source for theological and ethical reflection that

cannot be conveyed nonmetaphorically without distortion or loss of meaning *Habakkuk: The Christian Standard Commentary* Susan Maxwell Booth, 2024-06-15 *Habakkuk* The Christian Standard Commentary is part of The Christian Standard Commentary CSC series This commentary series focuses on the theological and exegetical concerns of each biblical book thoughtfully balancing rigorous scholarship with practical application *Introducing Biblical Hermeneutics* Craig G. Bartholomew, 2015-11-10 2016 Word Guild Award Academic category Honorable mention Grace Irwin Prize Renowned scholar Craig Bartholomew coauthor of the bestselling textbook *The Drama of Scripture* writes in his main area of expertise hermeneutics to help seminarians pursue a lifetime of biblical interpretation Integrating the latest research in theology philosophy and biblical studies this substantive hermeneutics textbook is robustly theological in its approach takes philosophical hermeneutics seriously keeps the focus throughout on the actual process of interpreting Scripture and argues that biblical interpretation should be centered in the context and service of the church an approach that helps us hear God's address today *Portraits of the Righteous in the Psalms* Daniel C. Owens, 2013-08-23 What have the Psalms to do with ethics Readers prize the Psalter for its richly theological prayers but into these prayers are woven a variety of ethical issues This book explores the ethics of the Psalter by examining the four portraits of the righteous person that punctuate Book I It begins by studying these psalms as individual compositions and then employs both the canonical approach and dialogic criticism to identify the complex relationship between the portraits vision of the righteous life and its outcome Does the righteous person enjoy security and the good life The answer may be surprising but joining the psalmist on the rocky path of the interface of faith and experience is certain to prove a formative experience *A Historical-Critical Study of the Book of Zephaniah* Ehud Ben Zvi, 2012-10-25 The series Beihefte zur Zeitschrift für die alttestamentliche Wissenschaft BZAW covers all areas of research into the Old Testament focusing on the Hebrew Bible its early and later forms in Ancient Judaism as well as its branching into many neighboring cultures of the Ancient Near East and the Greco Roman world
