Manuel Puig Y La Mujer Arana:

El beso de la mujer araña / The Kiss of the Spider Woman Manuel Puig, 1994-10-04 La obra más conocida de Manuel Puig el brillantemente inventivo novelista argentino The New York Times es ahora el tema de una premiada comedia musical El beso de la mujer araña es una elegante y fascinante novela sobre el amor y la victimización En una cárcel argentina dos hombres comparten una celda Molina un diseñador de escaparates homosexual que es egoísta auto denigrante y al mismo tiempo encantador y Valentín un revolucionario articulado y ferozmente dogmático obsesionado con la memoria de la mujer que abandonó por la causa Ambos son gradualmente transformados por su cautelosa pero creciente obsesión de Molina con la fantasía y el romance del cine *El beso de la mujer araña/ Manuel Puig* Manuel Puig, 1993 Manuel Puig y la mujer araña Suzanne Jill Levine, 2002 Estamos fascinados con las vidas de los escritores porque queremos ser escritores La vida del escritor parece ideal libre el otro ella parece tener necesidades materiales mínimas y puede viajar vivir en cualquier parte para trabajar La curiosidad biográfica del lector entonces probablemente sea descubrir la verdad detrás de las ficciones comparar la vida vivida y la vida escrita comprender que el escritor se siente impulsado a rehacer la vida en la ficción sostiene la autora en el prólogo del libro Suzanne Jill Levine pone al desnudo ese juego fascinante entre el sujeto real Manuel Puig y sus creaciones muestra como no sucede en ninguna otra biografía publicada hasta el momento los resortes creativos del autor que reinventó la literatura a partir del agudo oído en lo popular y el sarcasmo Su amistad con Manuel Puig el acceso a las cartas y la profunda investigación de su vida y de su obra le ha permitido a la autora sacar a la luz el copioso archivo con notas y entrevistas que cultivó durante años Todo esto hace de Manuel Puig y la mujer araña Su vida y sus ficciones un libro diferente e imprescindible sólido y exhaustivo absolutamente necesario para conocer y comprender al primer novelista popular del continente *Manuel Puig* Rosario Ferré, 1977 Diálogo y oralidad en la narrativa hispánica moderna Rolf Eberenz, 2001-01-01 La representación de la comunicación oral en los textos escritos se encuentra actualmente en la encrucijada de varias disciplinas científicas dedicadas al estudio del lenguaje y de sus productos culturales lingüística antropología sociología historia de la literatura etc En lingüística el redescubrimiento de la oralidad ha empezado a minar la tradicional certidumbre sobre la preeminencia de la lengua escrita y a provocar una revisión de muchos conceptos gramaticales nunca cuestionados Los estudiosos de la literatura conocen desde hace tiempo fenómenos menos conexos como el género del diálogo literario la inserción de diálogos en el relato o el coloquialismo de estos últimos que a veces impregnan también el discurso del propio narrador Postmodernity in Latin America Santiago Colás, 1994-11-07 Postmodernity in Latin America contests the prevailing understanding of the relationship between postmodernity and Latin America by focusing on recent developments in Latin American and particularly Argentine political and literary culture While European and North American theorists of postmodernity generally view Latin American fiction without regard for its political and cultural context Latin Americanists often either uncritically apply the concept of postmodernity to Latin American literature and

society or reject it in an equally uncritical fashion The result has been both a limited understanding of the literature and an impoverished notion of postmodernity Santiago Col s challenges both of these approaches and corrects their consequent distortions by locating Argentine postmodernity in the cultural dynamics of resistance as it operates within and against local expressions of late capitalism Focusing on literature Col s uses Julio Cort zar s Hopscotch to characterize modernity for Latin America as a whole Manuel Puig s Kiss of the Spider Woman to identify the transition to a more localized postmodernity and Ricardo Piglia s Artificial Respiration to exemplify the cultural coordinates of postmodernity in Argentina Informed by the cycle of political transformation beginning with the Cuban Revolution including its effects on Peronism to the period of dictatorship and finally to redemocratization Col s s examination of this literary progression leads to the reconstruction of three significant moments in the history of Argentina His analysis provokes both a revised understanding of that history and the recognition that multiple meanings of postmodernity must be understood in ways that incorporate the complexity of regional differences Offering a new voice in the debate over postmodernity one that challenges that debate s leading thinkers Postmodernity in Latin America will be of particular interest to students of Latin American literature and to scholars in all disciplines concerned with theories of the postmodern

Latin American Writers on Gay and Lesbian Themes David William Foster,1994-11-07 Gay and lesbian themes in Latin American literature have been largely ignored This reference fills this gap by providing more than a hundred alphabetically arranged entries for Latin American authors who have treated gay or lesbian material in their works Each entry explores the significance of gay and lesbian themes in a

particular author's writings and closes with a bibliography of primary and secondary sources. The figures included have a professed gay identity or have written on gay or lesbian themes in either a positive or negative way or have authored works in which a gay sensibility can be identified. The volume pays particular attention to the difficulty of ascribing North American critical perspectives to Latin American authors and studies these authors within the larger context of Latin American culture. The book includes entries for men and women and for authors from Latin American countries as well as Latino writers from the United States. The entries are written by roughly 60 expert contributors from Latin America, the U.S. and Europe.

La forma del destino Juan Pablo Dabove, 1994-01-01. En esta nueva lectura de *EL BESO DE LA MUJER ARANA* la imitación by las imágenes que la suscitan la Mujer la heroína el arte el artista es el sitio de la reflexión sobre la obra de Puig y sobre los estudios que hasta ahora la han interrogado. En contrapunto con una y otros el ensayo de Dabove se pliega sobre su objeto en un movimiento que al reflejarlo produce algo más una réplica con la que como aquel intenta acercarse al punto que el autor no alcanza al sitio en que la pregunta por el destino de los relatos en el mundo vuelve a resonar.

Postmodern Parody in Latin American Literature Helene Carol Weldt-Basson, 2018-05-24. This book examines postmodern parody in Latin American literature as the intersection between ideology construction and deconstruction. Parody's chief task is to deconstruct and criticize the ideologies behind previous texts. During this process new ideologies are inevitably constructed. However postmodernism simultaneously recognizes the partiality of all ideologies and rejects their enthronement as absolute truth. This raises the question of how postmodern parody deals with the paradox inherent in its own existence on the threshold between ideology construction deconstruction and the rejection of ideology. This book explores the relationship between parody and ideology as well as this paradox of postmodern parody in works written by writers ranging from early twentieth century poets to the most recent novel by the Nobel Prize winning Mario Vargas Llosa. The analyses include such authors as Cristina Peri Rossi Manuel Puig Luisa Valenzuela Enrique S. Sánchez Roberto Bolaño Claudia Piñeiro Margarita Mateo Palmer Boris Salazar and Rosario Ferré.
