Maquette For Murder:

Maquette for Murder Gretchen Sprague, 2025-10-16 When retired attorney Martha Patterson's sculptor friend Hannah Gold is attacked her assistant battered to death and her latest sculpture destroyed Martha plunges into the New York art world to find the culprit while threading her way through the jealousies and loyalties of a group of people for whom the unusual is just usual

Sleuths in Skirts Frances A. DellaCava, Madeline H. Engel, 2002 This volume is a comprehensive collection of critical essays on *The Taming of the Shrew* and includes extensive discussions of the play's various printed versions and its theatrical productions Aspinall has included only those essays that offer the most influential and controversial arguments surrounding the play The issues discussed include gender authority female autonomy and unruliness courtship and marriage language and speech and performance and theatricality

Mystery Women, Volume Three (Revised) Colleen Barnett, 2010-12-31 Like other fictional characters female sleuths may live in the past or the future They may represent current times with some level of reality or shape their settings to suit an agenda There are audiences for both realism and escapism in the mystery novel It is interesting however to compare the fictional world of the mystery sleuth with the world in which readers live Of course mystery readers do not share one simplistic world They live in urban suburban and rural areas as do the female heroines in the books they read They may choose a book because it has a familiar background or because it takes them to places they long to visit Readers may be rich or poor young or old conservative or liberal So are the heroines What incredible choices there are today in mystery series This three volume encyclopedia of women characters in the mystery novel is like a gigantic menu Like a menu the descriptions of the items that are provided are subjective Volume 3 of *Mystery Women* as currently updated adds an additional 42 sleuths to the 500 plus who were covered in the initial Volume 3 These are more recently discovered sleuths who were introduced during the period from January 1 1990 to December 31 1999 This more than doubles the number of sleuths introduced in the 1980s 298 of whom were covered in Volume 2 and easily exceeded the 347 series and some outstanding individuals described in Volume 1 which covered a 130 year period from 1860 1979 It also includes updates on those individuals covered in the first edition changes in status short reviews of books published since the first edition through December 31 2008

The Publishers Weekly, 2005

From Memory to Marble Elizabeth Rankin, Rolf Michael Schneider, 2020-09-07 For the first time the 92 metre frieze of the Voortrekker Monument in Pretoria one of the largest historical narratives in marble has been made the subject of a book The pictorial narrative of the Boer pioneers who conquered South Africa's interior during the Great Trek 1835-52 represents a crucial period of South Africa's past Conceptualising the frieze both reflected on and contributed to the country's socio-political debates in the 1930s and 1940s when it was made The book considers the active role the Monument played in the rise of Afrikaner nationalism and the development of apartheid as well as its place in post-apartheid heritage The frieze is unique in that it provides rare evidence of the complex processes followed in creating a major monument Based on unpublished

documents drawings and models these processes are unfolded step by step from the earliest discussions of the purpose and content of the frieze through all the stages of its design to its shipping to post war Italy to be copied into marble from Monte Altissimo up to its final installation in the Monument The book examines how visual representation transforms historical memory in what it chooses to recount and the forms in which it is depicted The second volume expands on the first by investigating each of the twenty seven scenes of the frieze in depth providing new insights into not only the frieze but also South Africa s history Fran ois van Schalkwyk of African Minds co publisher with De Gruyter writes From Memory to Marble is an open access monograph in the true sense of the word Both volumes of the digital version of the book are available in full and free of charge from the date of publication This approach to publishing democratises access to the latest scholarly publications across the globe At the same time a book such as From Memory to Marble with its unique and exquisite photographs of the frieze as well as its wealth of reproduced archival materials demands reception of a more traditional kind that is on the printed page For this reason the book is likewise available in print as two separate volumes The printed and digital books should not be seen as separate incarnations each brings its own advantages working together to extend the reach and utility of From Memory to Marble to a range of interested readers For more material you can browse at Stanford s database Voortrekker Monumentality a digital archive [Bowker's Guide to Characters in Fiction 2007](#) ,2008-02

ARLIS/NA Update ,2000 *A Valley to Die For* Radine Trees Nehring,2002 In the picturesque Ozark mountains a local group of residents plan to fight the sale of an abandoned farm to a mining quarry known for caring more for money than potential damage to the environment When widow Carrie McCrite discovers the body of the group s leader JoAnne Harrington the valley is abuzz with theories that JoAnne was accidentally shot by hunters or murdered by the owner of the proposed quarry For Carrie whose husband died in a hunting accident and whose faith was the only thing that sustained her JoAnne s death resurrects old nightmares The romantic interest of a retired detective named Henry King raises further questions as Carrie discovers ties between Henry and JoAnne that have been kept secret for almost 30 years [What Do I Read Next? Volume 2 2003](#) Gale Group,Neil Barron,2004 This volume contains descriptions of 1 245 books in nine fiction genres including author or editor s name publication information story type major characters setting plot summary and more

Library Journal Melvil Dewey,Richard Rogers Bowker,L. Pylodet,Charles Ammi Cutter,Bertine Emma Weston,Karl Brown,Helen E. Wessells,2005 Includes beginning Sept 15 1954 and on the 15th of each month Sept May a special section School library journal ISSN 0000 0035 called Junior libraries 1954 May 1961 Also issued separately *Library Journal* ,2000

Death by Thunder Gretchen Sprague,2005-11 When her uncle falls to his death in the mountains of upstate New York California photographer Janet Upton sets out to prove that he has been murdered a case that may be linked to the death of a woman in the same place eight years earlier *The American Oxonian* ,2000 List of Rhodes scholars 1904 1915 v 2 p 145 161 Vol for 1934 include Addresses and occupations of Rhodes scholars and other Oxonians called 1934 36 Addresses and

occupations of Rhodes scholars **Chess in the Mirror** Rosalind Jeffrey,1980 A Clear North Light Laurel Schunk,2001
Set during WWII Petras Simonaitas believes his sister was murdered by her baron fianc a Nazi who shortly rapes and impregnates Petras s girlfriend Rima Petras and Rima flee and live quietly until the baby s birth when the Baron and the Nazis descend on them **Book Review Index** ,2003 Vols 8 10 of the 1965 1984 master cumulation constitute a title index

Crime Fiction in the City Lucy Andrew,Catherine Phelps,2013-04-30 Crime Fiction in the City Capital Crimes expands upon previous studies of the urban space and crime by reflecting on the treatment of the capital city a repository of authority national identity and culture within crime fiction This wide ranging collection looks at capital cities across Europe from the more traditional centres of power Paris Rome and London to Europe s most northern capital Stockholm and also considers the newly devolved capitals Dublin Edinburgh and Cardiff The texts under consideration span the nineteenth century city mysteries to contemporary populist crime fiction The collection opens with a reflective essay by Ian Rankin and aims to inaugurate a dialogue between Anglophone and European crime writing to explore the marginalised works of Irish and Welsh writers alongside established European crime writers and to interrogate the relationship between fact and fiction creativity and criticism within the crime genre Public Documents of the State of Wisconsin Wisconsin,1866 **The Great Dictionary English - French** Benjamin Maximilian Eisenhower, This dictionary contains around 130 000 English terms with their French translations making it one of the most comprehensive books of its kind It offers a wide vocabulary from all areas as well as numerous idioms The terms are translated from English to French If you need translations from French to English then the companion volume The Great Dictionary French English is recommended *Public Documents of the State of Wisconsin, Being the Biennial Reports of the Various State Officers, Departments and Institutions* Wisconsin (Ter.) Laws, Statutes, etc,1866
