Marble And Bronze The Art And Life Of Hamo Thornycroft:

Marble & Bronze Elfrida Manning,1982 **British Sculptors of the Twentieth Century** Alan Windsor,2020-09-10

This title was first published 2003 In the twentieth century Britain was rich in artistic achievement especially in sculpture Just some of those working in this field were Jacob Epstein Henri Gaudier Brzeska Henry Moore Barbara Hepworth Anthony Caro Richard Long Mona Hatoum and Anish Kapoor The work of these and other known and less well known artists has an astonishing variety and expressive power a range and strength that has placed Britain at the hub of the artistic world Alan Windsor has compiled a concise biographical dictionary of sculpture in Britain in book form Richly informative and easy to use this guide is an art lover s and expert s essential reference Written by scholars the entries are cross referenced and each concise biographical outline provides the relevant facts about the artist s life a brief characterization of the artist s work and where appropriate major bibliographical references

Public Sculpture of Staffordshire and the Black Country

George Thomas Noszlopy,Fiona Waterhouse,2005-01-01 The Black Country is an area historically known as the cradle of the Industrial Revolution a thriving region built around deep coal seams conjuring up images of fiery red furnaces by night and black sooty citadels by day Yet today the resource rich region also features many striking public sculptures This volume provides a comprehensive catalog to all of the historic sculptures and public monuments in Staffordshire and the Black Country George Noszlopy and Fiona Waterhouse catalog each individual sculpture in detail including information about the sculptor the sculpture s historical and artistic significance the commissioning agent and the date of installation The volume also features 350 black and white photographs that document the diverse and rich beauty of the region s public monuments The ninth volume in the widely acclaimed award winning Public Sculpture of Britain series Public Sculpture of Staffordshire and the Black Country is an invaluable resource for British historians art scholars and travelers alike

Victorian Britain

Sally Mitchell,2011 First published in 1988 this encyclopedia serves as an overview and point of entry to the complex interdisciplinary field of Victorian studies The signed articles which cover persons events institutions topics groups and artefacts in Great Britain between 1837 and 1901 have been written by authorities in the field and contain bibliographies to provide guidelines for further research The work is intended for undergraduates and the general reader and also as a starting point for graduates who wish to explore new fields

Alfred Gilbert's Aestheticism Jason Edwards,2017-07-05

Alfred Gilbert s Aestheticism presents the first sustained re evaluation of the life and work of one of the most acclaimed sculptors of the late Victorian period Drawing on important new archival sources this ground breaking study challenges the customary assumption that Aestheticism was primarily a literary painterly or architectural phenomena Jason Edwards reveals both the diverse ways in which Gilbert s sculptures operated within the context of Aestheticism and also how these works provided a unique and provocative commentary on the history of masculine friendship and eroticism in the period leading up to and beyond the Wilde trials in 1895 Detailed readings are offered of the relationship of Gilbert s work to essays by Pater

and Swinburne poems plays and novels by Wilde and W S Gilbert and paintings by Burne Jones Leighton Rossetti Solomon Whistler and Watts With over 90 illustrations including key contemporary photographs showing Gilbert's works in their original contexts this book makes a major contribution to the field of Victorian sculpture studies *Boudica and Her Stories* Carolyn D. Williams, 2009 This is the first book to concentrate exclusively on texts about Boudica and to cover the full chronological range from the first surviving historical account by Tacitus in AD 98 to the triumphant conclusion of Manda Scott's series of novels in 2006 All our knowledge of the ancient British queen Boudica and her ferocious yet ultimately unsuccessful rebellion against the Romans is derived from a few accounts in ancient Greek and Latin Yet they have inspired a flood of history fictional narrative drama and poetry and there is no indication that the process has ended This study illuminates and celebrates the rich variety generated by the creative tensions between writers knowledge and their individual tastes beliefs and political or artistic aims and considers whether Boudica's textual metamorphoses are without limits or variations on a distinctive theme bounded by a flexible yet enduring narrative pattern Book Jacket

Public Sculpture of Greater Manchester Terry Wyke, Harry Cocks, 2004-01-01 Public Sculpture of Greater Manchester is a complete catalog and illustrated guide to all of Greater Manchester's public sculptures and monuments Manchester historian Terry Wyke provides detailed individual entries for each sculpture featured including information about the artist and the commissioning agent date of installation and the sculpture's historical and artistic significance More than 350 black and white photographs reveal the diversity and beauty of Manchester's many public monuments The eighth volume in Liverpool University Press's highly acclaimed and prize winning Public Sculpture of Britain series Public Sculpture of Greater Manchester will be an incomparable resource for both armchair and actual travelers as well as for English historians and art scholars alike These are excellent volumes in an outstanding and continuing series one of the most original and important such projects under way They set an international standard for the recording and publication of public sculpture Judging panel 2003 William MB Berger Prize for British Art History on the Public Sculpture of Britain series

Queen Boudica and Historical Culture in Britain Martha Vandrei, 2018 Taking a long chronological view and a wide ranging interdisciplinary approach this is an innovative and distinctive book It is the definitive work on the posthumous reputation of the ever popular warrior queen of the Iceni Queen Boadicea Boudica exploring her presence in British historical discourse from the early modern rediscovery of the works of Tacitus to the first historical films of the early twentieth century In doing so the book seeks to demonstrate the continuity and persistence of historical ideas across time and throughout a variety of media This focus on continuity leads into an examination of the nature of history as a cultural phenomenon and the implications this has for our own conceptions of history and its role in culture more generally While providing contemporary contextual readings of Boudica's representations Martha Vandrei also explores the unique nature of historical ideas as durable cultural phenomena articulated by very different individuals over time all of whom were nevertheless engaged in the creative process of making history Thus

this study presents a challenge to the axioms of cultural history new historicism and other mainstays of twentieth and twenty first century historical scholarship It shows how long before professional historians sought to monopolise historical practice audiences encountered visions of past ages created by antiquaries playwrights poets novelists and artists all of which engaged with articulated and even defined the meaning of historical truth This book argues that these individual depictions variable audience reactions and the abiding notion of history as truth constitute the substance of historical culture

Siegfried Sassoon Jean Moorcroft Wilson,2020-11-25 This book encompasses the complete life and works of Siegfried Sassoon from his patriotic youth that led him to the frontline to the formation of his anti war convictions great literary friendships and flamboyant love affairs *Gerard Manley Hopkins and the Victorian Visual World* Catherine Phillips,2007-12-06 In her fascinating and beautifully illustrated book Catherine Phillips uses letters new archival material and contemporary publications to reconstruct the visual world Gerard Manley Hopkins knew between 1862 and 1889 with its illustrated journals art exhibitions Gothic architecture photographic shows and changing art criticism and to show how it was connected to the startling originality of his writing *Nationalism and Classicism* A. Leoussi,1998-07-08 This is a comparative study of the national significance of the classical revival which marked English and French art during the second half of the nineteenth century It argues that the main focus of artists interest in classical Greece was the body of the Greek athlete It explains this interest first by artists contact with the art of Pheidias and Polycletus which portrayed it and second by the claim made by physical anthropologists that the classical body typified the race of the European nations

Siegfried Sassoon - The First Complete Biography of One of Our Greatest War Poets John Stuart Roberts,2015-02-28 Siegfried Sassoon is mostly remembered for the devastating poetry he wrote during World War One as a result of leading his troops over the top to certain death This episode in his life when he was sent to military hospital suffering from shell shock and his heroic return to the Front is covered extensively in his own writing and has overshadowed his later literary output But his more mature poetry is resuscitated in this sensitive exhaustively researched biography As well as recounting the friendships Siggy famously had with fellow poets Robert Graves and Wilfred Owen Roberts delves into the more private arena of Sassoon s covert homosexuality and his ill fated marriage We learn about Sassoon the passionate golfer and bloodthirsty fox hunter all of which adds greater depth to this complex man Roberts also digs deep into his subject s psyche to reveal a fixation with father figures which started during the War when he was under analysis and arose from the early death of his father and uncovers new sources of information concerning Sassoon s conversion to Catholicism This fresh material means that the earlier life is somewhat neglected but then as Sassoon himself said My real biography is my poetry

Mercy and British Culture, 1760-1960 James Gregory,2021-11-04 Spanning over 2 centuries James Gregory s *Mercy and British Culture 1760 1960* provides a wide reaching yet detailed overview of the concept of mercy in British cultural history While there are many histories of justice and punishment mercy has been a neglected element despite recognition as an

important feature of the 18th century criminal code Mercy and British Culture 1760 1960 looks first at mercy's religious and philosophical aspects its cultural representations and its embodiment It then looks at large scale mobilisation of mercy discourses in Ireland during the French Revolution in the British empire and in warfare from the American war of independence to the First World War This study concludes by examining mercy's place in a twentieth century shaped by total war atomic bomb and decolonisation

The Sculpture Journal, 2004

Images of Women in Peace and War Sharon Macdonald, Pat Holden, Shirley Ardener, 1988 As warriors freedom fighters and victims as mothers wives and prostitutes and as creators and members of peace movements women are inevitably caught up in the net of war Yet women's participation in warfare and peace campaigns has often been underestimated or ignored Images of Women in Peace and War explores women's relationships to war peace and revolution from the Amazons Inka and Boadicea to women soldiers in South Africa Mau Mau freedom fighters and the protestors at Greenham Common The contributors consider not only the reality of women's participation but also look at how their actions have been perceived and represented across cultures and through history They examine how sexual imagery is constructed how it is used to delineate women's relation to warfare and how these images have sometimes been subverted in order to challenge the status quo The book raises important questions about whether women have a special prerogative to promote peace and considers whether the experience of motherhood leads to a distinctive women's position on war The authors find that their analyses lead them to deal with arguments on the basic nature of the sexes and to reevaluate our concepts of peace war and gender

After the Pre-Raphaelites Elizabeth Prettejohn, 1999 Victorian aestheticism is reinterpreted here as a significant exploration of what it might mean to produce works of art in the modern world This study addresses not only art for art's sake but its links with science and morality

Alfred the Great: pocket GIANTS Barbara Yorke, 2015-06-01 Alfred is one of the most remarkable rulers of any time or place This clear readable and insightful book shows why Michael Wood Why is Alfred the Great A simple answer is that he has been seen as a man who saved England invented English identity and pioneered English as a written language He is the first Englishman for whom a biography survives so that we know more about Alfred and his ideals than we do for most people who lived over a thousand years ago A slightly longer answer would say that things are a bit more complicated and that one reason Alfred seems to be so great was that he made sure we were told that he was To get the measure of Alfred we need to look at what he actually managed to achieve Can we resurrect the real King Alfred There may be limits but even if we have to part company with some of the Victorian adulation we are still left with a pretty impressive and surprising person

Thomas Hardy Michael Millgate, 2004 Michael Millgate one of the world's leading Hardy scholars adds 20 years worth of new research to his classic biography He presents new insights into Hardy's writing his private life and his two marriages

Alfred the Great Timothy Reuter, 2017-05-15 1999 marked the eleven hundredth anniversary of the death of Alfred the Great and to mark this event two international conferences were held to re-evaluate and contextualise Alfred's achievements

and the developments of his reign This volume includes papers given at both events and provides substantial assessments by leading scholars of issues of source criticism of the large corpus of Old English literature associated with Alfred and of developments in government and society in late ninth century England It also explores how Alfred and his kingdom related to the wider geo political and cultural situation in the British isles and continental Europe and closes with a substantial survey of the uses and shifts in Alfred s reputation in the centuries following his death This substantial and wide ranging volume will become a standard reference work for anyone interested in Old English literature or Anglo Saxon history and will set the pattern of future scholarly debate

Concise Dictionary of Women Artists Delia Gaze, 2001 The Concise Dictionary of Women Artists provides an alternative history of Western art from the Middle Ages to the present day In 200 entries it examines the lives working conditions and most of all the work of a remarkable group of artists

Marble And Bronze The Art And Life Of Hamo Thornycroft Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and

manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Marble And Bronze The Art And Life Of Hamo Thornycroft PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Marble And Bronze The Art And Life Of Hamo Thornycroft PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Marble And Bronze The Art And Life Of Hamo Thornycroft free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Marble And Bronze The Art And Life Of Hamo Thornycroft Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality?
