Carter, 2013-04-16 Reissued with a new preface to commemorate the first publication of *A la recherche du temps perdu* one hundred years ago Marcel Proust portrays in abundant detail the extraordinary life and times of one of the greatest literary voices of the twentieth century An impeccably researched and well paced narrative that brings vividly and credibly to life not only the writer himself but also the changing world he knew Roger Pearson New York Times Book Review William C Carter is Proust s definitive biographer Harold Bloom Named a Notable Book of 2000 by the New York Times Book Review **Marcel Proust** Harold Bloom, 2009 A guide to three novels by Marcel Proust containing selections of critical essays plot summaries for each work and a biography of Proust

Proust as Interpreter of Ruskin Cynthia J. Gamble, 2002 *In the Shadow of Young Girls in Flower* Marcel Proust, 2015-10-13 Edited and annotated by leading Proust scholar William Carter In the Shadow of Young Girls in Flower is the second volume of one of the twentieth century s great literary triumphs It was this volume that won the Prix Goncourt in 1919 affirming Proust as a major literary figure and dramatically increasing his fame Here the narrator whose childhood was reflected in *Swann s Way* moves further through childhood and into adolescence as the author brilliantly examines themes of love and youth in settings in Paris and by the sea in Normandy The reader again encounters Swann now married to his former mistress and largely fallen from high society and meets for the first time several of Proust s most memorable characters the handsome dashing Robert de Saint Loup who will become the narrator s best friend the enigmatic Albertine leader of the little band of adolescent girls the profoundly artistic Elstir believed to be Proust s composite of Whistler Monet and other leading painters and making his unforgettable entrance near the end of the volume the intense indelible Baron de Charlus Permeated by the bloom of youth and its resonances in memories of love and friendship In the Shadow of Young Girls in Flower takes readers into the heart of Proust s comic and poetic genius As with *Swann s Way* Carter uses C K Scott Moncrieff s beloved translation as the basis for this annotated and fully revised edition Carter corrects long standing errors in Scott Moncrieff s otherwise superlative translation bringing it closer than ever to the spirit and style of Proust s original text and reaching English readers in a way that the Pl iade annotations cannot Insightful and accessible Carter s edition of Marcel Proust s masterwork will be the go to text for generations of readers seeking to understand Proust s remarkable bygone world **Marcel Proust** Philip Thody, 1988-01-26 The starting point of *A la recherche du temps perdu* Remembrance of Things Past is an experience everyone has had We have all had a physical sensation that has reminded us so vividly of a moment in our past that we have almost ceased to be aware of the present Marcel Proust immortalized this in the first volume of his fifteen volume novel in 1913 But the novel completed just before his death in 1922 deals with many other themes It is an account of how the narrator Marcel discovers his vocation as an artist and explores the nature of art As a

psychological novel it studies jealousy and how the emotional traumas we undergo in childhood can influence our adult lives It is the first major novel to offer a detailed account of male and female homosexuality It is a satirical analysis of French upper class society at the turn of the century It also shows how this society changes with time Philip Thody offers a straightforward analysis of how Proust's novel is constructed what it contains and how its themes can be related to our experiences as members of American or English society in the late twentieth century He explains one of the most complex prose narratives in terms that both educate and entertain the reader who may be unfamiliar with Proust and his work Thody writes in a most engagingly down to earth manner conveying a real sense of enthusiasm and positively luring the reader towards his potentially daunting subject Professor Thody's contribution holds its own with ease Modern and Contemporary France

Marcel Proust and Spanish America Herbert E. Craig, 2002 Craig begins by attributing the early introduction of the Recherche to the intimate friendship between Proust and the pianist composer Reynaldo Hahn who was born in Caracas He then shows in chapter 1 how literary critics of the principal newspapers and literary magazines of such countries as Venezuela Argentina and Chile examined this French text which we know today as one of the fundamental works of modernism Shortly thereafter interest in the Recherche spread to Cuba Mexico Uruguay and Colombia Eventually it would be read in all parts of the New World Over the years Spanish Americans have continued to write about the Recherche and have published several noteworthy books on it which are included in the comprehensive bibliography which serves as an appendix
