Marci Tale Of An Air Force Wife:

Marci Martha Mass,2002-08 WHY TID BITS Tid bits are the little things in life that we tend to overlook as having no real significant importance to us as we go about the process of living We get so consumed trying to deal with or solve the big issues we have that we can easily forget what started them Many times it is the little tid bit thoughts or actions that have snow balled on us and created something bigger We may not have intended for it to have happened that way at all By paying more attention to the little things we do the way we think or act or even what we believe we can begin the process of bringing about positive change By changing our tid bit behaviors we can change the course of the day Change the course of enough days and the course of life will be changed GETTING READY FOR A BETTER TOMORROW *Texas South Plains War Stories* Larry A.
