Moll The Making Of Molly Parkin:

Moll Molly Parkin, 1993 **The Long Sexual Revolution** Hera Cook, 2004-02-05 In this book Hera Cook traces the path of sexuality in England and shows how its route was determined by the gradual exertion of control over fertility Most sexual activity had major economic and social costs the most fundamental of which was the physical cost of children upon women s bodies Around 1800 birth rates reached historical heights Using a combination of demographic and qualitative sources Dr Cook examines the connection between the struggle to lower fertility and the increasing repression of sexuality throughout the nineteenth century Contraception became a viable option in the early twentieth century The book charts the resulting slow relaxation of attitudes to sexuality and the remaking of heterosexual physical behaviour culminating in the sexual revolution of the 1960s *Lord Gnome's Literary Companion* Francis Wheen, 1994 His review has got to be in by mid day tomorrow at about 9 pm his mind will grow relatively clear and until the small hours he will sit skipping expertly through one book after another and laying each one down with the comment God what tripe Then suddenly he will snap into it All the stale old phrases a book that no one should miss something memorable on every page jump into their places like iron filings obeying the magnet Thus did George Orwell writing forty years ago in *Confessions of a Book Reviewer* describe the labours of a typical literary hack Precious little has changed over the intervening decades the servility of the satirical magazine *Private Eye* Lord Gnome s *Literary Companion* assembles in thematic order the best of these columns to present an astringent rude and funny survey of publishers and the published **Tales from the Colony Room** Darren Coffield, 2020-04-16 Entertaining shocking uproarious hilarious like eavesdropping on a wake as the mourners get gradually more drunk and tell ever more outrageous stories *Sunday Times* This is the definitive history of London s most notorious drinking den the Colony Room Club in Soho It s a hair raising romp through the underbelly of the post war scene during its sixty year history more romances more deaths more horrors and more sex scandals took place in the Colony than anywhere else *Tales from the Colony Room* is an oral biography consisting of previously unpublished and long lost interviews with the characters who were central to the scene giving the reader a flavour of what it was like to frequent the Club With a glass in hand you ll move through the decades listening to personal reminiscences opinions and vitriol from the authentic voices of those who were actually there On your voyage through Soho s lost bohemia you ll be served a drink by James Bond sip champagne with Francis Bacon queue for the loo with Christine Keeler go racing with Jeffrey Bernard get laid with Lucian Freud kill time with Doctor Who pick a fight with Frank Norman and pass out with Peter Langan All with a stellar supporting cast including Peter O Toole George Melly Suggs Lisa Stansfield Dylan Thomas Jay Landesman Sarah Lucas Damien Hirst and many many more *Seeking Love in Modern Britain* Zoe Strimpel, 2020-03-05 *Seeking Love in Modern Britain* charts the emergence of the modern British single through an account of the dating industry that sprang up to serve men and women It shows how amid a period of unprecedented sexual and social change the single became a key unisex identity and

lifestyle From around 1970 a growing cottage style matchmaking industry in Britain was offering the romantically solo a choice between computer dating firms such as Dateline or Computate introduction agencies and the lonely hearts pages of Private Eye Time Out and others Zoe Strimpel reveals how this rapidly expanding landscape of services was catering to a new breed of single people and how by the late 1990s singleness had become the culturally mainstream wholly expected part of the romantic life cycle that it is today Refuting the widespread idea that the Internet invented modern dating this book uses an eclectic and engaging range of first person accounts and snapshots from the time to show that the story of contemporary romance mediated courtship and singleness began in a time long before Tinder **A Certain Age** Joanna Goldsworthy,1994 **Love and Romance in Britain, 1918 - 1970** A.
