you ll soon embark on the epic adventure which is the life of prayer and you ll find encouragement to desire neither the goods nor the experiences of this world but instead to pursue alone the Lord and His divine plan for your life **The Ministry of the Word, Vol. 22, No. 06** Various Authors,2018-06-01 This issue of The Ministry of the Word contains the eight messages given during the international training for elders and responsible ones held in Anaheim California April 13 15 2018 The general subject of this series of messages is Taking Christ as Our Person and Living Him in and for the Church Life God s intention in His economy is to work Himself into us not only as our life but also as our person A wonderful person Christ as the life giving Spirit came into our spirit regenerated our spirit and mingled Himself with our spirit causing our spirit to become our inner man with Christ as the person indwelling our spirit When we are strengthened with power into our inner man the Christ in our spirit is able to spread into our heart Our heart is the acting agent that represents us As regenerated persons our inner man is now our real person Our inner man is now Christ as our person If we live by the outer man the old man it is impossible to have the church life In order for Christ to be our person He needs to make His home in our heart that is He needs to be able to actually live in our heart Then we will live Him by walking according to the spirit When we allow Christ to actually live in our heart He becomes our person in practice The most important quality with regard to a leading one is his person not his capacity ability or gift in carrying out a work serving or taking the lead A leading one must have an enlarged heart Pride an expression of foolishness comes from having a narrow heart A leading one should have an enlarged and loving heart and he should have a powerful and exercised spirit that is he should be dominated governed directed led and controlled by his spirit When a leading one has been fully reconciled to God and has been enlarged in heart he can represent God rightly in His economy Every day we need to live Christ in and for the church life by walking according to the spirit If we would live Christ we must take Him as our person and live one person with Him The Lord Jesus was the Pioneer the model example and pattern of how all believers should live today The first God man lived out another person the Father In Jesus we see not only the man but also God living in through and as that man Living Christ and walking according to the spirit are actually one matter Living Christ requires that we love Him to the uttermost If we do not love the Lord we cannot live Him The practical way to live Christ is to walk according to the spirit Ultimately the Bible requires only one thing of us that we walk according to the mingled spirit To walk in the spirit is to do everything in our daily life according to the spirit The central thought of the Bible is that God desires us to live Christ for the building up of the Body of Christ The Lord s shepherding in His heavenly ministry is to take care of the church which is His Body Christ has incorporated the apostolic ministry into His heavenly ministry in order to shepherd God s flock the church which issues in the Body of Christ The elders must preach the gospel by the way of shepherding and they must bring in a revival by the way of shepherding They must shepherd the saints in everything and in every way for the dispensing of Christ into them We all need to shepherd people according to the pattern of the Lord Jesus cherish the saints in the humanity of Jesus and nourish them in the divinity of

Christ If we all participate in Christ's shepherding there will be a revival in the Lord's recovery The Reports and Announcements section contains an announcement for a Church Book Service Workshop and an update on the construction of the Woodland Camp training facility in the northeast part of London England Also included at the end of this issue is a list of upcoming conferences and trainings hosted by Living Stream Ministry and a website link for information related to similar events in Europe

Encountering Truth Pope Francis, 2015-06-16 Experience the morning homilies of Pope Francis and witness how for twelve years he changed the life of the Catholic Church Shortly after seven in the morning Pope Francis would give a brief homily in the little Vatican chapel of Saint Martha in front of an audience that was always different gardeners office workers nuns priests and journalists It was a set appointment and in some ways a revolutionary innovation where a pope speaks to everyone off the cuff without any written text as he would have done as a parish priest Encountering Truth is a collection of highlights from these homilies Along with summaries by Radio Vaticana who recorded and transcribed the homilies and commentary by Father Antonio Spadaro SJ these reflections provide moments of inspiration simplicity and a glimpse into the papal world very few ever get to experience

Losing My Religion Ria Barna, 2008-03-31 We all own a very special key It is the key that unlocks all that we are and all that we could ever want and dream of wanting Access to this key is so simple yet we make it so hard This key is always there waiting for us to use it to unlock our treasure chest and to release the power within it We all want so badly to be the winner of the big lottery but little do we know we already are the winner We think winning the lottery will give us the power to do what we want with our lives If we only knew that all the power is already within us They say that in the last days the hearts of many men will fail because of fear Our hearts fail every time we make a decision based in fear instead of believing to trust what is in our hearts Our heart is each and everyone's very own treasure chest that is open every time we choose to believe what is in it Now if the key to all our happiness is in our treasure chest which lies within our heart wouldn't it make sense that our number one priority in life would be to discover our heart

and what lies within it Every time we make a decision aligned with our heart we tap into our power and release a potent and invisible energy into the world This energy in turn orchestrates the universe to reflect back into our lives that ultimately leads us to fulfill our purpose We must believe that all of lifes experiences situations and relationships are there to take us on a great journey A journey that creates opportunities for self discovery and that promotes self growth and awareness One experience of life is death However it is not death in the physical sense but in a spiritual sense It is dying to who we thought we were and dying to what we thought we believed and to how we defined ourselves A lot of what we thought really isnt even our own thoughts They are actually thoughts we adopted from others They are thoughts and beliefs imposed on us by others beginning right down to when we were babies In this process to self discovery we must cut off the junk we gathered in life that are not our own in order to become in alignment to who we are God is the very essence of life the life within us and the life outside us As we continue the path of self discovery happiness is sure to follow The compass that should aid us in our journey is called bliss Following our bliss is the key to what is in your heart and ultimately to be one with God The key to our fulfillment in life is not to create separation between who God is and who we are We are one with God We are cocreators with God and we have the power to create whatever we want [The Congregationalist](#) ,1919 [Travel Through Ephesians](#) Thomas L. Hiegel,2013-07-02 What does Paul mean when he says to walk lead a life worthy of the divine calling to which you have been called God says to the readers of Ephesians and to each of us Here my child This is your identity your position stand in your rights Pauls great letter to the church located in a city full of idols and paganism is quite appropriate for study in our day It could be called Pauls masterpiece because of its depth and vastness Ephesians could be considered a theology course for every believer or perhaps a treatise on the church Paul desires every reader to mature in faith love character and revelation He celebrates in a basic theme of redemption by God and describes how the redeemed person should live Pauls revelation on many subjects is our Scripture and guide for life He expounds on existence in Christ the spiritual blessings of every believer the role of The Holy Spirit in the Christians life the transformation of grace election predestination and adoption of Gods children redemption through Christs blood family life and spiritual warfare and Gods mighty armor I encourage you to make a journey with me through Ephesians I believe it will change your life
