Monumental Inscriptions From The Biblical World:

The Context of Scripture: Monumental inscriptions from the biblical world William W. Hallo, K. Lawson Younger, David E. Orton, 1997 [The Context of Scripture: Monumental inscriptions from the biblical world](#) William W. Hallo, K. Lawson Younger, David E. Orton, 1997 **The Context of Scripture: Monumental Inscriptions from the Biblical World** Baruch A. Levine, 2000 **Context of Scripture** William W. Hallo, K. Lawson Younger, 2003 This reference provides access to a broad balanced and representative collection of Ancient Near Eastern texts that are part of the colorful background to the literature of the Hebrew Bible

A Gracious and Compassionate God Daniel C. Timmer, 2016-03-11 In this New Studies in Biblical Theology volume on Jonah Daniel Timmer seeks to secure the book's ongoing relevance for biblical theology and for the spiritual life Timmer examines Jonah's historical backgrounds and Christocentric orientation hoping to bring clarity to problems of mission and religious conversion raised by the text

Die Gottesvorstellungen in der antik-jüdischen Apokalyptik Stefan Beyerle, 2005-07-01 This monograph studies the theological motivations behind certain Jewish apocalypses by focusing on the mighty acts of God recounted in these writings In particular the work examines the various depictions of God's acts and attributes as a means for learning about the individuals and groups responsible for the transmission of these apocalypses Three prominent motifs among others receive attention here theophanies e.g. I Enoch 13 9 25 3 77 1 Daniel 4 10 20 7 9 10 13 14 portrayals of the resurrection e.g. I Enoch 102 104 Daniel 12 1 3 and interpretations of the Babylonian Exile in connection with the new creation e.g. Qumran Jubilees Pseudo Philo Apocalypticism provides a framework for various theologies Generally speaking God is shown as the most prominent figure in these dramas of eschatological events The authors of these writings typically held that their only deliverance could arise from the imminent arrival of an otherworldly eon ushered in by the power of God

The Origin and Character of God Theodore J. Lewis, 2020 Using the window of divinity to peer into the varieties of religious experience in ancient Israel *The Origin and Character of God* is a comprehensive reference work that explores the royal use of religion for power prestige and control the intimacy of family and household religion priestly prerogatives and cultic status prophetic challenges to injustice and the pondering of theodicy by poetic sages

Psalms 49 and the Path to Redemption Janet Smith, 2017-08-04 In *Psalms 49 and the Path to Redemption* Janet Smith revisits her PhD dissertation *Dust or Dew Immortality in the Ancient Near East* and in *Psalms 49* reconfiguring the book for a general audience and expanding it to focus on a theme of biblical redemption The new work takes the reader through the development of Israel's belief in an afterlife both the positive hope but also the negative fate of those who are spiritually impoverished Beyond that *Psalms 49* takes the reader into the mind and heart of the sages and priests who wrote many of the psalms There we find how much we share with them emotionally and spiritually Since Christianity is a movement with roots in the Old Testament the reader is introduced to some important redemption concepts as expressed by Jesus Christ Finally the book reviews a few modern near death experiences to ask if the Scriptures regarding

afterlife have relevance today This book is thought provoking and should cause anyone reading it to think about their own personal path to redemption **The Priestly Blessing in Inscription and Scripture** Jeremy Daniel Smoak,2016 Jeremy Smoak presents a synthesis of recent discoveries bearing upon the early history and function of the biblical priestly blessing of Numbers 6 24 26 The book gives special focus to the importance of the discovery of the blessing on two silver amulets from Jerusalem dating to the late Iron Age and several other Iron Age inscriptions containing parallels to the blessing The analysis of the inscriptions provides a new way to approach the meaning and significance of the instructions for the blessing in the biblical book of Numbers In Search of Pre-Exilic Israel John Day,2005-04-01 In recent years there has been a

tendency among certain scholars to claim that little can be known about pre exilic Israel because the Old Testament was only compiled in the post exilic period for example Philip Davies Thomas Thompson Neils Peter Lemche One scholar Lemche has even claimed that the Old Testament is a Hellenistic work The purpose of this book is to argue that this is an extreme and untenable position and that though much of the Old Testament was indeed edited in the exilic or post exilic period many of the underlying sources used go back to the pre exilic period When critically analyzed these sources can shed much light on the pre exilic period This important work is the product of a team of seventeen international scholars no fewer than five of whom are Fellows of the British Academy None of the chapters has previously been published **The New Oxford**

The Finger of the Scribe William M. Schniedewind, 2019-10-14 One of the enduring problems in biblical studies is how the Bible came to be written. Clearly, scribes were involved. But our knowledge of scribal training in ancient Israel is limited. William Schniedewind explores the unexpected cache of inscriptions discovered at a remote Iron Age military post called Kuntillet Ajrud to assess the question of how scribes might have been taught to write. Here, far from such urban centers as Jerusalem or Samaria, plaster walls and storage pithoi were littered with inscriptions. Apart from the sensational nature of some of the contents, perhaps suggesting Yahweh had a consort, these inscriptions also reflect actual writing practices among soldiers stationed near the frontier. What emerges is a very different picture of how writing might have been taught, as opposed to the standard view of scribal schools in the main population centers. **Zondervan Handbook of Biblical Archaeology** J. Bachvarova,2016-03-10 This book provides a groundbreaking reassessment of the prehistory of Homeric epic It argues that in the Early Iron Age bilingual poets transmitted to the Greeks a set of narrative traditions closely related to the one found at Bronze Age Hattusa the Hittite capital Key drivers for Near Eastern influence on the developing Homeric tradition were the shared practices of supralocal festivals and venerating divinized ancestors and a shared interest in creating narratives about a legendary past using a few specific storylines theogonies genealogies connecting local polities long distance travel destruction of a famous city because it refuses to release captives and trying to overcome death when confronted with the loss of a dear companion Professor Bachvarova concludes by providing a fresh explanation of the origins and significance of the Greco Anatolian legend of Troy thereby offering a new solution to the long debated question of the historicity of the Trojan War

A Handbook to Old Testament Exegesis William P. Brown,2017-03-17 Designed for both Hebrew and non Hebrew students A Handbook to Old Testament Exegesis offers a fresh hands on introduction to exegesis of the Old Testament William P Brown begins not with the biblical text itself but with the reader helping students to identify their own interpretive lenses before engaging the biblical text Brown guides the student through a wide variety of interpretive approaches including modern methodologies feminist womanist Latino a queer postcolonial disability and ecological approaches alongside more traditional methods This allows students to critically reflect on themselves as bona fide interpreters While covering a wide range of biblical passages Brown also highlights two common biblical texts throughout the work to help show how each interpretive approach highlights different dimensions of the same texts Students will appreciate the value of an empathetic inquiry of Scripture that is both inclusive of others and textually in depth

The Land that I Will Show You J. Andrew Dearman,M. Patrick Graham,2002-04-01 A collection of seventeen articles by colleagues and former students of Professor J Maxwell Miller who taught at the Candler School of Theology Emory University The papers deal with the history chronology geography archaeology and epigraphy of ancient Israel and its setting in the Levant and range from broad methodological discussions of historiography to focused analyses of individual texts or historical issues A review of Miller s career and a select bibliography of his publications are also included

The First Book of Samuel David Toshio Tsumura,2007-03-15 David and Goliath the call of Samuel the witch of Endor David and Bathsheba such biblical stories are well known But the books of 1 and 2 Samuel where they are recorded are among the most difficult books in the Bible The Hebrew text is widely considered corrupt and sometimes even unintelligible The social and religious customs are strange and seem to diverge from the tradition of Moses In this first part of an ambitious two volume commentary on the books of Samuel David Toshio Tsumura sheds considerable light on the background of 1 Samuel looking carefully at the Philistine and Canaanite cultures as he untangles the difficult Hebrew text
