Secret Operations Over Occupied Europe Nigel S Atkins, Jan Christensen, 2024-07-04 For several months in 1943 seven young airmen all volunteers were moulded into an RAF crew tasked with undertaking perilous operations over Occupied Europe Drawn together from England Argentina and Canada the crew led by their captain Flight Lieutenant Peter Bartter were assigned to 138 Special Duties Squadron based at RAF Tempsford It was there that they flew low over dangerous territory to deliver agents and equipment to aid the Resistance in Occupied Europe When the Allies opened new fronts in North Africa and Italy Bartter s crew was seconded for some weeks to 624 Squadron flying from Blida in Algeria and Protville in Tunisia On their return to the UK they had the additional task of bringing back Winston Churchill s son Randolph The crew s last operation would be to fly Flemming Muus as head of SOE in Denmark to Roskilde in Denmark However tragedy struck when their Halifax Mk II BB378 was shot down approaching its destination on the night of 10 11 December 1943 Exemplary piloting skills from Peter Bartter brought the aircraft down in a frozen field with no injuries Muus thankfully escaped The crew meanwhile split into two groups the officers and the NCOs The officers managed to evade capture and reach Sweden One of the officers Ernesto Howell went on to re join 138 Squadron but was sadly killed flying over the North Sea in November 1944 The NCOs luck gave out and they were all captured spending the rest of the war in the notorious Stalag IV B From there one of the NCOs managed to escape just before the camp liberated by the Russians In this book the crew are traced from their recruitment to training deployment and for the survivors their post war lives The next generation Ren son of agent Ernest Gimpel and Nigel Atkins son of Brian Atkins the co pilot have become firm friends Nigel Atkins traveled across Europe on a journey of discovery as he has met and interviewed many people while visiting multiple locations the crew only visited from above From daring flights over occupied Europe to meetings over seventy years later the excavation of the crash site and new friendships formed this book has it all
