Owl And The Nightingale:

The Owl and the Nightingale Simon Armitage, 2022-05-24 From the UK Poet Laureate and bestselling translator of Sir Gawain and the Green Knight a complete verse translation of a spirited and humorous medieval English poem The Owl and the Nightingale one of the earliest literary works in Middle English is a lively anonymous comic poem about two birds who embark on a war of words in a wood with a nearby poet reporting their argument in rhyming couplets line by line and blow by blow In this engaging and energetic verse translation Simon Armitage captures the verve and humor of this dramatic tale with all the cut and thrust of the original In an agile iambic tetrameter that skillfully amplifies the prosody and rhythm of the original Armitage's translation moves entertainingly from the eloquent and philosophical to the ribald and ridiculous Sounding at times like antagonists in a Twitter feud the owl and the nightingale quarrel about a host of subjects that still resonate today including love marriage identity cultural background class distinctions and the right to be heard Adding to the playful raucous mood of the barb trading birds is Armitage who at one point inserts himself into the poem as a magistrate to adjudicate one who is skilled with words worldly wise frowns on every form of vice Featuring the Middle English text on facing pages and an introduction by Armitage this volume will delight readers of all ages *The Owl and the Nightingale* J. W. H. Atkins, 2014-09-25 This book contains an edited version of the Middle English poem The Owl and the Nightingale together with a modern English translation *The Owl and the Nightingale* Kathryn Hume, 1975-12-15 The Owl and the Nightingale is clearly one of the few major Middle English poems Despite the clarity and simplicity of its text however the poem has occasioned bitter and still unresolved interpretative controversy Is the key to its meaning to be found in bird lore the debate form Is the poem a political or religious allegory Despite the radical contradictions in the conclusions of previous critics most of them have implicitly claimed a unique and exclusive validity Kathryn Hume's purpose in writing this book is to offer a new account of the poem one based on a systematic attempt to assess the validity and usefulness of various possible approaches to the work She shows saneness balance and humour both in her criticism of previous interpretations and in her own conclusions We need she insists to understand the nature of the poem before we erect elaborate theories about its meaning The contradictoriness of the relevant avian traditions the birds complete incompetence as debaters the poem's curiously indeterminate ending and the critics inability to agree even on the subject of the controversy she argues makes it difficult to see the work as a serious debate about anything Attempts to find an extrinsic or allegorical meaning have proven radically contradictory and have all neglected large portions of the poem But since no serious issue is present in the bird's dialogue the meaning of the poem must indeed be sought elsewhere Analysis of The Owl and the Nightingale's sequential impact and its manipulation of audience response emphasize the debate's lack of direction its bitterness and also from the reader's point of view its humour Kathryn Hume argues that a great deal is clarified and made comprehensible if we regard the poem as a burlesque satire on human contentiousness The birds illogic the wandering arguments the unsystematic

introduction of various human concerns and the inconclusive ending are all consistent with the idea that the poem was written as a witty caricature of petty but vicious human quarrelling Both for its sane reinterpretation of what is widely considered one of the masterpieces of Middle English literature and for the interpretative methodology it employs **The Owl and the Nightingale** The Poem and Its Critics should be of lasting value to medievalists **The Owl and the Nightingale** Nicholas de Guildford,1907 *The Owl and the Nightingale* Brian Stone,1971 The Middle English poems in this book exemplify three major genres in medieval religious writing saint s legend Bible epic and religious debate St Erkenwald perhaps the best saint s legend in English poetry tells how a bishop of London raised a pagan judge from the dead and sent his soul to heaven In Cleanness often known as Purity such events as the Flood the destruction of Sodom and Gomorrah and Belshazzar s feast are recounted with the descriptive eloquence of the poet who wrote Sir Gawain and the Green Knight The Owl and the Nightingale is a charming if occasionally virulent contest between two birds who debate owl wise and nightingale wise the traditional morals of the church and the ideals of courtly love **The Owl and the Nightingale** Nicholas de Guildford,1972 **OWL AND THE NIGHTINGALE** J.
