[The International Spread of Ethnic Conflict](#) David A. Lake, Donald Rothchild, 2020-10-06 The wave of ethnic conflict that has recently swept across parts of Eastern Europe the former Soviet Union and Africa has led many political observers to fear that these conflicts are contagious Initial outbreaks in such places as Bosnia Chechnya and Rwanda if not contained appear capable of setting off epidemics of catastrophic proportions In this volume David Lake and Donald Rothchild have organized an ambitious sophisticated exploration of both the origins and spread of ethnic conflict one that will be useful to policymakers and theorists alike The editors and contributors argue that ethnic conflict is not caused directly by intergroup differences or centuries old feuds and that the collapse of the Soviet Union did not simply uncork ethnic passions long suppressed They look instead at how anxieties over security competition for resources breakdown in communication with the

government and the inability to make enduring commitments lead ethnic groups into conflict and they consider the strategic interactions that underlie ethnic conflict and its effective management How why and when do ethnic conflicts either diffuse by precipitating similar conflicts elsewhere or escalate by bringing in outside parties How can such transnational ethnic conflicts best be managed Following an introduction by the editors which lays a strong theoretical foundation for approaching these questions Timur Kuran Stuart Hill Donald Rothchild Colin Cameron Will H Moore and David R Davis examine the diffusion of ideas across national borders and ethnic alliances Without disputing that conflict can spread James D Fearon Stephen M Saideman Sandra Halperin and Paula Garb argue that ethnic conflict today is primarily a local phenomenon and that it is breaking out in many places simultaneously for similar but largely independent reasons Stephen D Krasner Daniel T Froats Cynthia S Kaplan Edmond J Keller Bruce W Jentleson and I William Zartman focus on the management of transnational ethnic conflicts and emphasize the importance of domestic confidence building measures international intervention and preventive diplomacy

Media Spectacle and Insurrection, 2011 Douglas Kellner, 2012-11-02 For the inaugural book in our Critical Adventures in New Media series Douglas Kellner elaborates upon his well known theory which explores how media spectacle can be used as a key to interpreting contemporary culture and politics Grounded in both cultural and communication theory Kellner argues that politics war news and information media events like terrorist attacks or royal weddings and now democratic uprisings are currently organized around media spectacles and demonstrates how and why this has occurred Rooting the discussions within key events of 2011 including the war in Libya the Arab Uprisings the wedding of William Windsor to Kate Middleton

the killing of Osama bin Laden and the Occupy movements The Time of the Spectacle makes a highly relevant contribution to the field of media and communication studies It offers a fresh perspective on the theme of contemporary media spectacle and politics by adopting an approach that is based around critical social and cultural theory This series gives students a strong critical grounding from which to examine new media **Uprisings in Eighteenth-Century Britain** Monika

Barget,2023-10-19 This study examines how the British Empire of the 18th century contained revolution by integrating opposition agents as new spaces of power opened up Monika Barget convincingly argues that this process of constitutionalisation meant that groups from the aristocracy to religious communities from the army to the people at large were brought into the system in a way that balanced the obvious serious challenges that the Glorious Revolution the Jacobite Rebellion the American Revolution and Jacobin threats of the late 18th century posed to the Empire Barget highlights the lasting political and legal repercussions of this process The structure of the chapters each focussing on specific agents and conflict media also links the history of political agency and political institutions with an expanding European and even trans continental media market **Peasant Uprisings in Seventeenth-Century France, Russia and China** Roland

Mousnier,2021-09-05 This book first published in 1971 is a close analysis of some of the typical peasant uprisings of the seventeenth century The goal of the movements in France and China was a return to an older and more traditional society rather than a profound transformation of the social structure In Russia however the peasants attempted to overturn the rigid order of a two class structure and replace it with a more democratic society 3 Books to Know: French Revolution Charles Dickens,Victor Hugo,Emma Orczy,2019-05-31 Welcome to the 3 Books To Know series our idea is to help readers learn about fascinating topics through three essential and relevant books These carefully selected works can be fiction non fiction historical documents or even biographies We will always select for you three great works to instigate your mind this time the topic is French Revolution The Scarlet Pimpernel by Emma Orczy A Tale of Two Cities by Charles Dickens Les Misérables by Victor Hugo The Scarlet Pimpernel is the first novel in a series of historical fiction by Baroness Orczy published in 1905 The novel is set during the Reign of Terror following the start of the French Revolution The title is the nom de guerre of its hero and protagonist a chivalrous Englishman who rescues aristocrats before they are sent to the guillotine A Tale of Two Cities is a historical novel by Charles Dickens set in London and Paris before and during the French Revolution The novel tells the story of the French Doctor Manette his 18 year long imprisonment in the Bastille in Paris and his release to live in London with his daughter Lucie whom he had never met The story is set against the conditions that led up to the French Revolution and the Reign of Terror Les Misérables is a French historical novel by Victor Hugo first published in 1862 that is considered one of the greatest novels of the 19th century Beginning in 1815 and culminating in the 1832 June Rebellion in Paris the novel follows the lives and interactions of several characters particularly the struggles of ex convict Jean Valjean and his experience of redemption This is one of many books in the series 3 Books To Know If you liked this book look for the other
