The Border Char Miller, 2001-11-29 Over the past 300 years settlement patterns geography and climate have greatly affected the ecology of the south Texas landscape Drawing on a variety of interests and perspectives the contributors to On the Border probe these evolving relationships in and around San Antonio the country's ninth largest city Spanish Mexican and American settlers required open expanses of land for agriculture and ranching displacing indigenous inhabitants The high poverty traditionally felt by many residents combined with San Antonio's environment has contributed to the development of the city's unusually complex public health dilemmas The national drive to preserve historic landmarks and landscapes has been complicated by the blight of homogenous urban sprawl But no issue has been more contentious than that of water particularly in a city entirely dependent on a single aquifer in a region of little rain Managing these environmental concerns is the chief problem facing the city in the new century San Antonio 365 David Martin Davies, Yvette D.

Benavides, 2020-06-09 San Antonio 365 On This Day in History tells one story a day in the history of the Alamo City from popular lore to lesser known events critical to understanding its people and culture The result is a treasure trove of remarkable tales highlighting small ripples that created big waves in the region's history The stories in San Antonio 365 are fun and enlightening slices of history but they also highlight our collective need to learn from the past Internationally known as a center of business and tourism San Antonio has also been the site of significant episodes in the fight for equal rights and justice the importance of economic and cultural diversity and the evolution of good government Among the 365 stories are the anti Communist riot at Municipal Auditorium led against Emma Tenayuca the segregation of cinemas and swimming pools and the 1955 integration of San Antonio schools Charming anecdotes and quotes bring each story to life For instance did you know that Butch Cassidy and the Sundance Kid cooled their heels on the streets of San Antonio a few miles from what would become Interstate 10 where the rock group R E M filmed their iconic video *Everybody Hurts* A lively essay introducing each month underscores the important ways that history is never just about the past As Kurt Vonnegut said History is merely a list of surprises It can only prepare us to be surprised yet again San Antonio 365 brings to life more than three hundred years of surprises highlighting both historical moments that have been overlooked and those told again and again and the compelling characters who shaped the city Our San Antonio Susanna Nawrocki, Mark Langford, Gerald Lair, Claude Stanush, 2008 Place Names of San Antonio David P.
