Secrets Of The Mormon Church:

Best Kept Secrets of the Gospel of Jesus Christ Lawrence D. Gardner, 2006-02-28 I had a religion professor at Brigham Young University who often asked What is the best kept secret of The Mormon Church After declaring all answers amiss he would make this statement The best kept secret of The Mormon Church is the Gospel of Jesus Christ Over the years of teaching gospel doctrine I have found his statement to be all too true Despite their best study efforts and the abundance of scriptural resources many members do not understand some fundamental and extremely important doctrines I invite you to feast with me upon the meat of more exalted concepts *Secrets of the Mormon Church* Donald Ray Haney, 2005-05-09 The church founded by Joseph Smith is today an organization more controlling and subjugating than any church on the face of the earth The LDS Church has written much about their history The church historians have written much about the accomplishments of the LDS Church and its leaders but altogether omit anything pertaining to the Secrets of the Mormon Church All too often LDS Church leaders are presented as infallible men who should be obeyed and never questioned At last a Mormon with insider s knowledge of the secrets of the church has come forward to expose those things that the LDS Church has held secret for generations At last someone with the courage to observe the LDS teachings past history practices standards and beliefs objectively has come forward to reveal his discoveries Finally there is someone with the audacity to reveal the truth and tell it like it is The writer plainly and objectively presents information considered taboo for members to even discuss among themselves He uses an uncanny logic and wit in his presentation and at times just plain gives a shot at past and sometimes present church doctrine and practices His common sense approach and plain talk is refreshing Mormons outside the inner circle will learn what the insiders know Others will learn what otherwise never would have been revealed to them A knowledgeable member of the church after twenty years of research tells all and reveals all The Secrets of the Mormon Church have now been exposed **Secrets Mormons Don't Want You to Know** Richard Benson, Cindy Benson, 2011 Most Christians only see the public face of Mormonism thanks to their persuasive PR campaigns clean faced young people parents committed to family values and spectacular temples But what do Mormons really believe In this revealing book you ll learn their shocking doctrines like It s good to lie to protect the church There are millions of gods God was once a man and became a god We can become gods too Jesus and Lucifer were spirit brothers We all have an Eternal Mother God is a polygamist The Jesus of the Bible was a polygamist The Jesus of Christianity is NOT the Jesus of Mormonism Sins are forgiven through good works Salvation by faith in Jesus is utter nonsense Black people were cursed by God A group of gods helped Jesus form the earth Some sins require the shedding of your own blood You ll also read the moving testimony of former Mormon Cindy Benson She reveals from personal experience the ugly hidden side of Mormonism She was only eleven years old when her 53 year old father announced that a 15 year old girl must become his second wife Once you know what Mormons really believe you will be better equipped to witness to them Here is what Mormon leaders really taught their

members and what the Bible has to say about it We believe this book will help you create burning questions instead of a burning in the bosom for Mormons you know And the Bible verses are right there to give you the answer *The Mormon Cult* Jack B. Worthy,2008-04-01 Scrutinizing the experience of growing up Mormon this personal narrative tells the story of one man s disillusionment with his faith and subsequent excommunication from the Church This account reveals what is posited as inherent racism and sexism within the church and seeks to expose the controlling methods of indoctrination and the harsh process of excommunication The basic tenets of the religion are explained personal stories and analyses are shared and church authorities are cited to support the claims of extreme gender and racial discrimination From unknowing follower to angry rebel and finally to a content worldly man this book recounts the experience of a survivor who feels the duty to explain his truth **Secrets Mormons Don't Want You to Know** Richard Benson (Missionary),Cindy Benson,2011 An

expose of the bizarre beliefs of the Mormon Church and former Mormon Cindy Benson s personal experiences with the church **Guarding Life's Dark Secrets** ,2007-11-08 This book investigates the elements that have developed as part of the definition of propriety and good behavior and how the law has acted to protect respectable people and their reputations

Family Secrets Catherine Slaney,2003-02-20 Catherine Slaney grew into womanhood unaware of her celebrated Black ancestors An unanticipated meeting was to change her life Her great grandfather was Dr Anderson Abbott the first Canadian born Black to graduate from medical school in Toronto in 1861 In *Family Secrets* Catherine Slaney narrates her journey along the trail of her family tree back through the era of slavery and the plight of fugitive slaves the Civil War the Elgin settlement near Chatham Ontario and the Chicago years Why did some of her family identify with the Black Community while others did not What role did passing play Personal anecdotes and excerpts from archival Abbott family papers enliven the historical context of this compelling account of a family dealing with an unknown past A welcome addition to African Canadian history this moving and uplifting story demonstrates that

understanding one's identity requires first the embracing of the past When Catherine Slaney first consulted me her intention was to research the life of her distinguished ancestor Anderson R Abbott After she told me her story of the discovery of her African heritage and the search for her roots I urged her to make that the subject of her book Cathy has served both of these objectives giving us an intricate and fascinating account of her quest for her own lost identity through the gradual illumination of Dr Abbott and his legacy for modern Canadians Family Secrets carries an important message about the issue of race as a historical artifact and as a factor in the lives of real people James W St G Walker University of Waterloo This is a welcome addition to the growing collection of African Canadian materials that connects an unknown past to a promising future That Slaney was unaware of her Black ancestry despite that heritage being so rich and powerful speaks to the dilemma of Black history research it is there but requires considerable digging to uncover Rosemary Sadlier President Ontario Black History Society
