Shakespeare's Tragedy of Cymbeline William Shakespeare, 1922 **Shakespeare's Tragedy of Cymbeline** William Shakespeare, 1884 **Shakespeare's Tragedy of Cymbeline** Anonymous, 2023-07-18 Cymbeline is one of Shakespeare's lesser known plays but it is no less fascinating than his more famous works. The play tells the story of a British king named Cymbeline, his queen, and their three children. It touches on themes of love, loyalty, and betrayal and is a must-read for anyone interested in Shakespeare's work. This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it. This work is in the public domain in the United States of America and possibly other nations. Within the United States, you may freely copy and distribute this work as no entity, individual or corporate, has a copyright on the body of the work. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant. Shakespeare's Tragedy of Cymbeline (Classic Reprint) William Shakespeare, 2018-10-09 Excerpt from Shakespeare's Tragedy of Cymbeline: The play is so badly printed in the folio the style is so involved and many passages are so obscure that it has seemed advisable in the Notes to retain many of the textual variations recorded in my former edition and to summarize the conflicting opinions of the leading editors and critics on the more important of the perplexing passages. These controverted points furnish good material for discussion in classes and clubs and critical students and readers will be more or less interested in them.
